

# ELMIRA HERE FOR FINAL SERIES WITH ISLANDERS---ROSEWOOD LANDS PENNANT

## ROSEWOOD TEAM LANDS HILL FLAG

### Sensational Work During Past Four Weeks Brings Honors; Won Over Galahads

In winning from the Galahads last evening the Rosewood team clinched the pennant honors in the Allison Hill League. The final game went to a score of 1 to 0 in five innings. It was a pitching duel. Gardner, on the mound for Rosewood, kept his hits well scattered, while Fortney was hit in a bunch in the third inning.

Rosewood has maintained a lead most of the season. At long intervals the leaders dropped to second place, only to move up in the next game. The worst slump occurred four weeks ago, but the boys rallied and have been playing a sensational game ever since. The score follows:

## ELMIRA HERE TO WIND UP SERIES

### Bingoes Drop Third Game to Islanders; Parsons in Form; Good Hitting

Elmira, better known as the Colonels, are here for a series of three games with the Islanders. The first game was played this afternoon at Island Park. It will be the final appearance of Wid Conroy's bunch in Harrisburg this season.

The double-header to-morrow afternoon will be a benefit offering for the Harrisburg soldiers now at the front. Five per cent of the gross gate receipts will be turned over to a fund and used to purchase baseball outfits for each of the three Harrisburg companies. This is Manager George Cockill's scheme and tickets which have been on sale for several days indicate a large crowd.

Harrisburg made a clean-up with the Bingoes yesterday taking the game by a score of 7 to 2. Barnhart's curves were easy picking for the Islanders and were piled up early in the game. Parsons who officiated at the mound for the Islanders had everything necessary to win a game. He eased up after his teammates had led the game. The fielding of the locals was a big factor. Birmingham went to pieces near the windup of the game.

### How Runs Came

Two bases on balls, an out at second and Irving's single brought the first run for the Bingoes. Three hits netted another in the eighth. Harrisburg started with one run in the second on a single, stolen base and double by Mills. Layden's single Cook's sacrifice and Downey's double brought the next run. Two were chalked up in the fourth on a series of safeties by Wheat, Mills and Parsons and another by Elliott. Two more came in the seventh on singles by Layden and Downey and a double by Gough with errors; and one in the eighth on errors by Calhoun and Pepp, and a triple by Mills. The score follows:

### Want 24 Biplanes For Aviation Station in Hawaii

By Associated Press

General Evans is establishing an aviation corps here and his request followed an investigation into the probable requirements.

## MARYSVILLE HAS FOUR MORE GAMES

### Meets Dauphin Tomorrow in an Important Battle; League Season Near End

Special to the Telegraph  
Marysville, Pa., Aug. 25.—The local team, leaders in the Dauphin-Perry League, will meet Dauphin tomorrow. The game will be played at Dauphin. Win or lose, Manager Frank Stees says the flag will come to Marysville.

A defeat for the West Shore lads will not interfere much with the pennant rush. Dauphin will still have two games with the fast Newport team, while Marysville will be playing three games with Millersburg and Duncannon squads. In case Dauphin wins all three, Marysville needs but two more games to clinch the pennant.

### Good Game Tomorrow

Manager Harry Stees, however, expects to have the boys work their utmost to-morrow to clinch the pennant, in order that they may rest up for the post-season series with other champions. Accordingly, he will send in Don Wertz and Kurzenkne, his old reliable battery. Dauphin will likely send in Gilday, the team's best hurler. Waltz will pitch.

At Newport a good game is expected with Duncannon and Newport, old rivals. Duncannon had been going poorly all season, but during the past few games appears to have struck her stride and will work hard to-morrow. Saylor will likely twirl, although T. Miller may be used, while Dearolf will don the mask, protector and shin guards. Newport will likely use Emerick and Hart.

### First Automatic Phones Are Installed by C. V. T.

As the first step in the plan to transfer the old manual exchanges of the Harrisburg and Steelton districts, into the automatic system, the Cumberland Valley Telephone Company yesterday installed automatic phones in the offices of the department heads and in a number of public buildings including several banks and clubs.

Busy days are ahead for the C. V. T. officials and to facilitate service between the department heads, the automatics were installed as soon as possible.

## DARKNESS STOPS HANDICAP SHOOT

### Entries Force Postponement of Finish Until Tomorrow Morning

Special to the Telegraph  
St. Louis, Mo., Aug. 25.—The preliminary handicap of the Interstate Association of the trap-shooting tournament here yesterday was won by Al Koyen of Fremont, Neb. He got 97 out of a possible 100, shooting from the 17-yard mark. L. S. Rambo of Delong, Ill., was second with 96. C. D. McGarry of Hammond, Ind., with 95 was third, after shooting off eight ties.

The Grand American Handicap was started during the afternoon. No shooter was able to try more than 75 targets before darkness made it impossible to continue. The event was postponed until to-day and probably will last until Saturday afternoon, there being 615 entries.

The conditions are 100 single targets, unknown angles, with handicaps of 16 to 23 yards. Only amateurs are eligible.

