

AFTER FIREBUGS IN STATE'S FORESTS

State Commissioner Sends the Names of Offenders to the Attorney General Today

Over forty cases in which it is charged that fires were caused by careless or malicious persons have been sent to the law department and final statements will go in a few days with complete information in ten others.

These informations are the result of investigation of fires which burned up thousands of valuable timber last Spring and are said to represent about 10 per cent. of the fires reported.

Prosecutions were started this summer for causing fires in Blair, Lackawanna, Lehigh and Monroe counties. Investigation have been made into fires in Lycoming, Westmoreland, Potter and McKean counties.

Newport Hearing.—The Public Service Commission has fixed September 6 as the time to hear the proceedings growing out of the objections of the borough of Newport to the Newport and Sherman's Valley railroad abandoning part of its narrow gauge line.

Normal Schools.—The State Compensation Board will hold no hearings during August, but will work out decisions and announce them in September. Formal meetings will be resumed in October.

To Inspect Trees.—Inspection work which will include all of the commercial nurseries in Pennsylvania was started to-day by the special inspector of the State Dept. of Agriculture, Enos B. Engle taking charge of all in western counties and T. W. Wendt those in the eastern part of the State.

Double Pay on Sundays.—The State Board of Education has approved the plan of the Philadelphia school board to pay double wages to teachers for extra duty on Sundays.

Official Athletic Emblem.—An official emblem has been adopted by the Baltimore Division Athletic Association and the button is being worn by quite a few members of the association in this city.

Standing of the Crews.—Philadelphia Division—118 crew first to go after 1 p. m. 119, 111, 106, 107, 128, 123, 129, 112, 117, 110, 103.

ENOLA SIDE Philadelphia Division—205 crew first to go after 2:30 p. m. 230, 222, 211, 221, 222, 223, 206, 224, 224.

THE READING Harrisburg Division—Westbound — 8, 23, 24, 11, 17, 13, 23, 12, 16, 55, 65.

WESTMORELAND MEN HERE.—Berkey H. Boyd, county treasurer of Westmoreland, headed a delegation of Westmoreland county men who were here to-day to see Commissioner Black to expedite some repair work on certain roads.

Small Revenue.—The State's revenue to-day was less than \$30,000. The disbursements include a \$1,000 payroll. There are unfilled requisitions for \$1,100,000 on the State Treasurer's desk.

William Named.—Major H. S. Williams of Phoenixville, chief of maintenance on the division staff, has been named as general recruiting officer for Mt. Gretna. Lieutenant D. E. Thomas, of Philadelphia, was also named by Governor's Island.

Mr. Keller Returns.—First Deputy Attorney General W. H. Keller returned to-day from a vacation at Pocomoke.

New District Made.—Announcement was made at the Capitol to-day that the Superior Court has abolished the Williamsport district and attached all counties heretofore in that district to the Harrisburg district.

BALTIMORE DIVISION VETERANS On the list of employees of the Pennsylvania Railroad Company, there are 731 men, last, are two men from the Baltimore Division, William A. Schumacher, collector of Baltimore, and George Miller, engineer, of New Freedom.

AN EASY WAY TO GET FAT AND BE STRONG The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods.

There is a preparation known to reliable druggists, known as SARGOL, which seemingly embodies the missing elements needed by the digestive organs to help them convert food into rich, oxygen-laden blood.

This modern treatment is called SARGOL and has been termed the greatest of flesh-builders. Sargol aims through regenerative, re-constructive powers to coax the stomach and intestines to literally soak up the fattening elements of your food and pass them into the blood, where they are carried to the "downy" cells and tissues of your body.

You can readily picture what result this amazing transformation should produce as with increased weight the cheeks fill out, hollows about neck, shoulders and bust disappear and the body assumes a solid, healthy flesh is added to the body.

Sargol is absolutely harmless, inexpensive, efficient. Get a trial package and other leading druggists of this vicinity have it and will refund your money if you are not satisfied, as per the guarantee found in every package.

