YOUNG DRIVER IS RECORD-BREAKER

Fred H. Junk, Age 20, Climbs Pike's Peak in Fast Time

Colorado, Springs, Col., Aug. 14. — Driving the same Chalmers six-20 with which he captured first prize in Class E event on Friday, Fred H. Junk, the 20-year-old amateur pilot, finished third in the free-for-all for the Spencer Penrose trophy, 3400 R. P. M. The car, with its youthful, but nervy driver, went out of its class against high-powered racing machines, but made the third fastest time for two days' racing.

Junk drove his car the 12 1/2-mile climb up the steep side of Pike's Peak in 23 minutes 46 7-10 seconds. He defeated expert drivers and fast cars, including Barney Oldfield, Hughie Hughes, Brinker, Mortenson and Parish. His skill and courage in taking the sharp turns at top speed were largely responsible for the fast time he made.

The feat of finishing first and second in Friday's Class E, event performed by Junk and his Chalmers teammate, Roy Stentz, is the talk of racing fans in this section.

Easterners who have not traveled the new auto road up Pike's Peak have only a faint conception of high-speed work above the clouds, where 42 per cent of the road is composed of sharp turns. Thirty-eight per cent of the total road surface shows an average of 10 per cent grade from start to finish line, a rise of 6694 feet.

DAUPHIN SHOWS SPEED ON BASES

Win From Millersburg; Amateurs Near Championship Season

The Dauphin team of the upper end league furnished the thrills on Saturday, in winning from Millersburg, score 6 to 2. Dauphin showed the best form of any team this season. Fast base running featured this game. Dauphin was credited with a triple steal. Stokes pitched a good game, received faultless support and hit the ball timely.

The rejuvenated Duncannon team gave Marysville a hard chase, losing out by a score of 2 to 1. It was in the ninth inning that Marysville had a stick rally. Up to this time Duncannon outplayed the league leaders. Murray's work at short for Duncannon was a big factor in the victory. Wertz pitched for Marysville and fanned 17 men.

Newport won from Halifax in an eighth inning rally, score 4 to 2. Up to the rallying period the Halifax team had the best of the argument. The fielding of the Dauphin county boys was fast and at times brilliant. The game was interesting and Shortstop Reeder of the Newport team was a big factor in the victory.

Lykens Leads League
In the Dauphin-Schuylkill League, Lykens trimmed Tremont, score 8 to 4, and moved into the lead. The game was fast. Gilday's pitching was a feature. Pat Reagan shut out runs by his throwing to second and third. Tower City shut out Williamstown, score 2 to 0. This victory was a big help in putting Lykens into first place. Bries allowed the Williamstown team but two hits.

Harrisburg's amateur and semi-professional teams figured in ten games on Saturday. West End A. C. won from the Midway team of Enola, score 5 to 1, and are out with a challenge to meet any team in the city for the local championship. Challenges must be received by a committee to be named.

Harris Park Winner
In the series between Harris Park and St. Mary's C. C. of Steelton for the amateur championship of Dauphin county, the Harris Park boys won, score 11 to 5. Each team has won a game will be played at Island Park, time to be announced later. Belmont had an easy time winning from Oberlin, score 9 to 3. Hits and fast fielding brought the answer. Goldsboro won from Rutherford Heights, score 6 to 5.

Keener A. C. won from a new team known as the Whistlers, score 9 to 2. The Keeners will in all probability enter the race for the local championship. This team has been going strong. In the game Saturday they outbatted their opponents. The New Cumberland Juniors won from the Hick-a-Thrifts, score 3 to 2. It was a thirteen inning game. The local nine will probably play the Juniors again before the close of the season. It was one of the best games seen at New Cumberland this season. Mumfort fanned 16 men.

Hummelstown shut out Camp Curtin, score 9 to 0, outplaying the Harrisburgers in field and at the bat. The Hummelstown nine is a strong contender for the county championship. At Lewistown, the P. R. Y. M. C. A. nine won from Lewistown, score 9 to 7. Alcorn pitched a good game for the Harrisburgers.

LOCAL TENNIS STARS LOSE
Malcolm Thorpe and D. R. Blankarn, of Pittman, N. J., defeated Glenwood Beard and R. B. Shreiner of Harrisburg in straight sets, 6-3, 6-2 and 7-5, for the junior doubles championship of Pennsylvania at Cynwyd, near Philadelphia, on Saturday.

WELLY'S CORNER

Five straight wins for the Islanders put them out of the basement. Two more victories from Elmira will start Harrisburg again on the climb. Walter Blair promised to get the boys out of the cellar on the trip and keep them there. It looks as if he will make good. However, with the results last week, the teams in the second division are well bunched and there is likely to be some switching this week. Harrisburg plays to-day and to-morrow at Elmira.

Eddie Plank is doing his part in the effort to get St. Louis at the top. Yesterday he shut out Cleveland with but two hits. The Indians had 16 men in the game.

At Newport, R. I. on Saturday, Miss Ruth V. Twombly and Thomas Ridgway defeated Miss Molla Bjur-

stand and Oliver Perin in final round in mixed doubles, scores 6-0, 6-1.

