## STOCK LEADERS **DROP POINTS**

New York, Sept. 18.—Trading broad-New York, Sept. 18.—Trading broadened and became more active before the end of the first hour, with every indications of another million-share session. Heavy realizing, especially in rails, checked the advance, with recessions ranging from liberal fractions to over a point in numerous leaders. Steel proved the conspicuous exception, making the new maximum of 108 % before it fell back over a point. Pressure was directed against coppers and minor specialties, but this relaxed in part when Reading bounded forward with a gain of over two points. Further profit taking was in evidence at midday. Bonds were firm.
