Do you know there are copper prospects selling on the New York Curb from \$1.50 to \$4.00 a share? Do you know that Alaska Westover has copper ore bodies actually developed? It is quoted around 62½c. Call or communicate with us at once for our special offer on Alaska Westover.

We first called our clients' attention to the cheapness of this stock when it was selling two weeks ago at \$58.00. We are still buying it for them at \$65.00. Our Market Digest of August 25th, contains full analytical reports on the above three stocks. Considerable of this data was hitherto unpublished.
