

GOLF AND TENNIS KEEP LOCAL STARS BUSY--BUFFALO AGAIN WINS PENNANT

OFFICIALS TALK ON NEW RULES

Coaches Get Orders For Season; New Rule For Whistle

New York, Sept. 18.—More than 100 football coaches and officials attended the annual interpretation meeting of the football rules committee last night. Walter Camp, of Yale, was chairman of the meeting and the other officials who assisted in answering the hundreds of questions included W. S. Langford, Trinity; Dr. James A. Babbitt, of Haverford; and Nathan A. Tufts, of Brown.

The rules were discussed for several hours and Mr. Camp and his colleagues explained many of the more involved features of the code.

The officials explained one rule in relation to the referee blowing his whistle for an illegal forward pass. Heretofore the whistle has been blown when the play starts and in many instances interrupted a play.

New Rules for Whistle

The officials were instructed not to blow the whistle until after the play was completed. There were several long discussions in relation to the ball going out of bounds both on a forward pass and after a kick.

Judging from the involved discussion which followed the reading of many of the rules, it could easily be seen that many of the officials and coaches were very much in the dark about the correct interpretation of the rules.

Nearly all the colleges and universities in the East were represented at the meeting. Among those present were Leo Leary and Carl Marshall, Harvard; W. S. Hollenbach, the Syracuse coach; Frank O'Brien, Tufts; W. G. Crowell, Lafayette; W. S. Langford, Trinity; M. J. Thompson, Georgetown; Carl Flinders, Yale; Fred Murphy and Dave Fritz, Brown; Robert Maxwell, Swarthmore; Joseph Pendleton, Bowdoin; James A. Evans, Williams; Fred Gillinder, Pennsylvania; Lieutenant E. S. Land, Annapolis; S. B. Newton, Williams; Charles A. Tausig, Cornell; Fred T. Dawson, Union; Thomas Thorp and Harry A. Fisher, Columbia.

NEW MASS PLAY POPULAR

New York, Sept. 18.—The mass play devised by George Foster Sanford, the Rutgers College coach, may be adopted by eleven of other colleges as a result of an announcement that the new style of attack has been legalized by the football rules committee. The play consists of the alignment of three of the four backs immediately behind the three adjoining players on the forward line. Mr. Sanford submitted the question of its legality to the rules committee at its meeting here Saturday night and obtained a decision that the play was legitimate provided no part of the bodies of the three players forming the secondary attacking line was within one yard of the line of scrimmage.

Wiconisco, Pa., Sept. 18.—Paul Klinger was hit by the brewery truck in Market street and his knee was fractured.

Shortage of Anthracite

According to reports received by the Anthracite Bureau of Information at Wilkes-Barre, Penna., there is good reason for apprehension of a serious shortage in the coal supply for the coming winter.

The anthracite mines are now working to their utmost capacity, a very unusual condition at this time of year. The producing capacity of the mines, however, has been very much decreased by shortage of labor. There is no reason to believe that the situation will improve during the fall.

The storage plants, which at the beginning of last season were well stocked, the supplies at that time being estimated at from 7,000,000 to 9,000,000 tons, are now practically depleted.

In the face of these conditions consumers would do well to heed the warning and place orders now when there is opportunity to obtain their supply of well-prepared coal.

I remember, I remember,
 I stood upon the tee
 And thought how tidy it would look to
 Get myself a 3.
 But now it brings me little joy
 The while that I relate
 In place of going down in 3
 I finished with an 8.

STIFF SENTENCE FOR AUTO DRIVER

Kunkel declared that it was the court's intention to "set at a higher standard, the sanctity of human life in Dauphin county."

Persons who drive automobiles on the country roads, he declared, must understand that just as much care must be exercised on these highways as on the city streets. The roads of the country districts are crowded with automobiles and should take this into special consideration, particularly because the highways are so generally traveled.

Other cases disposed of included Edward Howard, larceny, six months; William Barnes, sentence suspended; Charles Stinney, case continued; Charles Stinney, whether he has played craps but once; W. E. Knisely was ordered to pay his youthful wife a fine of two months—\$7 weekly for her support.

25 ALREADY IN WINDOW CONTEST

"Contest" night and in order to know definitely just "who's to be who," the Chamber has requested all prospective participants to file their notification by not later than 12 o'clock noon, to-morrow.

To date some twenty-five or thirty merchants have entered the contest and by evening a special committee appointed to get in touch with the various merchants will report upon as many more as at least is believed.

More than a hundred of the city's leading merchants are expected to join the city-wide display when everything of the very latest in clothes, hats, shoes and everything else that the butcher, the baker and even the candlestick maker can sell, will be on view.

Furthermore the entries will not be confined to the central business district; either the West End and the Hill mercantile establishments are planning to be very much on the job. Just take a glance down over this list and you'll learn who's who, thus far:

H. Astick, Paul's shoe store, E. G. Hoover, C. M. Forney, Burns & Company, Robinson & Company, Charles M. Steff, Charles Aaronson, P. G. Diener, C. J. Trego, Jacob Tausig's Sons, Twentieth Century Shoe Store, J. Harry Messerly, H. Marks & Son, Arthur W. Holman, Livingston's, Walk-Over Boot Shop, Bowman's Company, David Kaufman's Underwear Store, Dives, Pomeroy & Stewart, Gertrude L. Campbell, Collins Company, Fred B. Harry, Hanover Shoe Store, George W. Bogar, Witmer, Bair & Witmer and W. E. Schleihsner.

Don't Wait Till Cold Weather

forces you to fill your bins.

With scarcity of cars on the railroads and inadequate labor supply and shorter working hours at the mines, the outlook for an abundance of anthracite coal this winter is not very encouraging.

The dead were:
 Mrs. Percy Seager, Mrs. K. Shipman, Miss Shipman and the colored chauffeur, all of Pittsburgh.

The party was returning to Pittsburgh from this city when the accident occurred. The Seagers and Shipman were instantly killed and the chauffeur killed but five minutes.

BUFFALO WINS IN BARROW LEAGUE

Play Last Games Yesterday; Race Close Until Finish; Standing of Teams

Providence, R. I., Sept. 18.—The Indianapolis League season concluded yesterday with Buffalo winning the pennant by a comfortable margin. Though the Bisons clinched the pennant several days ago, it was not until to-day's games were completed that it became known which team would be found in second place. Had Providence lost and Montreal won, the Canadians would have tied with the Grays for second place.

Providence won its game against Newark, however, and the Montreal team took two from Rochester, the Providence team remains secure in second place by one game, with Montreal third, and the other teams in the following order: Baltimore, Toronto, Richmond, Rochester and Newark.

During the first two months of the season Providence led the field by a wide margin. A series of accidents put star players out of the game and the Buffalo team came to the front.

Virtually to the close of the season, however, it was a toss-up as to which team would eventually carry home the flag. The final standing follows:

W.	L.	P. C.
Buffalo	82	58
Providence	78	52
Baltimore	75	64
Toronto	73	66
Richmond	64	75
Rochester	60	78
Newark	52	87
