WILLIAMSTOWN IS AGAIN CHAMPION

Clinch Flag on Saturday; Marysville Forfeits to Dauphin; Amateur Scores

Williamstown's victory over Tre mont on Saturday, score 5 to 3, with Lykens defeated by Tower City, score to 3, brought the championship to Williamstown without any further argument. This is the second time Williamstown has landed the flag. It was a great fight all season, Lykens holding the lead at intervals.

Marysville, winners of the Dauphin-Perry league contest, did not report at Dauphin on Saturday, and the lat-ter won by forfeit. The refusal on the part of the Marysville management to play out the schedule brought severe criticism from Dauphin patrons. Two games were played. Millersburg shut out Halifax, score 1 to 0. Kerr pitched good game, allowing but four scat tered hits. Newport nosed out a vic-tory over Duncannon, score 8 to 7.

tory over Duncannon, score 8 to 7.

There were several good amateur games. West End lost an eleven-inning game to Palmyra, score 5 to 4.

Miller pitched good ball, but was out-classed by Hess who fanned thirteen. Harris Park won over New Cumberland, score 11 to 4, and Keener A. C. had an easy time taking a game from the Lucknow Shop League team, score 14 to 2. Magill pitched for the Keeners and fanned eighteen men.

Brooklyn Leads Race; Important Games Today

The Phils finish with New York to-day. Detroit meets St. Louis. To-morrow the Nationals start final Eastern series, and the Americans open up in the West.

Poll Perritt pitched the Phillies out of first place in the race for the National League pennant and Brooklyn again is in front by virtue of the Robins' win over Boston, and the double defeat handed the champions by Perritt and the Giants. One and one-half games now separate the Phillies from the top, while the Braves are in third place, four and one-half games behind Brooklyn.

Pittsburgh, Pa., Sept. 11. — Larry Doyle, second baseman for the Chicago Nationais, who fractured his ankle in the first game with Pittsburgh on Friday, rested comfortably to-day. An x-ray of the injury was made this morning but a preliminary examination showed that a small bone in his ankle was broken. At the hospital where Doyle was taken, it was said he would have to remain there for at least ten days and will not be able to play again this season.

"CHICK" EVANS IS **GOLF CHAMPION**

First Man in America to Capture Two Crowns; Beat Gardner

Haverford, Pa., Sept. 11.—Charles ("Chick") Evans, of the Edgewater Golf Club, of Chicago, is the greatest golfer in America. By defeating Robert A. Gardner, of the Hinsdale Golf Club, of Chicago, winner of the 1915 crown, Evans on Saturday performed a feat without parallel in the annals of the game in this country. He won the national open title and the national amateur championship. The score was 4 up and 3 to play.

national open title and the national amateur championship. The score was 4 up and 3 to play.

In beating Gardner, Evans was forced to play below par golf at times. "Chick" played consistently throughout the entire match, his putting being unusually good for him. His drives from the tees were long and accurate. In twenty-two years of championship tournaments in America no man has before captured both the national open and the national amateur crowds. And only once has it been accomplished in the long history of golf championships in Great Britain.

In 1890 John Ball, "the greatest amateur that ever lived," as he is called in England, won the British amateur championship at Hoylake and the open championship at Prestwick.

A Reliable School, 31st Year stamps disappeared to-day. On all things except wines and liquors no stamps were needed after midnight last Friday.

Stamps are no longer required for documentary or proprietary business. This includes legal papers, telephone and telegraph messages which required a one cent stamp each, and express and freight packages.

According to Deputy Revenue Collector A. B. Gardner, he did not have a large supply of war tax stamps on hand. He anticipated the passage of a bill eliminating the special war tax, and did not order additional supplies. Collector Gardner said:

"All unused stamps will be redemended. How or when, I cannot say. They may have to be sent to Lancaster. I understand a blank form providing for the redemption of war stamps will be here in a few days."

No Plans For Next Season; Manager Cockill Signs Up Young Players

New York State League baseball in Harrisburg came to an end Saturday. The Islanders as a closing offering walloped the Syracuse Stars twice. The first game was 4 to 2, and the second 2 to 0. Both were pitching duels in which the local twirlers excelled. There was sensational fielding, and hits by Harrisburg were timely. The caddies are coming into their

own at Reservoir and the Colonial Club. Tournaments are being arranged for them at both courses in

ing, and hits by Harrisburg were timely.

