### AT EXTREME PRICE REDUCTIONS

How often do you hear this remark when you start out to purchase a "standard" article at the usual sale? Oh no, that's not included in the sale—that's not reduced. Now that's just where "DOUTRICHS MARK-DOWN SALE" is altogether different, and contrary to all the advice which manufacturers have been giving us this season, telling us not to reduce our standard merchandise we are going to keep our pledge to the public and place on sale Thursday and continuing until August 19th every piece of merchandise in this "Live Store" except Arrow Collars and Overalls, at extreme low price reductions.

- Underwear**

You'll often find estimated values and price quotations lower than "DOUTRICHS" and while our price reductions are not so sensational as some you'll see, they have the advantage of being absolutely "TRUTHFUL" and of applying only to new desirable merchandise. No odds and ends, and un-salables are here at any price. You can buy with the same confidence, receive the same careful attention, and get the same guarantee of satisfaction HERE at SALE TIME as at all other times.
