STEELTON AND NEARBY TOWNS

MILLS NOW HAVE 10 MONTHS' WORK

Plants Book Business Enough to Run Uninterruptedly Far Into 1917

Pig iron rather than steel has been the market leader of the week, says the Iron Age to-day.

"The spectacular orders for shell and other war steel, with deliveries running six to ten months ahead, having been put on producers' books, interest in the steel trade centers on the balancing of supply and demand in the domestic market for the first half of 1917. Yet it is evident that the Allies want much more steel from the United States. Producers have been solicited again in the past week, in dragnet letters, to say what rounds or rounded billets they could furnish, with what deliveries and at what prices.

"Many orders now on the books of leading steel companies for this year's delivery must go over to 1917. Weeks of almost unbroken hot weather have aggravated an oversold condition, and consumers have not yet felt the full effect of this exceptional curtailment.

"There are signs in the building trade that the high prices of steel have now fastened themselves in buyers' minds as likely to last longer than was counted on only lately. Work is to go forward, for example, on hotels at Washington and Baltimore, requiring about 8,000 tons, and at St. Louis on a building calling for 6,500 tons. The American Bridge Company has the contract for 19,000 to 22,000 tons for new Carnegie mill buildings in the Youngstown district.

"Car rebuilding is a factor, rather than new car orders, 25,000 to 30,000 tons of steel being wanted for the former. The St. Paul is considering 5,000 new cars, and the Pennsylvania Railroad has ordered 11,000 tons of plates and 4,000 tons of shapes for car building."

Final Playgrounds Track Meet to Be Held Tomorrow

Supervisor James R. Irwin to-day completed arrangements for the final track and field meet of the Steelton playgrounds to be held on the Cottage Hill field to-morrow afternoon.

One of the strongest contenders for the championship title will be the youthful athletes from the Cottage Hill field, who yesterday, defeated the Sycamore playground team of Harrisburg, which for two years has held the city championship. These winners were given a watermelon feast at their playground this morning. Supervisor James McGovern was a busy man in seeing that none of his proteges overate.

The events for to-morrow's meet include:

Midget boys, 50 yard dash, elephant race and bucks; junior boys, 60 yard dash, running broad jump, potato race and 400 yard relay; senior boys, 75 yard dash, running high, running board and 440 yard relay; Cottage Hill boys, 100 yard dash and running high; midget girls, club race; girls, serpentine race, 50 yard dash and basketball throw; senior girls, club race, 60 yard dash and basketball throw.

Plans Complete For Picnic of Centenary U. B. Church

Ira L. Carill, chairman of the committee in charge of arrangements for the annual picnic of Class 23 of Centenary U. B. Sunday School, has completed his work. This year's outing will be held at Boiling Springs Park, Saturday. Special trolley cars will leave Market square at 8 o'clock and an automobile truck will leave Mohn street at 7 o'clock for those who prefer jitney transportation.

An interesting program of events has been arranged, and includes a baseball game between the men and the women, the men each having one hand tied, a ball sewing contest, doughnut eating contests, potato and peanut races and a baseball game between the married and single men.

To Give Concert.—The Steelton band will give a concert to-morrow evening on the lawn of M. A. Ober, cash, Main street. The concert will start at 8 o'clock.

To Hold Dance.—St. Mary's Catholic Club will hold a dance at Seaton and Washington streets this evening. The Highspire orchestra will furnish music.

Robbed Store, Charge.—Joe Bucher was arrested last evening by Detective I. N. Durnbaugh charged with breaking into the tire repair shop of Theodore Ebnets, South Front street, Saturday night, and stealing valuable articles. Bucher was committed for a hearing.

Sells Property.—Salvatore De-Franco has sold Yoda Kovacic and Nichola Relic the double two-and-a-half story dwelling at 803 and 805 South Third street.

Storm Does Much Damage; Barn at Bressler Burns

Much damage to property and machinery was done by yesterday's storm. At Bressler lightning struck a stable owned by Richard Brown and the fire which followed completely destroyed the structure. The loss amounted to several hundred dollars. Telephone service out of the borough was hampered, the local fire alarm system was deranged and a bolt of lightning interrupted the electric supply from York Haven power plant to the Bethlehem Steel Works, hampering operation here for a brief period.
