and "dark" horses getting their share of the money.

In addition to some exceptionally fast racing and some hard-fought battles, the crowd of 8,000 was thrilled when Lee Axworthy trotted an exhibition mile in 2.00½, breaking the world's record for stallions by three-quarters of a second. The record, 2:01, was held by The Harvester.

Charley Valentine and Sister Strong gave the talent a bumping in the 2:18 trot. Sister Strong winning the first two heats and the race in handy fashion, although the third heat was taken by Brescia, the favorite.

Dieumeter, the favorite in the 2:12 pace, had little trouble in winning the two opening miles and the race, but in the third heat Tommy Murphy, with The Problem, shot across in the lead and got second money.

In the Glenville 3-year-old trot. Harrod's Creek, a Kentucky horse and the favorite, made the riffle in straight heats, Maple Tree giving the Creek some hot competition right up to the wire.

The 2:05 pace was fiercely contested from start to finish, it requiring four heats to determine the winner. Fay Richmond gaining that honor by reason of his grabbing off the second and fourth heats and getting within the money in the third. Judge Ormonde, the favorite, won the opening mile, but after that was unable to get in front.

HARRISBURG WINS AFTER BAD SCARE

Heat Hits Huenke in Eighth; Volz Comes to His Rescue; Locals Hit Timely

It was Harrisburg's day yesterday. Rather hot at Island Park, small crowd and a corking good game. Harrisburg won; score, 7 to 5. There was a spell during which it looked as if Binghamton was going to tie things up and make extra innings necessary. The end came satisfactory to Walter Blair and the rest of the local bunch. Huenke, who had been sent home for a rest, had one Texas leaguer credited against him in the first inning. He mowed down the Bingoes every inning up to the eighth and then the heat hit the boy hard and he weakened. Things looked bad for the local twirler in the eighth and ninth. Volz went in and held the Calhoun bunch.

Sitton Has Bad Start

Sitton pitched for Binghamton and after the first inning had puzzlers working up to the seventh inning, when the local hitters made another connection. Layden started the trouble in the first and then came a series of bingles and good base running that brought the four runs. Three more came in the seventh on safeties, sacrifice and speedy work on the bags.

In the eighth and ninth Binghamton got busy with the stick and with Huenke's bad throw to first started with two runs in the seventh. In the final inning Voiz came to the rescue and the game ended. The score follows:

Umpire Pfirman is all alone. The suspension of Doherty makes this necessary. He had a good day, falling down several times on balls and strikes.

Cook plays a heady game at all times. He watched Huenke closely and the minute the mound artist weakened he was there with advice. Huenke gets credit for winning yesterday's game. Volz was a big help. Elliott's work is attracting attention everywhere. This boy has the best of the league infielders on fast work. All the teams are going a fast clip. The Wilkes-Barre aggregation looks better than any of them at present.

The Blingoes are all right when they hit. Huenke had them bluffed for a time yesterday.

Eddie Zimmerman is not a has-been by any means. He may be in a hitting slump for a time, but his work at third as in the past is clean cut. He is good for a long time to come.

The acquisition of Reading adds a good-baseball town to the league, but it destroys the balance of power always held by clubs of this State in a league meeting. Henceforth the Pennsylvania cities will have as much to say about the conduct of the circuit as the New York State members.—

Guy Nickalls to Return Is Report From Yale

New Haven, Conn., Aug. 23.—Guy Nickalls, the famous rowing coach, will be back at Yale this fall, according to an announcement made by Captain Cord Meyer, who was in New Haven making arrangements for the fall work. With Captain Meyer came Captain Seth Low of last year's crew. Mr. Nickalls, who has been rejected from the English army because of age, has been working in an ammunition factory in England through the summer, where he has been doing heavy work because of his great strength. That Mr. Nickalls is to return has caused great satisfaction in Yale circles, both because of his personal popularity and because of his success in 1914 and 1915 and the fine race rowed against Harvard last year. The mayor of Reading has nothing on Mayor E. S. Meals because he pays his way to see baseball games.
