## Dr. Webster, Member of Lucknow Relief Party Dies

By Associated Press  
Philadelphia, Aug. 10.—Dr. J. E.  
Webster, widely known in medical and  
geographical circles throughout the  
country, died here last night from  
heat exhaustion.

Dr. Webster took a prominent part  
in the relief of Lucknow during the  
India revolution in 1857. He came to  
America in 1875 from England. He  
was born in 1836 on board one of the  
ships of an East India line of which

his father was a director. He was an  
intimate friend of Dr. David Living-  
ston.

Dr. Webster was a member of the  
American Medical Association and the  
National Geographical Society. He is  
survived by a widow and two sons,  
one of whom was recently decorated  
by the French government for his  
courage while serving with the Ameri-  
can ambulance corps in France.

## Normal Conditions Are Resumed in Chicago Wheat

Chicago, Aug. 10.—Caution seemed  
to be the watchword to-day among  
wheat speculators, and there was a re-  
turn to something like normal condi-  
tions greatly in contrast with yester-  
day's feverish excitement and sky-  
rocket course of prices. Opening quo-  
tations to-day ranged from 1-2 decline  
to an advance of 2c, the latter con-  
fined to the May option, with Septem-  
ber at 143 to 144 and December at  
143 to 143½.  
Many traders inclined to the view

that the advance in prices had suf-  
ficiently discounted for the present all  
the crop damage in sight.

### AGITATION AGAINST DANISH SALE

By Associated Press  
Copenhagen, Aug. 10.—Agitation  
against the sale of the Danish West  
Indies is increasing, especially in the  
conservative and Left Parties. Evi-  
dences of dissatisfaction are beginning  
to appear in the radical journals and  
among partisans of the government.  
The National Tidende and other papers  
print communications from prominent  
persons inviting the king to refuse to  
sign ratification of the sale if it is

passed by the Rigsdag, but that the  
king would do so is extremely unlikely  
as, according to the Danish parliamen-  
tary system, the king never is sup-  
posed to refuse his signature to a  
measure the Rigsdag adopts.

### \$200,000 PHILADELPHIA FIRE

By Associated Press  
Philadelphia, Pa., Aug. 10.—A  
spectacular fire destroyed the building  
of the Clawson Company, spice im-  
porters here and spread to the Dr.  
Jayne building adjoining. Other  
properties were also damaged. The  
loss is estimated at \$200,000.

### DISCUSS TRADE DIFFICULTIES

Special to the Telegraph  
Amsterdam, Aug. 10.—At a meet-  
ing of the American Export Chamber  
of Commerce to-day the increased  
difficulties of trade between America  
and Holland were discussed and it was  
decided to formulate a statement to  
the British government pointing out  
that since October 1915 American  
goods sent to Holland under Nether-  
lands Overseas Trust conditions were  
frequently not permitted to reach the  
consignees here. The chamber sug-  
gested that a British official or board  
be appointed at American ports of  
shipment to examine and certify the

neutral destinations of consignments  
with a view to insuring delivery upon  
arrival here.

### COUNTY UNION OFFICERS

Special to the Telegraph  
Blain, Pa., Aug. 10.—Officers of  
the Perry county Women's Christian  
Temperance Union were elected as fol-  
lows: President, Mrs. Charles R.  
Hench, of Blain; vice-president, Mrs.  
Carrie Jeffries, of Newport; cor-  
responding secretary, Mrs. Annie Woods,  
of Blain; recording secretary, Mrs.  
Charles Kell, of Landsburg; treasurer,  
Mrs. James Stewart, of New Bloom-
