Tech's New Official Is Football Authority

The selection of "Shorty" Miller as an additional football coach for Tech met with a hearty approval. Throughout the city much comment was heard. In order to whip a squad into form two coaches are a necessity. Miller will probably take care of the backs and Pendergast look after the line. Both local coaches are good men. They have a broad knowledge of the griding agame and the results of their work will be watched with interest.

Reading Race Program Is

Season's Record Breaker less than a month away.

Season's Record Breaker

Reading, Pa., Sept. 13.—The greatest race program in the history of the Reading Fair Association was inaugurated yesterday afternoon.

Each of the race winners acquired new records. The feature event was the \$1,000 race for 2.25 trotters, the Hotel Penn stake, which also carried a handsome silver trophy to the winner. Ethel Johnson won the event in straight heats, showing a turn of speed and reducing her former record by five seconds. Virginia Todd was the factor, with Blonde Boy close up.

The 2.24 class pace produced a field of five side-wheelers, but two of the number were very unsteady in the opening heat and distanced. Queen Bell won the first heat in 2.16 ¼, after which the Philadelphia entry, Doctor R., was sent to the front and won out, taking a mark of 2.15 ¼ and making his fourth win in three weeks. Queen Bell showed a game finish in all the heats, but could not land.

The 2.17 class trot went to the New Jersey entry, Celia Dillon, in straight heats. She outclassed her field, but Adbell Penn, always the factor, forced her to a record of 2.15¼ in the final heat.

ANOTHER NEW WORLD'S RECORD Syracuse, N. Y., Sept. 13.—Lee Axworthy, world's champion trotting stallion, lowered his own world's record at the New York State Fair grand circuit meeting yesterday, going a mile in 2 minutes flat. Paced by two running horses, the son of Guy Axworthy never faltered, trotting each of the four quarters in exactly 30 seconds. Axworthy's former record was 2.00 14.

Under perfect weather and track conditions, his driver, Ben White, essayed to break the track record of 2.014, held by The Harvester, and he also shottered the world's record.

St. Frisco. capably handled by Geers, won the \$10,000 Empire State stake in three straight heats. The event attracted nine starters, among others the famous Mabel Track, who was the famous Mabel Track, who was the famous in the second heat, which he made in 2.03 34. ANOTHER NEW WORLD'S RECORD

LOCAL SHOOTERS START GOOD WORK

Prominent in Opening Event of Westy Hogan Program at Atlantic City

Atlantic City, Sept. 13. — Shooters from Harrisburg and West Fairview held their own yesterday in the preliminary event of the annual Westy Hogan shoot. For practice 150 targets were offered each contestant. J. G Martin broke 144, Eshenour 128 and H. B. Shoop 142. West Fairview scores were: M. B. Stewart, 139; B. S. Hoffman, 141; W. E. Hoover, 122.

LESTER S. GERMAN STARS Lester S. German, the old New York National League Club pitcher, of Baltimore, Md., topped both his own pro-fessional class and amateurs in the classy field of 149.

German's work was spectacular in face of the strong, puffy, droptive wind, which jumped the blue rocks at uncertain and difficult angles. He missed his 148th target yesterday.

Allen Heil, Pennsylvania State Champion, of Allentown; Frank S. Wright, of Buffalo, and Fred Plum, of Atlantic City, all amateurs, were next in line for honors. They smashed 147, W. H. Patterson, another "Simon Pure," of Buffalo, smashed 146.

A. Sommers, of Delta, Pa., was second high professional gun of the day. He knocked down 146.

J. M. Haw-kins, of Baltimore, was next among the professionals, "grassing" 144.

Fred Plum won the amateur allround tropshooting championship in defeating Edward L. Bartlett, of Baltimore, in his challenge match for the E. C. Cup. Plum beat this older and more experienced opponent by 16 targets, 181 to 165, in the 200-bird race, defeating him decisively in every division. German's work was spectacular in

Major Magnates Uncertain as to World's Series Plans

New York, Sept. 13.—Owing to the closeness of the two major league pennant races and the resultant uncertainty regarding the contenders for world's series honors, members of the national commission are seriously han-dicapped in their efforts to draw up a schedule and make other arrangements for the holding of the series,

less than a month away.

Although the date for the opening game has been unofficially set for Saturday, October 7, the fact that the commission is unable to determine at this time which clubs will participate is hampering the completion of the many details and arrangements which they wish to clear up well in advance if the series is to move smoothly once the play is on.

wish to clear up well in advance if the series is to move smoothly once the play is on.

This problem, it was announced here yesterday, will be fully discussed at Cincinnati on Friday when the commission and the club owners gather for the annual drafting of minor league players. The situation may result, it was indicated, in the extraordinary procedure of preparing a number of world's series schedules covering National and American League clubs which have a chance to win the right to compete in the baseball classic.

Only three weeks leeway will exist at the time the magnates meet in Cincinnati and it has been suggested in official circles that the only way to meet the conditions would be to adopt this broad schedule plan, probably including Brooklyn, Philadelphia and Boston in the National League and Boston, Detroit and Chicago in the American League.

How Leaders Size Up After Yesterday's Battles

After Yesterday's Battles

By reason of their victory over the Cards, the Phillies made a decided gain on the Dodgers yesterday for the National League lead. The Pirates held the Dodgers to an even break, enabling the Phils to gain a half game on them, and this morning they are only one full game behind first place. Boston beat the Clubs in one game and tied them in another, and are three games behind Brooklyn and two games back of the Phillies. Standing of the leaders:

It was a good day for Detroit in the American League. The Tigers romped to victory at Cleveland, while the leading Red Sox dropped a tough battle to Washington. The Tigers now stand only half a game behind Boston. To add to the Detroit triumph, Chicago fell half a game beak through its defeat by St. Louis, the White Sox now holding third place, two games back of Boston. Standing of the leaders:

CRITICISE HUNGARIAN DEFENSE London, Sept. 13. — The Morning Post's Budapest correspondent says there is intense indignation in Hungary over the government's failure to provide against a Rumanian advance immediately after the declaration of war. "The Rumanians reached important points within the frontiers before the people realized what was happening," says the correspondent. "There were no Austro-Hungarian soldiers to be seen at most of these points and the defense all along the frontier was undertaken by gendarmes, railway men and peasants."

Season Next Year

Outside of Syracuse no team in the New York State League quit the season with a profit. Some of the club owners broke even, while others lost money. Because of the poor season several of the owners are anxious to quit. However, present indications are that the circuit as it now stands will continue and that there will be a reorganization early in January. Of course any club owner will sell if he gets his price, according to reports. Present and to see any further changes. There may be one more new Pennsylvania town added, as Williamsport is bidding for a franchise. If there is an indication of prosperity throughout the country other towns may try to get into the Farrell circuit according to present indications. President Farrell believes that prospects for a great season next year are bright. Ho has made a trip over the circuit and talked with business men. He seys:
