WELLY'S CORNER

The Cubs traded Outfielder Frank Schulte and Catcher Bill Fischer to Pittsburgh for Catcher Art Wilson. No money was exchanged.

James H. Riley, aged 71 years, a former professional rower was defeated a scant half length at Saratoga yesterday by Jim Rice, 64 years old, a coach at Columbia University.

President Ben Johnson of the American League has placed a ban on music at baseball games. He claims that a band playing between innings is alright, but that it interferes with players and umpires when the music continues during the game.

Johnny Kilban's price of \$10,000 to meet George Chaney who wants \$5,000 or 30 per cent. of the gross receipts was not accepted by the promoters in Baltimore.

Amby McConnell who is looking after the Utica team is some ball player. He is leading the league in batting with .360. Utica has a record team for base pilfering, but they are doing little stealing with Wheat back of the plate.

With numerous changes in the Major leagues in order to strengthen the teams and bring about harmony, there will be something doing in the races from now until the close of the season. The National League is an uncertainty. August is the big baseball month and Brooklyn will have to go a still faster pace to win out.

In the matches for the Clement Cup at Reservoir Park, the most interesting one has been the Croll-Roth match.

The player who has shown the most consistent improvement at Reservoir Park this season is J. D. Smith. He repeated his performance of last Saturday by winning first place in the "Season Handicap" tournament with a net score of 69.

Team matches are going to be the popular thing this year, and the plan under way to have a series of matches between the three golf clubs of the city is going to excite attention.

All golfers will find the team matches most interesting and those that stick to this kind of play will find it improves their game wonderfully, because it is tournament practice that brings out the fine points in one's game and that makes it worth while in the winning of something where the competition is keen.

The final matches in the match play tournament of the Colonial Country Club were played last week and beautiful cups handsomely engraved were presented to the winners.

In the first sixteen, Owey won first prize, and the second prize went to Nissey, the runner-up. Seely won first honors in the beaten eight or fth sixteen and captured the third prize.

The second thirteen cups were won by H. S. Miller and Ray, the latter being the winner of the beaten eight matches. Seel won honors in the third eight and was awarded the sixth prize.

At the Central Pennsylvania tournament at Altoona in August, Reservoir Park will be represented. Perry, Devine, Longenecker, Zimmerman, Sherk, Nugent, Richards and Harry will compete, and Brooke and a few others will possibly go.

The Lancaster Country Club has been invited to play the Colonial Country Club, and it is expected the interesting match will take place next Saturday, August 6th.

TRIPLE PLAY UNASSISTED. Salt Lake City, Utah, July 31. The first unassisted triple play of the season was made here by a former Cleveland player, Bill Rodgers, of Portland, in the second inning of the game with Salt Lake.

Ryan stepped and Orr walked. Guigni drove a swift liner into Rodgers' hands. Rodgers tagged Orr out on the line and then stepped on the second bag, putting Ryan out.

BARGAIN WEEK FOR LOCAL FANS

Ten Games on Schedule; Include Four Double-headers; Parade Tomorrow

What promises to be a record baseball week in Harrisburg was inaugurated to-day with a double-header with Utica. To-morrow Syracuse will be introduced to Harrisburg fans and will play a four-game series.

Wilkes-Barre winds up the week with two double-headers. The big feature this week will be a baseball jubilee parade.

Local fans are anxious to boost the New York State League game and to-morrow night every amateur and semiprofessional team in Harrisburg will turn out with the Harrisburg and Syracuse team.

Never in the history of Harrisburg has there been as much enthusiasm over the rise of a ball team as at present. Manager George Cook III has landed two pennants for Harrisburg.

He and his hustling partner, Walter Blair, do not look for a flag this season, but they have a team that is showing its heels and setting a pace for every team in the league.

Businessmen Interested. In addition to the local teams businessmen are manifesting much interest and will have auto trucks in line. There will be one band. This is certain. Several baseball teams have agreed to go together and hire a band; and it is that of a ball team that will be represented with a band on a large auto truck.

To date fifteen clubs have entered and there is more to come. The parade will form at Front and Market streets at 7:30 o'clock and will proceed promptly at 8 o'clock over the principal streets. Two prizes will be offered. For the team having the largest number of men in line a coupon book will be given. The book is good for 42 games. The second prize will include the same number of coupons and will go to the second largest representation.

Kalamazoo, Mich., July 31. — Fresh from the most successful week in the history of the grand circuit harness racing in Detroit, the stars of the light harness world to-day will begin a five days' meeting here.

Three events, with the Dickman Hotel purse, a \$2000 stake, as a feature, are on the first day's card. Large fields rule.

Eighteen horses have been named to go in the stake race, while the other two races, a 2:15 pace and a 2:09 trot, have drawn, respectively, twenty and fifteen starters.

Both of the last named are for purses of \$1000. The Paper Mills purse, a \$10,000 stake, is on the program for Wednesday. It is for 2:08 trotters and has drawn twenty-one entries. It will be raced on the four-heat plan.

BLIND ATHLETE IS CHAMPION. Special to the Telegraph. New York, July 31. — After a careful comparison of the results of athletes conducted by the institutions for the blind throughout the United States this year, the Overbrook School of Pennsylvania announces that one of its students, Monroe Copeland, has been awarded the individual championship for the season of 1915-1916.

In a dual meet recently with the Perkins School for the Blind at Boston, Copeland won five events, running the 50-yard dash in 6 seconds, the 100-yard dash in 11 1-5 seconds and leaping 4 feet 4 inches in the standing high jump, 29 feet 9 1/2 inches in the three standing jumps and 9 feet 8 inches in the standing broad jump.

Trenton put one big crimp in the pennant chances of Harrisburg's Motive Power team on Saturday, winning the game by a score of 7 to 1. Bill Matthews who was a Tri-State pitcher and worked for Harrisburg, showed his old-time form. The locals could not hit in bunches and had costly errors. Frye was hit hard at intervals.

While this defeat does not give Trenton the flag, it will mean a hard fight for Harrisburg. The Tigers have two games to play, with New York and Meadows. Harrisburg has one game with Wilmington. If Harrisburg loses and Trenton wins but one more game the pennant is theirs. A victory for Harrisburg would tie up
