DR. FRITCHEY DIES IN PHILADELPHIA

[Continued From First Page]

but on Wednesday he was removed to the hospital where he sank steadily until death came this morning, caused by liver disease, complicated by heart disease.

ARE YOU TOO THIN?

A Safe and Simple Way That Has Increased Flesh and Weight.

To the thousands of men and women who are thin, run down and underweight and who would be glad to put on ten pounds or more of good, firm, healthy flesh, we recommend a trial of the famous flesh-making Sargol tablets which are harmless and work to produce flesh in a natural and healthful way.

Sargol works to stop this waste—to prepare the fats, sugars, starches, etc., in your food so that your system may more readily absorb and convert them into flesh and fat upon your body.

highway commissioner, now located in Bethlehem, Dr. Albert Fritchey, a prominent physician of this city and Ross, of San Francisco, California, and two sisters, Miss Geneva, a well known school teacher, and Miss Viola. Funeral arrangements will be held following the arrival of Dr. Fritchey's body from Philadelphia this afternoon.

Long Prominent Figure

Dr. Fritchey was for many years one of the most prominent figures in Harrisburg. He was leader of the Dauphin County Democracy during the stormy days of the Fritchey-Myers fight for supremacy in the city and county organizations of that party. During the heyday of his power he was by far the most popular politician in the city and no local candidate in any party felt safe until he was assured of Fritchey's support.

Friend to Many

Dr. Fritchey was a friend in need to thousands of Harrisburgers. He numbered his patients among all classes, but he seldom collected a bill for professional services where the family or patient could ill-afford to pay and it is said, that large and remunerative as his practice was, the service he rendered free far exceeded that for which he collected pay.

was a native of Chambersburg, Frank- in county, and his mother was born in Coxeswood, Dauphin county. The elder Fritchey was engineer on the first locomotive run over the Northern Central railway.

John A. Fritchey was the eldest of a family of six children. He was educated in the public schools of Harrisburg. Following his graduation from the Harrisburg High School in Walnut street John A. Fritchey took a full course at the Harrisburg Academy. He began his preparation for his chosen profession under the office preceptorship of the late Dr. Charles E. Fager and then matriculated in the medical department of the University of Pennsylvania, Philadelphia, from which he was graduated in 1872 at the age of 22 years. He at once entered upon practice in Harrisburg, in which he continued successfully up to the time of his illness, early this year.

Medical Society Member

Dr. Fritchey was a member of the Dauphin County Medical Society, State Medical Association and the National Medical Association and was prominent in all of these organizations. On several occasions he read papers on important topics which were later published in leading medical journals throughout the United States.

Held Other Positions

He occupied other prominent positions, having served as chairman of the Board of Pension Examiners for a long time until the present system was inaugurated. He was assistant surgeon of the Governor's Troop, National Guard, with the rank of first lieutenant, for twelve years, and also acted in a similar capacity for the Pennsylvania and Northern Central Railroad Companies for eight years.

Rudy Is Toastmaster of Sixteeners' Banquet

Music was furnished by the Updegrave orchestra and C. Day Rudy, of this city, an active member of the association, was toastmaster.

NAME WHARTON DEAN Consulting Engineer Given Post Vacated by McCrea

Provost Smith, of the University of Pennsylvania, at Philadelphia yesterday announced that Dr. William McClellan, consulting engineer of New York city, had been appointed dean of the Wharton School of Finance and Commerce, which has an extension in Harrisburg, to succeed Dean Rowell C. McCrea, who resigned last June.

Wrestler Injured

While wrestling with another companion at his home yesterday afternoon, Charles Presido, aged 12, of West Fairview, was thrown to the ground and received a fracture of the left arm.

C. DAY RUDY Toastmaster

More than 300 members of the Sixteeners' Association of Pennsylvania banqueted last night as the guests of the Central Pennsylvania Association in the Chestnut street auditorium.

New Store Stature Awarded Moose Uniform Contract

The New Store of Wm. Strouse has just been awarded a large contract to furnish the uniforms for the Harrisburg Lodge of Moose, No. 107, to be used at the Moose Convention in Pittsburgh next Spring. It is estimated that between four and five hundred men from the local lodge will attend the convention.

Sailors to Get Bonus of 25 Per Cent. as War Risk

New York, Aug. 25.—Seamen, officers and firemen on the ships of the International Mercantile Marine Company were notified that hereafter those sailing on vessels under the American flag will receive a bonus of 25 per cent of their wages. The company made this concession after a conference with delegates from the employees' union. The seamen, officers and firemen on the American liner St. Paul, due to sail to-morrow for Liverpool, and of the Atlantic Transport Liner Manchuria, leaving to-day for London, refused to sign articles yesterday unless their war bonuses were increased.

TWO BILLION MARKS RAISED IN GERMANY FOR RELIEF

Berlin, Aug. 25.—via wireless.—The amount raised by German municipalities for relief of families of soldiers has reached about two billion marks. The Federal treasury will turn over to the municipalities at a later date about 5,000,000 marks.

WINS ARCHERY CUP

Jersey City, N. J., Aug. 25.—Dr. Robert P. Elmer, of Wayne, Pa., won the archery championship of the United States yesterday with a score of 2488 in the thirty-eighth annual tournament of the National Archery Association. Dr. Elmer's nearest rival was J. S. Jiles, of Pittsburgh, whose total was 2192.

This'll make it stop itching, sonny— Resinol
