Harrisburg Buys Brown; New Men Report to Utica

Harrisburg has purchased J. Donald Brown, of the New York Americans, to play with the local team. Erown is a left fielder and it is said will probably be sold at the close of the season. Brown has been playing with the team for several weeks, but the club was only notified of the deal last night. Several other purchases are contem-plated.

plated. Thomas V. Bryant, a former Cornell Thomas V. Bryant, a former Cornell pitcher, reported to Utica to-day. He has been under contract with Utica all season, but failed to report. Reed, a third baseman, of Harris-burg, and Buck, a pitcher, of Utica, were both suspended. Chick Farrell, who has been ill at Scranton, will probably take part in the series with Utica, starting here to-day.

Planing Mill Comes Back: Take Game From Smith Shop

After losing Monday's game to the Smith Shop by the score of 1 to 0, Planing Mill came back strong yester-day and defeated the Smith Shop in a one-sided game by the score of 9 to 1, the Planing Mill taking advantage of the Smith Shop's weakness in the field by scoring nine runs on five hits. "Patsy" Finfrock pitched his usual good game for the mill and after the first inning was never in trouble, at the same time striking out three men and allowing only four scattered hits. Gilday was wild, walking three men. His support was of a ragged nature. Bricker's fielding, Luz's two base hit, Snyder's two hits, Matter's fielding were the bright spots of the game.
