Sumners, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her to-day if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.—Adv.

## HAVE YOU A SWEETHEART,

Son or Brother in camp or upon the Mexican Border? If so, mail him a package of Allen's Foot-Ease, the anti-septic powder to be shaken into the shoes, and sprinkled into the foot bath. It takes the friction from the shoe and will be of the greatest benefit in that arid, hot climate, where the alkali dust plays havoc with the feet. What remembrance could be so acceptable? Ask your dealer to-day for a 25c box of Allen's Foot-Ease, and for a 2c stamp he will mail it for you.
