ARMY SCOUT IS TAKEN TO JAIL

Under Alias, Smuggler With Pershing's Troops, Performed Brave Deeds

By Associated Press
Columbus, N. M., July 27. — Guy Johnson, U. S. A., scout, who confessed to Captain Louis J. Van Schayck here yesterday that he was Guy Hartman, wanted at Fort Smith, Ark., for international revenue fraud, committed during 1915, was taken to the Santa Fe, N. M., penitentiary to-day. Hartman will later be taken to Fort Smith for a hearing.
The cash bond of \$20,000 which Hartman jumped just before his trial in May, 1915, has already been declared forfeited.
"A former business partner of mine is responsible for my present plight," said Johnson, "and I would like to have my hands and feet manacled. I should have liked to have been at liberty just a little while longer. I might then have had an opportunity to serve my country far more than I am about to do now. I loved my work as scout and believed that I accomplished something during my short time with General Pershing. Back in Leavenworth or wherever else I shall be located shortly, I can think back occasionally of the red-blooded men in the field in Mexico and it will afford me a happy moment to know that once I was one of them."

Soldiers at Border Not to Lose Votes

Washington, July 27. — Volunteers who are serving in the Federal military forces on the Mexican border will not be deprived of their votes at the coming national election, even though they should not be mustered out before November. Anticipating the possibility that the guardsmen may be held on the border until after the November election, leaders of Congress have agreed to make provision by which these men may participate in the election.
Senator Reed, of Missouri, to-day introduced an amendment to the army appropriation bill providing for the machinery by which the volunteer soldier may vote. In framing it, he consulted with other Senators, and he believed the Senate will adopt it. But if they do not act on this provision, they will make some plan by which the soldiers can vote.

WATER ROUTS INVADERS

Hose Turned on Track Layers by Borough, and 15 Arrested
Wilkes-Barre, Pa., July 27. — At the head of a force of fire-fighters and State policemen, Chief Engineer John Burrier and Thomas McHale, of Miners' Mills, effectively stopped the laying of tracks by the Delaware and Hudson Coal Company, which yesterday made an attempt to run a street of Miners' Mills borough without a permit. To-day 15 of the workers were arrested after they had been drenched with water from a stout fire hose and pummeled by the clubs of State troopers.
Miners' Mills Council demands concessions for the use of the streets in the form of paving for the most part at the expense of the coal company.

AUTO BANDITS ROB BANK

About \$1,500 Stolen From Vault After Cashier Is Slugged
Indianapolis, July 27. — Two armed men yesterday robbed the East Tenth Street Bank, escaping with between \$1,200 and \$1,500. Harvey B. Tillman, cashier, fought the bandits, but was struck on the head with a revolver and overpowered.
The men drove up to the bank in an automobile and entered when there were no customers. The bank vault was open. The robbers took the money it contained and escaped before the alarm was given.

CHURCH OF GOD PICNIC

London, July 27. — Twenty-eight men, members of the crews of the Norwegian ships Bams, Siebrid and Juno, were landed at Rotterdam to-day by a fishing smack, says a dispatch to Lloyd's shipping agency. The three vessels were sunk by torpedoes in the North Sea while carrying cargoes of timber.

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the Constitution of the Commonwealth of Pennsylvania, in accordance with the provisions of the eighteenth article thereof:—
Amendment to Article Nine, Section Eight.
That section eight of article nine of the Constitution be amended by striking out therefrom the following:—
Section 8. The debt of any county, city, borough, township, school district, or other municipality, incorporated in section fifteen of this article, shall not exceed seven (7) per centum upon the assessed value of the taxable property therein, but the debt of the city of Philadelphia may be increased in such amount that the total city debt of said city shall not exceed ten per centum upon the assessed value of the taxable property therein; and any such municipality or district incur any new debt, or increase its indebtedness to an amount exceeding two (2) per centum upon such assessed valuation of property, without the consent of the electors thereof at a public election in such manner as shall be provided by law. In ascertaining the borrowing capacity of any municipality of Philadelphia, at any time, there shall be excluded from the calculation and deducted from such debt so much of the debt of said city as shall have been incurred, and the proceeds thereof invested, in approved public improvements of any character which shall be yielding to the said city an annual current net revenue. The amount of such deduction shall be ascertained by capitalizing the annual net revenue from such improvement during the year immediately preceding the time of such ascertainment; and such capitalization shall be estimated by multiplying the principal amount which would yield such annual current net revenue, at the average rate of interest of the sinking fund charges payable upon the indebtedness incurred by said city for such purpose, by the time of such ascertainment. The method of determining such amount, so to be deducted, may be prescribed by the General Assembly. In incurring indebtedness for any purpose the city of Philadelphia may issue its obligations maturing not later than fifty (50) years from the date thereof, with provision for a sinking fund sufficient to retire said obligations at maturity, the payment to such sinking fund to be in equal or graded annual or other periodical instalments.
