Golf Notes

Old number six hole, which crosses the artificial lake at the Colonial Country Club is daily getting more and more popular. It has gained the name of "Lake Misery." Some boys who went swimming there last week obtained between three and four hundred golf balls and the unusual name is not to be wondered at.

In the season handicap tournament at Reservoir Park, J. D. Smith won first prize points with a net score of seventy.

The deferred match between the Harrisburg Country Club and the York players will take place sometime in September and matches with Lancaster and Reading are also expected.

In the summer handicap tournament at the Country Club points were awarded last week as follows: Pavord 8, Armstrong 2, Kelley 2.

The "clock-golf" which was recently placed on the front lawn of the Colonial Country Club is exciting considerable interest.

A few matches were played last week in the match play tournament at the Colonial Country Club. In the second sixteen, H. S. Miller defeated Swency in the finals and was awarded the prize for this sixteen. Trout defeated Watt and Penneck in the beaten eight of this sixteen and is matched against Ray in the finals.

Matches in the Clement Loving Cup play will start to-day at Reservoir Park and continue throughout the week. This is an annual event and is held immediately after the City Championship Tournament. The cup is now in the hands of T. V. Devine, who was captain of the winning team last year.

TWO GAMES TODAY WITH SYRACUSE

Islanders Home Saturday For Double-Header With Utica; Locals Move Fast

Harrisburg is scheduled for two games at Syracuse to-day. The Sunday game was called off in order to allow an exhibition game between Boston and Syracuse. On Wednesday, Thursday and Friday, the Islanders will play at Utica. It is probable that one doubleheader will be played there. The team returns home for a doubleheader with Utica next Saturday.

This will be the first visit of Utica to Harrisburg. Harrisburg must win from the team higher up in order to make a showing and get out of the cellar. Records to date show the Cockill crew to be moving with great regularity and from now until the close of the season rare games may be expected. The doubleheader next Saturday, it is believed, will prove a big attraction.

Binghamton Team Wins

Binghamton won the final game Saturday by a score of 4 to 0. Harrisburg could do nothing with Sitton, whose curves were a puzzle. The most that Harrisburg could do was to hit the balls in the air. Burns pitched a fairly good game. Sensational teamwork back of him kept down the score. Not until the sixth inning did the Binges connect with successful safeties.

"Dick" Nallin in Trouble; Fans Mob Umpire on Field

Detroit, Mich., July 24.—Chicago defeated Detroit, 12 to 9, yesterday in the wildest, weirdest game played here in a decade. Chicago made twenty hits and used five twirlers. The Tigers obtained fifteen safe drives, but had four pitchers battered. Ness was the star slugger with two singles, two doubles and a triple in six times at bat.

The teams, arriving from the East this afternoon, reached the ball park an hour late and then battled for two hours and 47 minutes under a broiling sun. Close decisions were numerous; there was much wrangling. Manager Jennings was put off the field for disputing a decision and at the close of the game Umpire Nallin narrowly escaped being mobbed. With two out in the ninth and two men on bases, Bush sent up a high foul. Schalk crashed against the stand, caught the ball, doubled up and then regained his footing. Umpire Nallin allowed the put out, and thousands of persons swarmed on the diamond. Nallin was escorted to the clubhouse by Detroit and Chicago players.

Nallin is well known in Harrisburg having played on the original Tri-State team, since his home in Harrisburg for several years.

Tennis Tournament Starts; McLaughlin Not on List

Boston, Mass., July 24.—Many leading tennis players will appear to-day on the courts of the Longwood Cricket Club for the opening of the twenty-sixth annual tournament, the oldest in the country under club auspices. The competition will afford tennis followers an opportunity to compare the work of the two Japanese players, I. Kumazae and H. Makami, with that of the ranking American stars, who are expected to approach top form at this time.

AMATEURS MEET MANY OBSTACLES

Local Games Scarce on Saturday; Dauphin Takes Two From Duncannon

Lack of trolley facilities to get the teams to and from battling grounds, scarcity of stars because of players being required to work Saturday afternoon, and the signing of local stars by minor leagues, were factors in cutting down the number of amateur games on Saturday. Only seven were played.

Keener A. C. trimmed Camp Curtin Fire Company, score 10 to 2. Magill's pitching was a big feature. The Keeners hit the ball hard. Hershey Banked Lebanon, score 2 to 0; and the Stanley A. C. walloped the Belmont, score 5 to 2. Taylor's work at second base for Stanley was prominent. Waltz pitched a good game, received brilliant support, and fanned 10 men. St. Mary's won from Linglestown, score 8 to 2 in a seven-inning game. Palmyra shut out Harrisburg, score 5 to 0.

League Battles

In the Dauphin-Schuylkill League, Lykens shut out Trenton, score 2 to 0. Klingler pitched for the victors and allowed but two hits. Pat Reagan's catching was a big feature. He is hitting the ball for Lykens. Tower City won from Williamstown, score 4 to 1. Adams the former Tri-Stater pitched for Williamstown and was hit hard in two innings.

WELLY'S CORNER

The Grand Circuit races open to-day at Detroit. Stakes running up to \$10,000 will be awarded winners. Entries break all previous records.

Lebanon Valley Fair Association stewards announce a total of \$5,500 for winners in races to be held during fair week, September 4 to 8. The program this year will include races every day.

One year ago the Philadelphia team was leading the National League race with a percentage of .556. Brooklyn was second with .538. Other teams stood, Chicago, Pittsburgh, St. Louis, Boston, New York, Cincinnati. This is the week the Phillies hope to get enough games to go to the top.

Bob Shawkey, the former Harrisburger, is still a winning pitcher. He won his game for New York over St. Louis on Saturday. Shawkey has a great lot of fielders back of him, but his work is always a factor when he wins.

Frank Gotch, the wrestler, once more gives out a statement that he will retire and resume farming. He is convalescing with his broken leg, and writes that he is through with the game. He claims his age is against him and that all wrestlers should retire at 40 years of age.

and Penn star, and later a Cincinnati National League catching star, has taken up politics and is prominent in Ohio. He was one of the best football players in his day.

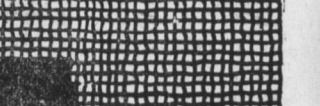

Pitcher Nicholas Carter of Indianapolis, American Association team has been purchased by the Cubs. The price is said to be \$10,000. He is to report for his new duties August 26.

Charley (Pop) Kelchner, St. Louis American scout was in the city on Saturday and witnessed the game between Harrisburg and Binghamton. He is looking over several players in the Harrisburg bunch. Coach Kelchner who has made athletics famous with his Albright College team said Harrisburg has as fast a bunch as there is in the New York State League. "I cannot understand why the people don't go to the games," he added.

There will be great rejoicing in Harrisburg if Harrisburg's Motive Power team wins the Pennsylvania Railroad championship this year. They have another game with Trenton and it will probably be played here this week. Another victory will clinch the flag for the local hustlers. The victory on Saturday was well earned.

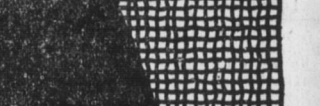

Ralph De Palma won the big auto race at Kansas City Saturday. He made the 100 miles on a dirt track in one hour, 42 minutes, and 58 seconds. This was far below the record.
