Bowman Says Granting Permission For Bridge Carefully Considered

Savings and Banking Institutions Report Very Large Deposits and Surpluses

Washington, Aug. 26.—The red and blue fleets have been engaged in battle the culmination of the navy war game since 5 o'clock this morning, off Scotland Lightship, Sandy Hook.

New York, Aug. 26.—Increased activity at higher price levels was the distinguished feature of the stock market week.

All children under sixteen years of age will be barred from movies, entertainments and all other public amusements in the city until September 18.

In defense of their position on the matter of granting permission to Swift & Company to erect an overhead bridge on Seventh street, and for the purpose of giving their reasons for so doing contrary to the recommendation of the City Planning Commission.

State Banking Commissioner Smith today made public the following summary of the results compiled from the reports to the State Banking Department of condition of financial institutions as of June 30.

Up to noon, by the umpires' decision, the battleships Nevada, Texas and the destroyers Wadsworth and Tucker of the enemy fleet, the scout cruiser Birmingham and the destroyers Benham, Faint, Balch, Drayton and several others of the blue defending fleet, had been lost in action.

Steel's strength, more than any other factor, furnished the motive power for the upswing, which at times was reminiscent of last year's boom in "war brides."

Children will not be permitted to attend indoor baseball games at Island Park, the Harrisburg Public Library will not issue books to children under sixteen during the period schools are closed.

The total resources of the State banks, trust companies and savings institutions amounted to \$132,000,000 on June 30, 1916, an increase of \$2,000,000 as compared with June 23, 1915, of \$150,000,000.

Commissioner Harry F. Bowman declared that he believed in supporting manufacturing places, that Seventh street is wholly a manufacturing street in the part of the section where the bridge is to be erected, that the authorities have done the same thing in Philadelphia and therefore should be able to do it here, and that as far as he is concerned the matter is dropped.

Many other vessels may have been constructively lost, but orders to the commanders of the two fleets were that ships regarded as sunk should proceed to port immediately and their arrival should not be reported.

Other industrial, as well as copper, metal and steel, quotations of recent months, the movement in metals being accompanied by highly favorable trade reports and increased dividends actual in prospect.

On Board U. S. Coast Guard Cutter McCulloch, Aug. 24, via wireless to Seattle.—The power schooner Great Bear, carrying the Arctic expedition party, was sighted by the cutter McCulloch, Aug. 24, via wireless to Seattle.

The members of the party aboard the Great Bear were able to land tents and provisions on the island and lived comfortably fifteen days until the McCulloch, which had been sent from Nome to search for the vessel.

Loans and discounts on June 30, 1916, amounted to \$157,000,000, an increase as compared with June 23, 1915, of \$2,000,000.

War Game Results Pleasing Rear Admiral Benson, chief of naval operations today, "it has been an excellent maneuver. The department is well satisfied so far as its information now goes with the way its plans have worked out and with the handling of the fleet."

Extremely acute characterized the week ending the week the Stock Exchange, the greater tension in the railway labor dispute causing increased apprehension in speculative circles.

The members of the party aboard the Great Bear were able to land tents and provisions on the island and lived comfortably fifteen days until the McCulloch, which had been sent from Nome to search for the vessel.

Loans and discounts on June 30, 1916, amounted to \$157,000,000, an increase as compared with June 23, 1915, of \$2,000,000.
