BOOSTERS BUSY IN BIG PARADE

Jubilate Over Success of Harrisburg Team; Bands and Floats in Line

Baseball fans joined hands with local business men last night and jubilated. The good work of the local team was given a strong boost. All along the route cheers were given the team, and those who participated in the parade wanted it understood that they appreciate the efforts of the boys. It was a great testimonial to a team of real baseball players.

Headed by Frank Horting, with his Hudson Six car, in which were Managers George Cokill and Mike O'Neill, Captain Walter Blair and Frank Seiss, the business manager, the procession started at 8 o'clock. Then came the Commonwealth band and local baseball teams. The Dives, Pomeroy & Stewart's representation was large and included the famous Periwinkle band.

Noonan Wins Second Time; Gets Sale Postponed

Special to the Telegraph. Wilkes-Barre, Aug. 2.—Peter Noonan, manager and president of the Wilkes-Barre Baseball Club, whom minority stockholders are endeavoring to remove, yesterday caused his opponents another surprise when he secured an order of court that checked the club's sale of the ball club scheduled for 2 o'clock.

After losing out in the Federal courts when he attempted to go into bankruptcy, Noonan bided his time until yesterday. He asked the court to prevent the sale, on the claim that ground closure on notes amounting to \$3,600 was prematurely made. Two notes were signed by Noonan for \$3,600, the notes being payable to minority stockholders. The notes in turn were given as collateral security for the payment of a bank note which is not due until September. Noonan contends that there can be no execution on the notes until they are due. The court set aside the sale and fixed to-day as the time of argument. Meanwhile Noonan continues to hold his job.

RAY CALDWELL SUSPENDED. St. Louis, Aug. 2.—Pitcher Ray Caldwell of the Yankees, has been fined \$100 and suspended by Manager Donovan for breaking training rules. The New York team is badly crippled through injuries to players at present, but Manager Donovan says he intends to have discipline at all costs. This is not the first time Caldwell has broken training rules.

COOK'S BINGLE BRINGS VICTORY

Islanders Take Game From Syracuse and Umpire in Tenth Inning

The fighting spirit of the Harrisburg team that has brought the Islanders up in the race was much in evidence yesterday. Coming up from behind Syracuse who had a four run lead, Harrisburg tied up the race twice, and won out in the tenth, score 5 to 5. It was some battle. Hair-raising stunts every minute. Those Stars, led by the veteran Mike O'Neill are fighters too. The game was not won until the winning run was over the plate.

Had to Fight the Umpire. Harrisburg had to fight ten men, Umpire McBride's decisions were away off at times and always in favor of either Ehmkke or the Syracuse team. He was not popular. The big crowd of fans who broke all records for rooting were factors in the victory. They rallied to the cause of the locals in fine style.

Successful hitting gave Syracuse a start of three runs. The fourth was a gift from McBride who called Riley safe at home plate without even looking how the play was made. The fifth run was made in the eighth on two hits and an out from third to first. Harrisburg got busy in the fourth with three successive two-base singles and one single. It happened after two were down on the bases. Today's work on bases four runs were scored in the ninth the game was tied up when Harrisburg scored on two singles and a sacrifice.

Victory in Tenth. Syracuse could do nothing in the tenth. Wheat, the first man up for the locals singled to third, Fritz getting the ball after an ugly bound. Parsons placed a dandy sacrifice and Cook, the boy who is there when needed, hit a Texas leaguer, scoring the winning run. The score: SYRACUSE. AB. R. H. O. A. E. Quinn, 1b, 5 0 4 3 0 0. O'Neill, lf, 4 0 4 1 0 0. Rely, cf, 4 2 3 1 0 0. Hitchcock, c, 5 0 0 3 2 0. Evans, 2b, 5 0 0 1 0 0. Fritz, 3b, 5 1 1 1 0 1. Martin, ss, 5 0 2 4 3 0. Ehmkke, p, 5 0 0 0 0 0. Totals, 38 5 13x28 17 1.

BLEACHER BITS. Went up and saw. Just because Harrisburg beat his team, was Harrisburg's game all the time. Umpire McBride did not seem to be in favor of the Islanders winning yesterday's game.

COCKILL'S CREW HAS MORE GAMES AFTER A BIG SCORE BY OPPONENTS than any other team in the league. Games like that of yesterday have no equal in any league. Only one game tomorrow, in per-mitted by Riley.

EVANS, SECOND SACKER FOR THE STARS, is a shiner. He was in the game all right. Harry Fritz, the Philadelphia high school boy who has been on many circuits, holds down third sack for Syracuse.

MARTIN AT SHORT, SHOT THEM OVER TO FIRST IN REGULAR HITTING STYLE. You must hand it to Harry Fritz for landing berths with teams up in a race. He plays the game and is a good man to have around.

FROELICH PROMOTED. Samuel S. Froelich, 111 Market street, has been made first sergeant of Company L, Fifth regiment, at the Plattsburg military training camp. Mr. Froelich is now spending his third year at the military training camps, having attended camps at San Francisco last year and Ashville, S. C. in 1914. He is a former student of the Central high school, present a student at Gettysburg College.

TENNIS MATCHES SHOW NEW STARS

"Billy" McCreath on Hand to Defend His Title; Wins in Singles and Doubles. All matches played in the greater Harrisburg tennis tournament yesterday attracted special attention from large galleries. The contest between Clark Koons and Earl Bortell was a close battle. The work of Koons, who had a big lead to overcome in the last set, was especially brilliant. He won two out of three sets.

Fans like a scrappy game. There is a big difference between a fighting bunch and rowdyism. There is no need to throw pop bottles at an umpire or call him names. No ball player has the right to hit an umpire. However, the umpires are too quick to send a man to the bench and fine him just because he kicks on a decision. If the New York State League game is to be a success, certain things should be permitted. When a player gets real bad it is time to can him.

The work of Harrisburg in the New York State League for the past week is second to Binghamton. The Binges won seven and lost one game, scored 37 runs; made 74 hits; 14 errors; left on bases, 44; and opponents scored 16 runs. Harrisburg played nine games, won 6; lost 3; scored 18 runs; 63 hits; 4 errors; left on bases, 59; runs scored by opponents, 12.

Harrisburg must win from Albany to make headway in getting out of the cellar. The other teams are having trouble in winning over the Senators. Albany trimmed Utica yesterday, score 4 to 3. Deviney pitched a great game and received brilliant support. Scranton handed Elmira a bump yesterday, score 7 to 3. This means that Harrisburg must get after busy with Scranton. Wilkes-Barre who comes here Friday and Saturday gave Binghamton a jolt yesterday, score 4 to 3. Costly errors by the Binges were a factor.
