# HOW I CURED MY CATARRH

TOLD IN A SIMPLE WAY

without Apparatus, Inhalers, Salves Lotions, Harmful Drugs, Emoke or Electricity

# Heals Day and Night

It is a new way. It is something absolutely different. No lotions, sprays or sickly smelling salves or creams. No atomizer, or any apparatus of any kind. Nothing to smoke or inhale. No steaming or rubbing or injections. No electricity or vibration or massage. No powder; no plasters; no keeping in the house. Nothing of that kind at

all. Something new and different, something delightful and healthful, something instantly successful. You do not have to wait, and linger and pay out a lot of money. You can stop it over night—and I will gladly tell you how—FREE. I am not a doctor and this is not a so-called doctor's prescription—but I am cured and my friends are cured, and you can be cured. Your suffering will stop at once like magic.

Senate Republicans May
Prolong Sessions of Congress

Washington, Aug. 10. — Republicans of the Senate in conference to-day declined to accept the legislative program submitted yesterday by the Democratic steering committee with a view of adjournment of Congress before September 1. Those who were inclined to agree were outvoted by Senators demanding action on the immigration bill at this session.

Whether the action of the Republicans to-day will prolong the session beyond September 1 could not be foretold.
