This Leaves the Skin Free From Hairy Growths

(Toilet Talks)

A simple method for completely re-moving every trace of hair or fuzz is here given. This is painless and usu-ally a single treatment will banish even stubborn growths. To remove hairs, make a thick paste with some powdered delatone and water, spread on hairy surface and after about 2 minutes rub off, wash the skin and the hairs are gone. This method will not mar the skin, but to avoid disap-pointment, be certain you get dela-tone.—Advertisement.

"Oh! O-oh!" The two exclamations were almost a chuckle. "Wise to the fact that I wasn't going to hand up, eh?" "Something like that." Colton rose and took from his pocket the strange note reserving the table. "Here's that papyrus table reservation, Mr. Carle I'm through with it." The superior grin faded from the captain's face with a suddenness that opened his mouth and caused a gasp-ing sound to come from his lips be-fore he jumped forward with out-stretched hand. "Let's see that! Give it here!"

tore he jumped forward with out-stretched hand. "Let's see that! Give it here!" The blind man extended it politely. Looks exactly like the one you got doesn't it, captain?" he queried. The captain's eyes seemed fairly to jump from the note to search the ex-pressionless face of the blind man. "How did you know that?" he de-manded, anger in his voice. "You have just told me. Merely the proof of one of the theories you consider so uselessly foolish." "Clever!" Carl put in the compli-ment excitedly, evidently not ill-pleas-ed at anything that reflected on the police captain.
