#### MORE MEN THAN WOMEN HAVE APPENDICITIS

Surgeons state men are slightly more subject to appendicitis than women. Harrisburg people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-i-ka is surprising. H. C.