The majority of the players have left the city. Manager George Cockill and Walter Blair went to their homes. Both will return latter when definite plans for next season will be announced. That there will be league baseball is not denied but who will furnish it depends on the organization of a new association.

Manager George Cockill is sending out contracts to promising youngsters and has some good material tied up for next season. He said on Saturday that in his opinion next season would offer big inducements for league baseball, and that if Harrisburg wanted good sport it would have to come through an association.

BROTHERHOOD MEN ORGANIZE Joneses or Francis Ouimets aren't discovered, it will be because of stage A well-known golfer of this city re-

cently made the record score on number 5 at the Harrisburg Country Club. Five is a short hole and usually played with a mashle. His first shot went into the cornfield, his second into the road beyond the green and his third plumped into the hole from the tee. Sam Nissley and Fred Harry were playing out at the Colonial Club for a dinner on a recent occasion. The match was even up to the sixteenth hole, and both got perfect drives from the eighteenth tee. The hole is 600 yards long, a par five. Nissley got a four and Harry missed a three by two inches. The opinion that golf is an old man's game has passed into the discard. Elderly gentlemen in large numbers play golf as their only form of exercise, but young men by the thousands have made it their hobby. The youngsters are the champions. Robert T. Jones, Jr., of Atlanta, who made "Bob" Gardner, twice national champion, go to the thirty-third green to defeat him at Merion last week, is an example. And there are many more just like him.

The Round Robin Golf Tournament scheduled at the Colonial Country Club for next week promises to arouse much interest among the members. There will be no elimination and each entrant will play at least five matches for a prize with men of his own caliber. Total number of holes up will decide the winner of each group.

Leaders in the season handicap tournament at Reservoir are W. D. Meikle and C. E. Zimmerman.

The preliminary match rounds were finished to-day in the Fred B. Harry cup event. Second round matches must be finished by Saturday evening, September 16. Thirty-two players are now left; by Monday, Sept. 18, the number will be reduced to sixten when the interesting part of the tournament will begin as the field narrows down toward the semifinals.

The big drive is on in the National sey. Oldring retired early in the sea-eague. To-day winds up the intersequence of the west and the western seams will start the final series to League. To-day winds up the inter-city games in the west and the western city games in the west and the western teams will start the inal series tomorrow. Manager Wilbert Robinson of the Dodgers is of the opinion that the Brooklyn team will win the home series and by so doing cling the pennant. George Stallings of Boston is of the opinion that it will take the last games at home to win the flag; and Manager Pat Moran says his team is playing the best ball and will win out.

Detroit hopes to take the lead in the western series and hold it until the finish. The Tigers have been playing great baseball, but slip up occasionally. Boston is still a strong contender.

Harrisburg will be represented in the Westy Hogan shoot, starting to-morrow at Atlantic City. Among the local shooters will be John G. Martin, H. B. Shoop, Fred Dinger, L. B. Worden, S. S. Hoffman and Oliver Eshenour. West Fairview representatives will include M. B. Stewart, C. H. Wagner, W. E. Hoover and Mrs. Ray Boyer.

Howard Ehmke, star pitcher on the Syracuse team has joined the Tigers. He may pitch during the present wes-tern series. His work in the New York State League record has been of a high standard.

Two games were played pesterday in the New York State League. Elmira won over Wilkes-Barre, score 5 to 3. This gives the Colonels a ninepoint lead over Harrisburg. Syracuse had an easy time taking the game from Utica, score 10 to 1.

Baseball fans who have been clamoring for exhibition games with major league teams are disappointed. They alone are to blame. The patronage during the last week at Island Park was not sufficient to meet expenses. Manager George Cockill was of the opinion that baseball interest had falen too far below the standard to take any chances with special games.

"For many months after his inauguration I thought well of President Wilson. In many respects I liked what he said about what he was going to do. 8 He talked well and made a good impression. It was only when I began to check up what he said by what he did that I was forced to change my view.
"In the end I came to see that President Wilson has a greater power than any other man in public life to say one thing, but do another, and get away with it.