Rae Lentz won the Penrose trophy and \$3,000 cash in Pike's Peak climb. He covered 12 1/2 miles in 20 minutes, 55.6 seconds.

The Grand Circuit races this week will be held at Columbus. This track is considered fast, and some new records are looked for.

Forfeits have been posted for the Kilbane-Chaney battle. It will take place at Cedar Point, Ohio, on Labor Day.

This week will probably wind up the Greater Harrisburg Tennis Tournament. It has been a big success, and many promising young players won honors and will be contenders next season for championships.

ISLANDERS AGAIN OUT OF CELLAR

Clean Up at Binghamton; Win Opening Game at Elmira; Pitchers Do Good Work

Superb mound work by Huenke at Elmira yesterday, with a speedy team back of him, brought a victory, score 8 to 1. This with Harrisburg's victory over Binghamton on Saturday, score 4 to 2, put Harrisburg in seventh place. Elmira was shoved into the basement. In both games the Islanders played all around their opponents.

Hits came timely and on bases the Islanders made their efforts count. Cook was the big sensation in the opening game, bringing down a hit with one hand. Brown was the big boy with the stick hitting two home runs with men on bases.

Helfrich Wins Saturday
Helfrich was the big mound artist in Saturday's game. His support was first class. The game was iced in the seventh inning when Harrisburg got busy with the sticks. Other games in the New York State League yesterday were fast. Buckles the star pitcher for Scranton won two games from Syracuse. Albany trimmed Binghamton in a batting argument, score 3 to 3; and Wilkes-Barre won from Utica, score 5 to 4. The Harrisburg scores follow:

(By Colonel Bogey)
Matches in the Handicap Match Play Tournament, at Reservoir, are progressing very rapidly and are interesting. Both "Skip" Perry and "Tom" Devine have had work cut out for them in disposing of the "dubs" because of the way they are handicapped. Devine had a very hard time defeating Frank Roth in the first round, while Perry was hard pressed before he beat H. D. Gilbert. However Perry had a harder match Saturday and had to play the finest kind of golf to beat W. F. Warlow, who took him to the 19th hole before being defeated. This tournament has already proven the fact that the handicap system is working perfectly.

W. D. Meikle won first place in the Season Handicap Tournament this week at Reservoir and it looks as though he will soon displace Zimmerman as high man for the season's play. Meikle also holds first position in the "Golf" Tournament.

M. S. Kelly still leads in the "bogey" tournament at Reservoir with W. Pavord and W. D. Meikle close seconds.

The Reservoir course is again in the pink of condition and good scores are expected this week as many of the players are trying hard to get in shape for the Altoona Tournament.

The matches between the Colonial Country Club and the Lancaster Country Club were playing Saturday resulting in a good walloping for the Colonial team. The visiting team gave one of the best exhibitions of golf ever seen on the Colonial course. The return match will be played on the third Thursday in September.

Coal Prices Will Advance 30c Per Ton On September 1

This means that you will save 30c on every ton of Egg, Stove, Nut and Pea coal you buy this month.

It is important to remember that Pea Coal will advance 30c per ton.

This is the first year that Pea Coal prices advanced with the larger sizes.

It is a well-known fact that in summer, when there are fewer orders, better care can be taken in the preparation of coal.

Why not place your order at once before you forget?

Valuable Horses Die in Big Fire at Pittsburgh

Pittsburgh, Aug. 14.—Fifty-eight horses, including five racers, were burned early yesterday in a fire, supposedly caused by a spark from a passing engine, which swept an entire block on the North Side.

The total loss is estimated at \$100,000. The blaze originated in one of the two-story frame stables of the O'Neil Transfer Company, where seventy-two horses were kept. Fourteen horses were rescued.

A large storage house was destroyed with its costly contents. Six fast horses owned by O'Neil were in the stables. With the exception of Sweetheart, who raced in the Schenley matinee Saturday, all perished. The ones burned were Roy Venture, Red Gent, Don Jamie, Vanocla and Doctor Joe, each having a mark under 2:20. The steppers were valued at \$6,000, \$5,000, \$8,000, \$7,000 and \$5,000, respectively.

"FRIEND STYMIE"
A stymie is part of the game of golf. A part the rule-makers could quite well let off.
But still there are times in that old-fashioned game that the stymie steps forth to your aid just the same.
For instance—last week, on a blistering day, Antony and I caught a "jit" for to play Benny's favorite fozzie worked well as of old.
But his efforts at stymie were sad to behold.
His approach? It was faultless. I had him one up.
And his little white pill stopped a foot from the cup.
But alas, Old Friend Stymie had come to my aid.
And Antony B's language? (".....")& "X? %\$....." he said.

Why they're Sensible

OCCASIONALLY, a more heavy, full-powered cigarette than Fatima tastes mighty good. But heavy cigarettes are a little too "oily" and rich to suit most men for long. You are certain to find more comfort in a delicately balanced blend like Fatima. Because Fatimas leave a man feeling keen and fit even after smoking more often than usual. That's why they're sensible. Prove it yourself.