NOTE—Sargol is recommended only as a flesh builder and does not guarantee results in cases of nervous indigestion, etc. have been reported care should be taken about using it unless gain of weight is desired.—Advertisement.

The Harrisburg Stores

Of the North Third Street Business District

Will Remain Open Saturdays and Saturday Evenings During August

Service First

For the convenience of the public whose patronage has been so ready and generous among these stores, ALL STORES in this section (centering around Third and Broad Streets) will remain open all day Saturdays and Saturday evenings as usual.

From the many requests of the large shopping public who attend the evening Broad Street Market all uptown stores will remain open.

Recreation period will be observed as heretofore for the employes of those stores that have been in the habit of closing Friday noon.

BAND CONCERT SATURDAY EVENING. Arrangements have been made by the uptown merchants to hold a band concert by the entire Harrisburg Band on a specially constructed platform at Third and Broad Streets, Saturday evening, August 5th, at 7.30.

BULLER GOES FOR STREAM DEFILERS

Names Certified to the Attorney General For Prosecution Without Delay

Commissioner of Fisheries N. R. Buller to-day certified to the Attorney General the names of several firms which had ignored notices to stop pollution of the West Branch of the Susquehanna river and several of its tributaries including the Pine Creek.

This morning to make investigations into complaints about the situation found along other streams in the west branch country and to make reports before the end of the week. In a number of instances it is reported that firms have failed to pay any attention to notices to stop pollution.

Commissioner of Health Samuel G. Dixon has detailed some of his inspectors to assist the fish wardens where it is necessary and the two departments are co-operating and will file their reports with the Attorney General. Mr. Dixon some time ago assigned one of the deputy attorney generals to look after pollution cases.

State Police will also assist to check the pollution if it becomes necessary.

AGED NUN DEAD

Philadelphia, Aug. 1.—Mother Patricia, founder and Mother Superior of the Sisters of Mercy in this archdiocese, and one of the best known religious educators in this part of the country, died to-day at the convent of the Sisters of Mercy, aged eighty-two years.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proposition has so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.

PUBLIC INFORMATION

As To The

Harrisburg Railways Company

According to its own statement, published in the "Commercial and Financial Chronicle," the stock issue of the Harrisburg Railways Company is as follows:

Common Stock	\$3,000,000
Preferred Stock	2,100,000
First Mortgage Bonds	3,169,900
Ling. & Bl. Mtn. Mtg.	125,000
Harrisburg & Hum. 1st Mtg.	200,000
Citizens Passenger 1st Mtg.	75,000
	\$8,669,900

A liberal physical valuation of the Harrisburg Railways Company shows its total worth thus:

Physical Valuation

Power Plant and Barn (Liberal Est.)	\$1,125,000
73 1/2 miles of track at \$6,000 per mile	441,000
110 cars (good and bad) at \$5,000 per car	550,000
Total Stock and Bond Issue	\$8,669,900
Total Actual Valuation	2,116,000

Total Watered Stock and Bonds Carried \$6,553,900

To pay five per cent. interest on this load of indebtedness, the Harrisburg Railways Company must have about four hundred and thirty-three thousand, four hundred and ninety dollars, or thereabouts, of net profit, annually. If it paid on the actual physical value of the concern, it would need but one hundred and five thousand, eight hundred dollars. Every year then, our great water-logged Railways Company juggles about three hundred thousand by its watered stock.

From the above statement, it is easy to understand why the Harrisburg Railways Company pays "pauper" wages to its workers.

Papers are now being prepared to put the condition of the Harrisburg Railways Company before the Public Service Commission and, if necessary, the coming legislature.

Where did the \$6,553,900 received for the watered stock go? The strike is still on. We don't ride the cars.

Pennsylvania Federation of Labor

THE GLOBE will close Saturdays during August at 1 o'clock; beginning August 5th, Open Friday evenings till 10 o'clock.

May we ask you to kindly do your buying as early in the week as possible so that our Alteration and Delivery forces may enjoy the holiday along with our regular store force.

