AUGUST FURNITURE SALE

Begins To-morrow, August 1st

YEARS ago before there were great furniture factories, or even small ones, the pioneer, when he wanted a new table, a chair or other piece of furniture, walked into the forest and selected the straightest, strongest, cleanest monarch of the woods—felled it—and made his own furniture.

Into every stroke of the ax; every cut of the draw knife, he embodied the spirit that brought him on an ocean-wide venture to settle a new, wild country. He thought of the future! He builded with the love of freedom, and of the home that was to be.

Such Furniture Had the Assurance of Long And Useful Life

To-day there are many furniture makers, building furniture with that same sincerity of purpose—from good, sturdy, clean lumber; honestly made; after designs that have lived because of their beauty. Such factories produce for you the furniture of your posterity.

In this August Furniture Sale you will find that kind of furniture; hundreds and hundreds of pieces; brought here through months of searching and of selecting each piece with the same exacting care with which you plan your home.

Period Bedroom and Diningroom Sets; Colonial Dining and Bedroom Sets; Craft Furniture; Porch Furniture; Odd Pieces For Livingroom; Library Furniture; Davenport; Odd Chairs and Rockers; Furniture for all purposes.

All these things you will find and more—you will find that indescribable something that expresses in the very air — CONFIDENCE.