One of the features of to-day's shoot is a special contest between women shooters. The women of the East have lined up against the women shooters of the West, and it will be known as ladies' day at the association grounds. The ten high scores in the preliminary handicap are as follows:

Al Koyen, Fremont, Neb.	97
L. S. Rambo, Delong, Ill.	96
C. D. McGarry, Hammond, Ind.	95
J. C. Gray, Bloomington, Ill.	95
E. W. Anderson, Peconia, Ill.	95
E. P. Rundergast, St. Louis, Mo.	95
A. Risser, Paris, Ill.	95
E. J. Marcott, Laurium, Mich.	95
O. C. Botter, Olio, Ia.	95
Del Miller, West Alle, Wis.	95

### WINS STALLION STAKE RACE

Special to the Telegraph  
Cleveland, Ohio, Aug. 25.—The champion stallion stake race, the feature event of yesterday's grand circuit card at North Randall, was won by Volga, the fast mare of the Pastime stable, without having to extend herself. Volga, the champion 2-year-old of 1915, won easily over Expressive Lou and Bingen Silk, the only contenders to give her competition. Charley Valentine, one of the successful drivers in the twice arounds, gained distinction to-day by winning two races. With Donna Lona he cleaned up in the 2:16 trot, stepping the mare in 2:05 1/2 in the first heat, the fastest mile recorded by any four-year-old this season.

## WELLY'S CORNER

Congratulations are coming to the League. This bunch of boys played a great game all season. It was persistent work that brought the answer. The general belief with Hill fans is that the flag and cup went to the best team.

An interesting game is looked for to-morrow when the West End A. C. meets the Middletown team. This will be the first match between the teams. Middletown will send a large number of rooters. The game will be played on the grounds at Fourth and Seneca streets.

Games in the New York State League yesterday were important. Utica stopped Scranton's stride by taking both games in a double-header and Elmira won over Reading in a ten-inning battle by a score of 2 to 1. Syracuse won over Wilkes-Barre, shutting out the Barons, score 5 to 0. The

Stars look stronger as pennant winners by their work this week.

The Keener A. C. is anxious for a game to-morrow. This team has been going a fast pace and some of the teams not caring for defeat canceled on the Keener boys. They will take on any team in the city. Another pair of fast teams are the Highspire A. A. and St. Mary's. They will meet to-morrow afternoon for a final struggle. The game will be played at Steelton. St. Mary's boys are anxious for a victory, as it will count in their championship record.

Manager George Cockill is receiving many inquiries about Pitcher Helfrich. This boy is sure to be counted in one of the drafts by the majors. His work all season has attracted attention. Many scouts picked him for a corner and it looks as if Helfrich will be training with one of the major teams next Spring. He should not be overlooked.

## LANCASTER RACE PROGRAM

Special to the Telegraph  
Lancaster, Aug. 25.—The program of races for the Lancaster County Fair next month, just issued, show that some classy racing will be seen, purses to the amount of \$4,500 having been hung up. In most of the events the purse will be \$400. On the first day, Tuesday, September 26, the events will include a 2:17 trot, 2:22 pace, half-mile running race, Wednesday, 2:25 trot, 2:14 pace, two running races; Thursday, 2:11 pace, 2:19 trot, 2:14 trot, two running races; Friday, 2:22 trot, 2:19 pace, running race. Entries close September 19.

### MANAGER JONES PROTESTS

Washington, Aug. 25.—Manager Griffith of the Washington Club yesterday was notified that Manager Jones has wired President Phil Ball of the St. Louis American League Club, to protest the second game with Washington, Wednesday, in which St. Louis was beaten, 4 to 2. The grounds given are that it was so dark that the umpires knew nine innings could not be played, but they ruled it should be played.

### MATTY WILL PITCH

Cincinnati, Aug. 25.—Manager Christy Mathewson yesterday announced that he had agreed to pitch his first game for the Reds at Chicago on September 4, when the opposing twirler will be Mordecai Brown. Manager Mathewson also announced that he had signed an outfield named Paul Smith. Smith was obtained from the Montreal Club.

## Veterans Lack Speed in Meadow Club Tennis Matches

Southampton, N. Y., Aug. 25.—Four individuals and three pairs emerged as victors at the close of play in the Meadow Club Tennis Tournament here, to play in the semi-finals to-day. Contests for the singles cup will be Watson M. Washburn, William J. Clothier, Boland Roberts and Joseph J. Armstrong.

The winning teams are William M. Johnston and Clarence J. Griffin, Theodore Roosevelt Pell and Joseph J. Armstrong, R. Norris Williams 2d and Richard Harte.

The feature contest in doubles was between Johnston and Griffin and William A. Larned and William J. Clothier, formerly holders of the national title. The younger men from California won, 6-4 and 6-4. Larned and Clothier played valiantly, but the pace was too fast. Williams defaulted in his singles match against Washburn because of a sprained ankle. Maurice E. McLoughlin and Ward Dawson, challengers for the national doubles title, entertained the gallery with stroke practice.

## EVERS SUSPENSION ENDS

Boston, Aug. 25.—The suspension of John J. Evers, captain of the Boston Nationals, imposed by President Tener Tuesday, was lifted to-day, according to a telegram from the league executive to President Haughton. Evers' indefinite suspension followed words with the umpires at St. Louis last Saturday.

## Judge by the Smell—Your Nose Knows

Ten different men—or ten different advertisements—will tell you that ten different tobaccos are the best on earth.

Your nose will tell you one tobacco is the best. And your nose knows.

Make this simple test. Rub some TUXEDO briskly between your palms until the heat and friction bring out the full aroma, and smell it. Test every other tobacco you can get hold of in the same way. Give them all a fair, square test.

Your nose will say, "Oh, what a difference." Your nose will tell you that TUXEDO is packed full of that delightful fragrance that must mean supreme flavor and mildness. Your nose will tell you that the other tobaccos don't meet the test—that they fall down hard.

Your pipe will back up what your nose says. TUXEDO is as good as it smells. That's saying a whole lot—but the proof is waiting for you.
