

TAKE TWO FROM SYRACUSE---GRIFFIN NEW TENNIS STAR---RECORDS AT DETROIT

WESTERN BOY IS NEW TENNIS STAR

Eliminates Pell in Eastern Tournament; Plays Superb Game All Times

Boston, Mass., July 26.—The Californian tennis woe entangled another Eastern star in the Longwood singles yesterday. Theodore Roosevelt Pell, fifth in the national rank, being vanquished by Clarence J. Griffin, of San Francisco, in straight sets, with the score 6-1, 6-1, 8-7. The famous backhand exponent was no match for his coast rival, who played the same superlative tennis as that which brought him a victory over R. Norris Williams, 24, on Monday. That he could win from two such leading lights in the game in straight sets has raised Griffin high in the opinion of those who have been watching the play in the early rounds.

In eliminating Pell from the tournament Griffin played at the top of his game. Crafty and resourceful, he held the New Yorker at his mercy in the first two sets, and though he was forced to a harder battle in the third, he still had the reserve to pull out of the fire a deuce set.

Pell Off in Last Set The Californian's game fell off a bit in the last set after he had gained a lead of 4-1. Up to this time his carefully judged placements had kept Pell in difficulties, but now Griffin, with the end in sight, became a bit unsteady. Errors piled up against him and helped Pell to bring the set to deuce and even to the advantage game, but Griffin was able to recover in time to close out the set to his credit.

Among the other prominent players who advanced to the fourth round are Watson M. Washburn, Craig Biddle, William M. Johnston and Roland Roberts in the upper half, and in the lower half with Griffin are Joseph G. Armstrong, his next opponent, and Ichiji Kumagee, of Tokio, three times victor over the Californian.

WELLY'S CORNER

Local fans are now doing a whole lot of talking about the Islanders. This is taken as an evidence that the future games will receive a liberal patronage. Taking two games from the Syracuse team was an achievement that shows Harrisburg in the same class with the first division teams.

Harrisburg fans will not get a double-header with Utica on Saturday. One of the games scheduled with the Utes will be played at Williamsport Saturday afternoon. Early arrangements with the Motive Power team gives the local contenders for honors in the Pennsylvania Railroad league the right to Island Park on Saturday.

While local fans are vitally interested in the present stride of the Islanders, and two games on a Saturday afternoon would have brought cash profits, they realize that a change of plans could not be made and will lend their patronage to the Motive Power boys.
