Carranza Will Return Sequestred Property

By Associated Press Paris, Aug. 11. — Confirmation was given to-day by Juan Azcona, financial agent in Paris of the Carranza regime, of a Mexico City dispatch in the Figaro saying the Mexican govern-ment has decided to return sequestered property taken from supporters of previous governments, subject to any civil responsibilities which may have been incurred. The dispatch says this will tend to unite the various elements in Mexico for the restoration of normal condi-tions. 82 27 34 94 1/2 97 34 3 4 1/4 65

NOT STRIKE BUT TREACHERY By Associated Press

By Associated Press El Paso, Texas, Aug. 11. — The text of a decree wherein First Chief Car-ranza evoked the death penalty against the strikkers who paralyzed Mexico City through a general electric strike, ap-pears in copies arriving here to-day of El Pueblo, a daily paper published in the capital. In tying up transportation, plunging the city into darkness and cutting off its water supply, the strike is held by Carranza to be no strike at all, but an extent of treachery against his govern-ment whose enemies will receive en-couragement by it.
