

DARKEN YOUR GRAY HAIR
Have Beautiful, Soft Hair of an Even Dark Shade

Not even a trace of gray shows in your hair after a few applications of Q-Ban Hair Color Restorer to hair and scalp. Q-Ban is no dye, is harmless, but makes scalp and hair healthy and restores the natural color glands. If your hair is gray, streaked with gray, faded, dry, bleached, thin or falling, apply Q-Ban as directed on label. Soon all your gray hair and entire head of hair gradually turns to an even, beautiful dark shade, leaving all your hair healthy, fluffy, soft, radiant, thick, full of life, fascinating; so evenly dark and handsome no one will suspect you used Q-Ban. Also stops dandruff and falling hair. Sold on a money-back guarantee. Only 50c for a big bottle at George A. Gorgas' drug store, Harrisburg, Pa. Out-of-town people supplied by parcel post.—Advertisement.

Acid Stomachs Are Dangerous
Nine Tenths of All Stomach Trouble Due to Acid. New York Physician

A well-known New York physician who has made a special study of stomach and intestinal diseases, recently made the startling statement that nearly all intestinal trouble as well as many diseases of the vital organs, are directly traceable to excessive stomach acidity commonly termed stomach or heartburn which not only irritates and inflames the delicate lining of the stomach, but may often cause gastritis and dangerous stomach ulcers.

Neglect, he says, easily leads to a chronic super-acidity, commonly mistaken for indigestion and is the principal cause for the indiscriminate swallowing of the various so-called patent digestive aids which bring only temporary and false relief.

In an acid condition of the stomach no artificial digestives whatever should be employed as these are likely to merely pass the sour, burning acid on into the intestines, causing serious trouble there. Instead he recommends the use of some simple, harmless and inexpensive antacid such as a teaspoonful of bisulphate of magnesia, taken with a little hot or cold water right after meals or whenever distress is felt.

This simple remedy in just a few seconds from its entering the stomach neutralizes or sweetens all its sour contents. Dissolve the dangerous acidity and there will be no need for medicine as all symptoms of indigestion will promptly cease. Sufferers from acid stomach or indigestion should get a few ounces of the pure bisulphate of magnesia from their druggist and give this treatment a trial. In view however of the many varieties of magnesia used for various purposes, stomach sufferers should be careful to get it only in the bisulphated form (either powder or tablets) and in a sealed package to insure its purity.

Doctored Forty Years In Vain
"Have Tried Them All But Tanlac Is Best," He Says FOR IT GAVE HIM PROMPT RELIEF

"I have tried out a good many remedies in the past forty years," says John Gentzler, of 1304 Monroe street, West York, Pa., and none of them gave me any relief until I started taking Tanlac. Then I began to feel better right away.

"I have had stomach trouble ever since I was a small boy and nothing seemed to do me a bit of good.

"When my stomach was empty I had a sort of a nervous trembling inside and I would belch up quantities of gas.

"I was troubled with dizziness, too, the spells coming at frequent intervals and sometimes making it almost impossible for me to stand. I was listless, tired and nervous and felt generally run down.

"I bought Tanlac because I had tried all the other remedies, but didn't hope for much. Imagine my surprise when I found it was really doing me good.

"To-day I feel better than I have for nearly forty years. My stomach is in good shape, I have no more belching and my nerves are in fine condition.

"Tanlac certainly has helped me more than anything I ever used and I have tried them all.

Tanlac, the famous Master Medicine, praised by thousands of grateful men and women, is being specially introduced in Harrisburg at Gorgas' Drug Store, where the Tanlac man is in attendance daily to demonstrate the merits of this wonderful health builder.—Advertisement.

To End Catarrhal Deafness and Head Noises

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can be successfully treated at home by an internal remedy that in many instances has effected complete cures after all else has failed. Cases in which the patient has been restored to such an extent that the hearing is restored to such an extent as to hear seven or eight inches away from the ear.

Therefore, if you know someone who is troubled with head noises or catarrhal deafness, cut out this form and hand it to them, and you will have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home, and is made as follows:

Secure from your druggist 1 oz. of pure, double strength, about 7c worth. Take this home and add to it 1/2 pint of hot water and 4 ozs. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, headache, dullness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dropping in the back of the throat, and other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this efficacious treatment. Nearly ninety per cent. of all ear troubles are said to be directly caused by catarrhal deafness, and many people whose hearing can be restored by this simple home treatment. Every person who is troubled with head noises, catarrhal deafness or catarrh in any form, should give this prescription a trial.—Advertisement.

HARRISBURG ROTARIANS GUESTS OF R. H. WALTON

The members of the Harrisburg Rotary Club, after luncheon at the Municipal Port at noon to-day, hurried back to their places of business in order to be ready for the trip to the big fruit and vegetable farms of Robert H. Walton, near Hummelstown, where they and their wives will be guests this evening of Mr. and Mrs. Walton at a corn-cast and lawn party.

The afternoon trip will include an inspection of the Walton orchards and farms. Mr. Walton has one of the largest market gardens, if not the very largest, in the State. His vegetable acreage is 140 and in addition he has 155 acres in fruit, 450 acres in general farming and a large acreage of woodland. In his orchards are 21,000 fruit trees.

To operate this big tract he uses twenty-eight head of horses and mules and three auto trucks, largely confined to transportation of his products to market. Over 100 people are at times employed at once upon the farms.

Mr. Walton has had under cultivation this summer 12 acres of beans, 9 acres of peas, 42 acres of sweet corn for table use, 26 acres of potatoes, 8 acres of winter root crops, not to mention 2,000 bushels of turnips, 4 acres of head lettuce, 6 acres of celery, 5 acres of onions and 3 acres of berries.

In addition he has a hothouse in which he raises many winter flowers, including Christmas plants and large quantities of the plants he uses on his vegetable farms.

One of the interesting exhibits the Rotarians will see this afternoon is a garden of hardy perennials, the property of Miss Emma Walton, a daughter. Mr. Walton takes great pride in his plants. "My daughter was in poor health some years ago," he said, "and the physician ordered outdoor exercise. So she turned her attention to flower gardening, and with the aid of a boy or two, she has made a beautiful garden. To be efficient in home or business life requires the assistance of good eyesight.

Dull headaches and dizziness caused nine times out of ten by Eye Strain, impairs one's efficiency. No doubt rest-glasses worn for a time will remedy the trouble. At any rate, consult a skilled Optician or Ophthalmologist where service is paramount. If you don't need glasses, we'll tell you so.
