KING OF GREECE ABDICATES THRONE

(Continued From First Page) fighting between Greek regulars and volunteer forces. French troops are reported to have interfered to prevent serious disturbances in the Saloniki region. Rumanians Continue Invasion Rumanian troops are continuing apparently without serious interruption, their invasion of Hungary. Official announcement was made at Bucharest that the advance is being carried on successfully in all directions and that the industrial center of Petroseny and Tarlunze valley, near Kronstadt, have been occupied. Dispatches from Austrian army headquarters have indicated the decision of the central powers to evacuate part of Transylvania in order to shorten the fighting front. On the Macedonian front comparative quiet continues. The French war office announced to-day that with the exception of artillery actions at various points there had been no heavy fighting in the last twenty-four hours. Apparently the forces on both sides are awaiting the readjustment of political conditions in the Balkans. Bulgars Declare War Bulgaria's expected declaration of war on Rumania is announced at Saloniki, according to an unofficial dispatch from that point. On the French front fighting has died down, although the artillery last night was very active in the Somme sector.

Soldiers of Allies Prevent More Serious Trouble in Macedonia Revolution

London, Sept. 1.—The beginning of a revolution in Macedonia is reported in a Reuter dispatch filed yesterday at Saloniki. Fighting occurred in Saloniki, the

Three Greek Garrisons in Macedonia Surrender to Administrative Committee

London, Sept. 1.—The surrender of several Greek garrisons to a committee which has taken over the administration of part of Greek Macedonia is reported in a Reuter dispatch from Saloniki. According to this dispatch the garrisons at Saloniki, Vodena and Fort Little Karaburun have surrendered to the committee. On its face this dispatch indicates that a revolution is under way in Greece, but the message is worded so vaguely, probably on account of the censorship, that no definite conclusions can be drawn. There have been various indications since the entrance of Rumania into the war of political turmoil in Greece, owing to the conflict between the neutralists, represented by King Constantine, and those who desire to intervene in the war with the Entente Allies, led by former Premier Venizelos. An Athens dispatch received yesterday predicted that Greece would abandon neutrality within the immediate future. It has also been reported that King Constantine was finding his position very difficult on account of the growing strength of the pro-entente faction and it was reported from Saloniki in a dispatch filed on Tuesday that the king had taken flight to Larissa, where he was under the protection of German soldiers. This

Among them was Miss Gertrude Lee, of this city. Others on whom the black veil was conferred are: Miss Angelica Noel and Miss Elizabeth Rollman of Wyncesboro; Miss Carientia Hartnett and Miss Teresa Arnold, of Lebanon; Miss Pauline Robinson, of New Oxford; Miss Clara Kelly, of Renovo; Miss Agnes Gallagher and Miss Rose Lynn, of Scranton; Miss Bernadine Strawbaugh of Bonneville; Miss Bertha Schramm, of Williamsport, and Miss Casimir Shorek of Philadelphia. Father John C. Thompson, of Windpipe except one.

Will Question Lawyer on Holdings of \$2,000,000

Chicago, Sept. 1.—James R. Ward, attorney for Edward W. Morrison, the eccentric millionaire, is to be recalled to the stand to-day at the resumption of the inquiry into the loss of the aged man's millions and questioned about deals which gave him title to some of Morrison's property valued at \$2,000,000. Federal Judge Landis also wants an explanation of several checks issued to Ward, some of them written by Ward, which called for \$35,000 to \$50,000. Morrison in previous testimony refused to reveal what services Ward is supposed to have performed to earn the money.

ASKS VISITORS TO STAY AWAY FROM ORPHAN'S SCHOOL

Superintendent P. A. Wilde, of the Tressler's Orphan's Home at Loydsville, has requested friends of the school to stay away until after the infantile paralysis epidemic has passed. "We have 250 children all in good health at the school and we want them to stay that way," he said.
