Too much indigestible food and lack of power to throw off the poisons that come from indigestion—these lead to a long line of distressing disorders. Avoid them by eating **Shredded Wheat Biscuit**—a simple, elemental food that contains all the body-building material in the whole wheat grain, including the bran coat which keeps the intestinal tract healthy and clean. Delicious for any meal with sliced peaches or other fruits. Made at Niagara Falls, N.Y.

SUNSHINE CLOSES ITS SUMMER HOME

Cares For Hundred Crippled Children and Asks Funds For Orthopedic Nurse

The Roberta Disbrow Lloyd Sunshine Society has closed its summer home for children after a very successful season, about a hundred crippled or ailing children were cared for during the summer, for periods of from two to four weeks each, according to the needs of the individual child. Some who had been in hospitals for operations and treatment remaining longer and how they did enjoy the outings.

When they were gathered up out of the hot city streets and alleys and taken by automobiles loaned the Sunshiners by kind friends, the fifteen miles of delightful country ride to the mountain home they felt as though they were in the perfect work of this kind next summer are already afoot.

The Sunshine members feel fully repaid for any expense and trouble incurred in the work, and plans for a larger and more perfect work of this kind next summer are already afoot.

Society Winter Activities
Chief among the winter's activities of this organization will be caring for crippled children who have them with us winter and summer, most especially the recent victims of infantile paralysis. There have already been many calls for help, and the society always responds to the call.

The work of a trained orthopedic nurse is a necessity here in the community to give treatment and intelligent care to those afflicted ones in their homes. The Sunshine Society appeals to interested friends for contributions for the nurse. Who wants to help Sunshine do this work which will mean regular attention to our shut-ins and cripples and to the way home.

Any amount, large or small, may be sent to Mrs. W. E. Seel, treasurer, Paxtang, Pa., or to the president, Mrs. Homer Black.

BEDEVIE FOLK'S HAPPY GATHERING

Community Pleasures Enjoyed Saturday Afternoon in Beautiful Oak Woods

The Oak Woods, out in the Bellevue Park section of the city, was the scene of a real lively gathering last Saturday afternoon. As early as 2 o'clock the younger element began the tennis matches, which were kept going until darkness put a stop to them. The older ones indulged in old-fashioned quoits, some of the experts proving that a short practice now made them unbeatable as they were years ago. There were games of various kinds; also for the children and everybody voted the occasion a grand success from every viewpoint. About 5:30, the ladies served refreshments consisting of frankfurter sandwiches, peanut sandwiches, baked beans, pickled cabbage, coffee, cake and candy.

Every family in Bellevue Park was represented but one, and the members of that were out of the city. The gathering seemed more like a family picnic than an association or community gathering.

Those present were Mr. and Mrs. F. W. Watts and Fred Watts, Jr., Mr. and Mrs. George W. Jacobs and sons, William and John Jacobs; Mrs. J. E. Hemperly, Miss Miriam Hemperly, Mr. and Mrs. John T. Dr. Williams' Pink Pills tone up the entire system, the blood is enriched and good red blood is essential to normal digestion. The glands that secrete the digestive fluids are strengthened, not merely stimulated, and you once more enjoy a good appetite. Looking forward pleasantly to meal-time is the first sign of returning health, strength and vitality.
