

MUSIC'S RE-CREATION—what is it?

MUSIC'S RE-CREATION is Thomas A. Edison's new art. The word Re-Creation was adopted by America's leading music critics to distinguish from talking machines the perfect musical result accomplished by Mr. Edison's new invention

The NEW EDISON

We want you to hear examples of this new art. Come to our store, and let us play literal Re-Creations of the world's great singers and instrumentalists.

Zenatello has recently been knighted by the King of Italy

"A voice of golden tone, prodigal in its expenditure, yet responsive to every emotional shade." This great Italian tenor's voice has just been Re-Created by Edison's wonderful new art.
