first automobile in the interior of the Isthmus.

Gatun was reached at 6 p. m. and from there to Colon the trip was made in double quick order over the splendid road through the Mindy Valley. At 6:25 p. m. Mr. Grier drove his car into the Atlantic ocean. The car Mr. Grier used was a five passenger Haynes, reconstructed by himself into a roadster.

No Changes in Hudson Super-Six Car, Hagerling

"It will be good news to the army of satisfied Hudson owners," says L. H. Hagerling.

of satisfied Hudson owners," says L. H. Hagerling.

the he be thicked to sales agency, that the betroit factory announces the continuance of the Super-Six Hudson model.

"The original program for 1916 was to manufacture 30,000 super-sixes. The demand for the car was so great that it was found necessary to increase the number to 45,000 cars.

"The super-six has proved to be an immensely popular car. In the various tests of speed and endurance to which it has been subjected both in the hands of owners and under the auspices of the American Automobile Association that has been subjected both in the hands of owners and under the auspices of the American Automobile Association to the American Automobile Association will be pathe increase in production will be compared to the factory that unless there should be labor conditions or a variation in the cost of materials that canot be foreseen, the policy of the Hudson Company will be to maintain the present

\$2,000,000.00 A Week

Sales on the new series 75 B are now running over \$2,000,000.00 a week.

We could probably double that big figure if we could produce the cars.

But even our great factories can turn out no more. Capacity is now taxed to the limit.

To thoughtful people this should mean much.

It must signify in which car you get the most for the least amount of money.

Never in the history of the entire industry has there appeared a value to equal this one.

At the price, this new model is the world's most powerful car; the world's most economical car; the world's easiest riding car.

For these and many similar reasons is it the most sought after car of the year.

Order yours today.

Time Payment Plan

No need to wait any longer. Get your new car now. No need now to dig deep into your savings or to scrimp for months in order to pay for your car in one lump sum. The "GUARANTY PLAN" makes that unnecessary.

You can now get any Overland or Willys-Knight Car for a small payment down. Then you can pay the balance monthly-a little at

That in a word is the "GUARANTY PLAN" — a thoroughly organized, financially sound system of time rayments to help people buy Overland or Willys-Knight Cars.

The "GUARANTY PLAN" is one which we can heartily recommend to all.

Come in right away, learn all about it and pick out your car. It's just the sort of plan everyone has been waiting for.

And now it's here-an accomplished fact. Of course there'll be a rush to take advantage of it.

So don't wait until we're slowed up on deliveries. Get your order in now-specify immediate or later delivery as you wish, but make sure of your car to-day.