We're sorry that we couldn't invite you all to our Second Annual Picnic and Outing at Hershey last Friday. Talk about a time, we certainly had it. We would have been pleased to have you all with us—but as that was not possible we hope that you enjoyed the day as much as we did.

Cordially yours, BEN STROUSE,

"Keep Your Eye on the Clock"

We've Passed the Half-Mile Post and Still Going Strong--Today the Clock Says 592

Cool Summery Suits For These Sizzling Hot Days

Get out of that clinging, wool-lined Suit and jump into one of our easy comfortable cool Suits that nearly every sensible man is wearing.

Palm Beach Suits \$6.50 to \$8.50 Breezeweave Suits \$10.00

Not the ordinary kind of Suit ordinarily shown, but a smart, stylish, well-tailored Suit that will keep its shape and dignity.

As cool as the name implies—a soft crashy fabric that is sold only here. We recommend them for comfort—for style—for fit.

Zefrette Suits \$12.50 & \$15.00 The makers of these "next to nothing" clothes allow them to be sold only in one store in a town. They select the best store—that's the reason we sell them.

"Keep Cool" Suits With the Belted Back, \$7.50 Every young fellow will want one. For the picnic; the outing; the shore; for that stroll with your "best girl"—Smartly styled and tailored.

Khaki Trousers \$5e to \$1.50 White Serge Trousers \$2.95 to \$5.00

White Flannel Trousers, \$3.50 to \$6.00 Sport Coats \$10.00

Auto Dust Coats are here for the whole family \$1.50 to \$5.00

THE GLOBE

STATE BALANCES DROP TO MILLION

Hopes That Financial Situation Will Improve Expressed at Capitol

Payment of half a million dollars of payroll for people connected with the various departments of the State government, sending of checks for judicial salaries and meeting of emergency requisitions will send the total balances of the State government down below \$2,000,000 by the end of the week according to calculations of men at the State Capitol.

A Clean, Cool Scalp

Parisian Sage Stops All Odors and Keeps the Scalp Cool and Clean

Almost everybody nowadays knows that Parisian Sage, the invigorating hair restorer, is guaranteed to cure dandruff, stop falling hair and itching scalp, or your druggist will give you your money back.

But you ought to know more about this marvelous hair grower. You ought to know that in five minutes after an application, no matter how hot the weather, your head will be as cool as a cucumber.

You ought to know also that it kills all odors which arise from the excretion of the scalp.

Everyone ought to have a bottle of Parisian Sage on hand, because it is such a pleasant and exhilarating hair dressing. Ladies use it because they know it makes the hair beautiful, silky and luxuriant. Here's what a New York woman writes: "I have used Parisian Sage two weeks only, yet in that time I find my hair has wonderfully increased in beauty, thickness and luxuriance. But what surprised me most was the disappearance of all dandruff."

A large bottle of Parisian Sage never costs more than 50 cents at H. C. Kennedy's and is sold at drug and toilet counters everywhere.

If Favorite Foods Upset Stomach Take Magnesia

If tomatoes, cucumbers, strawberries or other foods in season do not agree with you and make your stomach burn, producing acid indigestion, don't think you must give up eating these good things and do not, either, make the mistake of swallowing peppin or soda pills after every meal. Instead, just make a practice of taking a teaspoonful of pure bisulphated magnesia in half a glass of hot water right after eating. The hot water will force a needed blood supply to your stomach and the bisulphated magnesia will instantly neutralize any excess of stomach acid and your digestion will be natural and painless. Bisulphated magnesia is not a laxative and its continuous use is entirely harmless as it never weakens natural digestion. It can be obtained at all well stocked drug stores. Be sure to get Bisulphated Magnesia. Do not use other forms of magnesia for this purpose.—Advertisement.

