New York, Aug. 9.—Marines led all other speculative favorites during the forenoon, trading in the preferred stock, which was subject to much profit taking, far exceeding the com-bined dealings in half a dozen other active issues. Marine preferred made an extreme for the common, but Atlantic Gulf and West Indies rose to a new high record. United States Steel, which was un-usually duil and a triffe heavy at the outset, made some headway later, but talls were inclined to yield, the Harri-mans, Atchison and Baltimore and Ohio falling under yesterday's final close.
