association. Vice-president Thorpe said this morning that he has communicated with the Amalgamated Association concerning remarks of Mayor Meigs relative to him and has asked for their advice. He was unable to say whether an attorney will be sent here or the case placed in the hands of a local man. Thorpe said he sent full particulars with clippings from all of the city newspapers and expects to receive a reply in a few days. Mr. Thorpe describes situation Vice-President Thorpe declared that regardless of the advertisements of the Harrisburg Railways Company, that no strike-breakers are employed on the cars, the strikers consider the men now operating on the lines, as such, and will maintain that attitude until the strike is ended. BORDER PROBLEMS GET PREFERENCE

[Continued From First Page]

American commissioners might be expected any time. Last Obstacle Cleared Mr. Arredondo assured Secretary Polk that General Carranza's statement in his last note that the commissioners preferably would discuss subjects outlined in the original proposal merely that the preference would be given to the border situation but that other questions would not be excluded. He also said that he regarded the last Mexican note as one of complete compliance with American suggestions, and it was on that basis Mr. Polk took the matter to the cabinet.

The ambassador's call was believed to have cleared away the last obstacle to appointment of the American commissioners and a decision as to the time and place of conferences. General Carranza has already authorized Mr. Arredondo to arrange details with Mr. Polk. OUTPOST FIRED ON El Paso, Aug. 8. — From 15 to 20 shots were fired last night on the Mexican side of the border which seemed to be aimed at an American outpost just outside the limits of El Paso according to a report made to military headquarters by Lieut. H. E. Lewis, commanding the provost guard. Mexican military authorities disclaim knowledge of the incident. LOCK OUT MILK DRIVERS By Associated Press St. Louis, Aug. 8. — The St. Louis Milk Dealers' Association, comprising fourteen firms, declared a lockout against approximately 900 drivers who voted to strike early to-day. The

big dairy companies have asked the police department to send guards to their plants and it is believed delivery of milk by nonunion drivers will be attempted. Anticipating the trouble, the dealers had compiled a list of customers needing milk for babies and invalids. These will be supplied by special motor truck delivery service already arranged for. The strikers demand a wage of \$18 a week and six per cent commission. WILLIS AND COX NOMINATED By Associated Press Columbus, O., Aug. 8. — Renomination of Frank B. Willis, as Republican candidate for governor and James M. Cox, former governor, as candidate for the chief executive office on the Democratic ticket, is indicated by the early ballot of the Ohio primaries to-day. Rudolph A. Mack, of Cincinnati, is chief opponent of Willis, with George Shaw, of Cleveland, as third candidate. A. P. Sanders, of Ottawa, and J. C. Martin, of Greenville, are opposed to Cox.
