

We put it up to Hundreds of Dentists

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said:
"Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth glitter and is free from injurious ingredients, including pumice and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulations you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.)
With such endorsements from the men who know why not go to your dealer today and get a tube of SENRECO—25c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

A copy of the folder, "The Most General Disease in the World" together with a liberal quantity of SENRECO will be mailed you for 4c in stamps. The Sentinal Remedies Co., Inc., Dept. B, Masonic Temple, Cincinnati, Ohio.

Judge Henry Decrees That Mrs. Hauck Must Receive Funds From Bank Account

Henry, specially presiding at the Dauphin county court, decided that Adam Hauck, Portland, Ore., formerly of Middletown, shall pay \$25 to his wife, Margiana, the money to be deducted from a \$100 certificate which Hauck had left on deposit in the Farmers' Bank of Middletown. Hauck deserted his wife, according to Mrs. Hauck, and when she learned that he had a certificate worth \$100 in the Middletown bank she asked that she be given the money as her deserting husband had left her no means of support.

WOULD HE GROOM NOTIFIES RECORDER "NOTHING DOING"

When Benjamin Franklin Gray called at the marriage bureau a few days ago, with pretty Pearl Ellen Guessford, to get permission to change Pearl's name, he learned to his dismay, because she is only 18, parental consent was necessary before the license could be issued. With many misgivings he took Recorder J. E. Lentz's advice and wrote to Chester to the girl's father. Guessford's father, who didn't think much of the proposed match, for in his mail the Recorder got this brief from Gray: "Nothing doing. He objects to our marriage at present."

Gen. Hartranft

Leadership isn't something to be acquired in a day or found by chance. Leadership is that which comes to those who have the capacity for such responsibilities and honors. Gen. Hartranft was a leader because he possessed those attributes that make for leadership.

We chose his name for our new nickel cigar years ago, because we knew we had a leader in nickel cigardom. We are proud of the name.

KATE ELINORE
Kate Elinore, at the head of her own company of merry-makers, is the musical attraction at the Orpheum, next Wednesday, matinee and night.

The headliner for the first half of this week is a comedy sketch, entitled "The Hermit," presented by Spencer Charters and his wife, Irene Myers, a former stock actress of prominence. Only last season Mr. Charters appear-

ed at the Orpheum Theater in "It Pays to Advertise." Clark and Verdi, two Italian character comedians, are also on the bill. They impersonate two Italians, one of which has become well acquainted with our country's ways, and who, in turn tries to correct the mistakes that the newcomer makes. Other acts are, Captain Kidder and company, in a scenic musical act, the Clemens Brothers, and one other act.

"The pinnacle of joy is in the performance of a labor of love." It is this condition, that is the labor of love. She who loves the artist and the beautiful model, it is a labor of love. She who loves the painter. He who loves the painting.

Myrtle Steedman is well cast as the American Beauty, Elliott Dexter as the artist.

On Wednesday and Thursday—Blanche Sweet, the popular idol of the photodramatic stage, will be seen in a thrilling social drama, "The Dupe." Miss Sweet is seen as the social secretary to a prominent but flighty young society woman.

"The Marriage of Molly-O" the new Triangle feature that is booked for the Colonial Theater to-day and to-morrow, is an Irish picture that the Colonial for Irish picturesque-ness and Irish heart-interest, it is claimed, has never been equaled. The story of this interesting play deals with a land agent's wicked son and a poverty-stricken little colleen, who would have fallen into his clutches, were it not for the timely interference of another young man whom Molly-O believes to be the driver of a public jaunting-car. A new two-reel Keystone comedy, called "Pills and Peril," which features Ford Sterling and an all-star Keystone cast, will complete the program.

The wide observance of Labor Day was responsible for the action, although the school code does not include it as a holiday.