RAILROAD RUMBLES

TRAINMEN FAVOR RAILWAY STRIKE

Few Employes in East Favor Managers' Plan; Balloting Is Costly

Special to the Telegraph Philadelphia, Aug. 1.—Asserting that more than 90 per cent. of the trainmen of the country have signified their intention to tie the railroads up in a coast to coast strike if their demands are not granted, twelve representatives of four beneficial railroad brother-hoods left for New York last night to participate in the official count of the vote.

According to reliable information, the vote is almost solid for a strike. While only the official count will disclose accurate figures, reports from solicitors indicate there is now no question of the resolve of the men to stand by their demands and take drastic measures if the railroad managers persist in their intentions to refuse what the men ask.

Beginning a month ago, after a preliminary canvass in the Spring, the country has been polled to ascertain the views of the men. Close to 1,000,000 has been spent, the railroad men report. The four brotherhoods directing the strike are the Railroad Trainmen, Locomotive Engineers and Firemen, Locomotive Engineers and the Order of Railway Conductors.

The 30,000 trainmen of the Pennsylvania Railroad, the largest single road in the country, have given 97 per cent. in favor of a strike, it was learned from authoritative sources. Nothing definite has been heard from the Reading or the Baltimore and Ohio, although it is predicted their vote is well in excess of the 97 per cent. necessary to carry these roads.

The meeting in New York will take place in the Broadway Central Hotel. The railroad men will continue their deliberations for about a week until the vote has been counted. Then a conference will be called with the railroad managers, to be held in the Engineers' Building in West Thirty-ninth street. Here eighteen representatives of the railroads of the country will be informed of the results of the vote.

On the Pennsylvania Railroad lines east of Pittsburgh some 27,000 votes were cast. These were composed of 14,000 railroad trainmen, 2,400 of the Order of Railway Conductors and 5,000 each of the locomotive engineers and the firemen and engineers. The vote of the Baltimore and Ohio 7,500, and the Baltimore and Ohio 7,500.

Cost of Ballot The cost of the ballot to the four brotherhoods is placed at \$350,000. Of this the Pennsylvania lines East of Pittsburgh paid out nearly \$200,000 in ballots and solicitors to get the vote. The bill to the Railroad Trainmen apportioned \$100,000, the Order of Railway Conductors, \$2,700, and the two other organizations about \$3,000 apiece.

When the meeting convenes in New York to-day 600 chairmen will be present. The trainmen's officials, representing the Pennsylvania Railroad lines east of Pittsburgh, are: H. A. Enoch, Brotherhood of Railroad Trainmen; H. Firemen and Engineers; William Park, Brotherhood of Locomotive Engineers; and J. E. Hendricks, Order of Railway Conductors.

At the joint brotherhood picnic held at Sunbury, Saturday, a total of 7,532 meals were served.

A small freight wreck on the Baltimore and Ohio at Reading, Pa., on the Pennsylvania Railroad, yesterday, tied up traffic for an hour. Seven cars were piled up at Phoenix, Md.

Brakeman Rudolph E. Bell, of the Company, fell from a car at Fetherford, yesterday, and injured his right wrist. He is at his home in Hummelstown.

Engine No. 105, the second of the Pacific type turned out at the Reading shops at Reading, Pa., being tested on the Harrisburg and Reading divisions.

The long standing project of building a railroad from Hyattsville, Md., to Gettysburg, was revived several days ago, when application was made to the Public Service Commission of Maryland by the Washington, Westminster and Gettysburg Railroad Company to sell \$250,000 in bonds, \$144,000 preferred and \$100,000 common stock.

Nickel Plate Telegraphers Get 8 Per Cent. Increase

New York, Aug. 1.—Telegraphers employed by the New York Central and "Nickel-plate" roads are granted an 8 per cent. increase in pay on lines west of Buffalo and 10 per cent. on lines east of Buffalo in the award made to-day by the Federal Arbitration Board which last month heard arguments on the men's demands.

Double pay on Sundays and seven days annual vacation with pay to nine-hour a day workers who have been two years in the service and ten days vacation to those who have served three years, and to less than nine-hour workers seven days vacation who have served two years, are also granted.
