Tokio, Sept. 7. — Expressions of satisfaction and appreciation regarding the speech of Elbert H. Gary last Tuesday night are voiced by the press. It is evident here that Japan is deeply interested in the nature of the United States' general policy toward China, more particularly whether the government would support the participation of American capitalists in

the five powers reorganization loan. Tokio has the impression that Washington is undecided. The Times hopes that the fair and impartial view that Mr. Gary forms of the Chinese question will constitute an important souvenir for him to take home from the Orient. The newspaper fears the existence of efforts to convince Americans that the United States has an enemy in Japan regarding China, with Japan determined to thwart American enterprises. It declares that Japan is in a special and unfavorable position regarding China, but insists that there is no desire to shut out America. "There is no reason why both nations cannot co-operate," the Times asserts.

**WHITE HOUSE TO BE MOVED TOMORROW**  
Complete Staff of Attaches to Accompany Wilson to Shadow Lawn  
By Associated Press  
Washington, D. C., Sept. 7.—Arrangements were completed to-day for the transfer of the executive offices of the White House from Washington to Asbury Park, N. J., to-morrow. For the first time since Mr. Wilson became president a complete staff of secretaries, clerks, telegraphers and other attaches will accompany him on his vacation. For the last three summers he has spent short periods at Cornish, N. H., but then he took only his personal stenographer with him. Although President Wilson plans to spend most of his time at Shadow Lawn, the estate at Long Branch, N. J., he will go to Asbury Park as often as necessary to visit the executive offices and attend to public business. A suite of rooms has been engaged in a modern office building there and office furniture from the White House has been sent already. Front Porch Campaign  
The president will receive many of his political visitors at Shadow Lawn and the broad porch from which he delivered his speech of acceptance is expected to be the scene of frequent receptions to delegations of Democrats from different states. Because of Mr. Wilson's decision to make only a few political speeches away from Shadow Lawn, his campaign will be of the front porch variety. Shadow Lawn, so named because of the sixty acres of beautiful lawns which surround the magnificent house, is an estate entirely surrounded by hedges and shut in by trees, about a mile from the railroad station of West End, N. J. The garage is almost as large as the White House. The house is within walking distance of the ocean. Many Guests  
President Wilson will have with him during his stay at Shadow Lawn Mrs. Wilson, Miss Helen Woodrow Bones, his cousin, the Misses Lucy and Mary Smith, of New Orleans, also cousins, and Dr. Cary T. Grayson, the White

House physician, and Mrs. Grayson. Secretary Tumulty has a cottage at Asbury Park near the executive offices. Secretary and Mrs. McAdoo, who have a cottage at Spring Lake, only a few miles away, will be frequent visitors. The President plans to leave here to-morrow afternoon for Atlantic City,
