ICE CREAM IS ON UP GRADE

Tests Show Better Results; Two New Typhoid Cases Reported Today

Tests have been made, according to Dr. J. M. J. Raunick, city health officer of practically all of the cream and ice cream used in the city in the last few days, and in a number of instances disease germs have been found, but the quality of the products used for ice cream is improving.

Several manufacturers may lose their licenses, he intimated, unless the ice cream comes up to standard and will not endanger the health of the public when it is sold.

"GETS-IT" Loosens Your Corns Right Off. It's hard to believe anything could act like that in getting a corn off.

REGISTRATION ON FIRST DAY LIGHT

well covered the city, personally, on a general inspection tour.

From what I could learn, the registration was rather light all over the city and I think I got round to most of the precincts.

Chairman Morgenthauer said he, too, had covered the greater portion of the city, particularly the upper end and he found that the registration was going very well for the first day.

Craisers Sunk After Jutland Battle Raised and Docked

San Francisco, Sept. 7.—The German admiralty has raised the battle-cruiser Luetzow, and the cruiser Rosin both sunk after the battle of Jutland, according to Mrs. E. A. Voretzich, of Hamburg, wife of a German official in the Orient, who arrived here yesterday from Hamburg.
