Harrisburg Stores Will Close Saturdays at One O'clock During the Month of August

During the month of August, the following Harrisburg stores will close Saturdays at one o'clock, remaining open all day Fridays and Friday evenings.

In this, they are actuated by humanitarian motives.

Under present conditions, employees are obliged to face the longest working day of the week immediately following their Friday half holiday, losing all benefit that may have been derived therefrom.

The new arrangement will give employees Saturday afternoon and all day Sunday—a day and a half of relief each week during the oppressive days of summer.

We ask the public's co-operation with us in this new movement by arranging their week-end shopping for Friday, Friday evening and Saturday morning.

Will YOU help?

Beginning August 4th, stores will be open all day Friday and Friday evenings. Beginning August 5th, stores will close Saturdays at 1.00 o'clock.
