## RECORD SWIM FOR LANSDOWNE GIRL

### Miss Anna C. Kean Goes Twenty-Six Miles in Fraction Over Eleven Hours

Philadelphia, Sept. 19.—Miss Anna C. Kean, of Lansdowne, Pa., put up the longest swim, both for time and distance, ever made by a woman in this country, yesterday, by swimming from Walnut street wharf to du Ponts' wharf, opposite Essington, and return, covering twenty-six miles in 11 hours 8 minutes 41 3/5 seconds.

The start was made at 7:30 a. m., Miss Kean diving from the stern of a motorboat, in which her pilot, George B. Smith, Chester; Miss Marie Helene Kean, a sister; Andrew B. Kean, her father; John W. Stevens, of the First regiment swimming pool, coach, and James H. Sterrett, accompanied her over the entire route.

From League Island on it was a real battle to make headway against the increasing wind and choppy water. From Lincoln Park on the tide almost came to a sudden stop, so that the swimmer was obliged to stop and start around and start back over the return journey when a short way below du Ponts' wharf.

CARLISLE FAIR, SEPT. 19-22

## Phillies Make Gain; Boston Back in Lead

The Phillies cut into Brooklyn's lead a half game in the National League pennant chase yesterday by defeating the Chicago Cubs, while the pacemakers were securing an even break with Cincinnati. The Boston Braves kept step with the Phils by tripping St. Louis. The champions are now one full game in the rear of Brooklyn and a box score and a half ahead of the Braves, who are two games and a half in the rear of the Robins. Standing of the contending trio:

	W.	L.	Pct.
Brooklyn	83	55	.599
Phillies	80	55	.593
Boston	77	55	.583

Although their way this season has been a thorny one, Connie Mack's proved that they are a team to be feared yesterday by tearing the Detroit Tigers from first place. While the Athletics were defeating the Bengals, Carrigan's Red Sox humbled Chicago and stepped into the lead, which they held by a margin of three points. Chicago is in third place, a game and a half behind the leaders. Standing of the rivals this morning:

	W.	L.	Pct.
Boston	81	59	.576
Detroit	61	61	.500
Chicago	51	62	.456

## New Coast-to-Coast Record by Hudson Touring Car

New York, Sept. 19.—The Hudson Super-Six touring car, which left San Francisco at 12:01 last Wednesday morning, was checked in at Columbus Circle by a representative of the American Automobile Association at 6:31 yesterday morning. The time was five days, three hours and thirty-one minutes (deducting the difference between eastern and western time).

This lowers the best previous record for a transcontinental automobile run by fourteen hours, fifty-nine minutes. The average for the 3,476 miles was 27.1 A. H. Patterson, of Stockton, Cal., drove from San Francisco, to Elks, Nev.; Ralph Mulford took the car from there to Laramie, Wyo., where Patterson again took the wheel and drove to Omaha. Mulford then drove to South Bend, Ind., and C. H. Vincent drove the last lap of 910 miles into New York.

Mulford, to avoid death to himself and two passengers, drove head-on into a herd of cattle that blocked a bridge on the outskirts of Laramie, Wyo. Two of the cattle were killed. The accident delayed him three hours. Aside from a damaged radiator and two tires, there came through in first-class condition.

## RIPRAP DECISION THIS WEEK--GROSS

### Park Commissioner Has Consulted With Seitz; Says Cowden Disagrees With Plan

Before the end of this week, Park Commissioner E. Z. Gross says he will have decided definitely whether or not the riprapping of the river front slopes north of Hardscrabble will be done this fall. The Commissioner admitted to-day that he has had long-expected conference with City Solicitor D. S. Seitz on the question of the legality of applying a portion of the balance of the park improvement loan for the purpose.

Mr. Seitz, he said, referred him to City Engineer M. E. Cowden and an engineer advised against the proposed improvement. The State Water Supply Commission not only granted the city permission to strengthen for all time the slopes and protect the new "fill from the river's wash, by constructing a coping of riprapping, but advised the park department to stop the work for a distance of fifteen feet instead of five.

Money Is Available  
The job will cost in the neighborhood of \$2,500, and it is understood that the city has the money to do the work can be completed before cold weather interferes. About \$6,000 remains in the park improvement fund and this, it was expected, was to have been applied toward the construction of the proposed subway beneath the Cameron parkway near Paxtang. The subway, however, will cost in the neighborhood of \$29,000 or \$30,000, which precludes the starting of this operation until this sum is available.

When I asked Mr. Seitz about this," said the Commissioner to-day, "he referred me to Mr. Cowden. Mr. Cowden said that the money could be used for this improvement, but advised against riprapping. However, before the end of the week I'll decide whether or not we shall go ahead with this work now, or wait until next Spring—in spite of what Mr. Cowden has said."

Reading, Pa., Sept. 19.—That the past year has been one of great prosperity in the insurance business in this section of the State, is shown by the report of the Pennsylvania Association, held jointly with the ninth annual convention of the Pennsylvania Association, here to-day, to continue to-morrow and Thursday.

### No Ground for Complaint in Sinking of Delmare

Washington, D. C., Sept. 19.—No ground for complaint to the Teutonic powers was found by State Department officials in a summary received to-day from the consul at Barcelona of affidavits made by two American sailors who belonged to the crew of the Italian bark Stella Delmare, sunk a fortnight ago. The statements of the seamen are too inconclusive to furnish a basis for inquiries.

### RENOVO PRESIDENT DIES

### Salt Lake Wants Lajoie to Manage Team Next Season

Salt Lake, Utah, Sept. 19.—If the Salt Lake team of the Pacific Coast can induce Connie Mack of the Athletics to part with Larry Lajoie and the big Frenchman will accept the berth, the local club will have a manager next year which will set this town wild over baseball.

Several days ago when Cliff Blankenship was bounced the board of directors, who are many and powerful, decided to get a big league star for next year's campaign. Somebody suggested Lajoie it spread like wild fire around the town. It was then and there decided to make a play for the great veteran. Salt Lake is willing to pay or trade for the one-time peerless infielder.

This town is baseball crazy ever since its debut in Pacific Coast League, and while many of the natives are just beginning to thoroughly understand the game, Salt Lake has paid out in percentage more money to visiting teams. Home-run hitters are especially heroes here. Every time a local player hits for the circuit he is literally bombarded with money.

### Courthouse Notes

While blasting in the Walter T. Bradley quarries in Derry township adjacent to the town of Carlisle, Pa., a section which was discontinued because of the detri-mental effect on the highway, the Derry township supervisors in turn will take immediate steps toward moving the lines of the present location. Agreement to this effect reached in the Dauphin county court yesterday afternoon.

### Record Holder

In both brigade and battalion sports he held the record for the greater number of prizes won, and he established new figures for the army in both the 100-yard sprint and long jump. He was the only member of the team to have won a prize in the Derry Guards which honored King Edward to his tomb who was spared to go into action.

## MANY ATHLETES DIE IN SERVICE

### List Shows Death of Many Notable Record Breakers; Were Fighters

London, Sept. 19.—The cream of British sportsmen continue to appear in the casualties resulting from the advance on the western front, the latest casualty list containing the names of a number of well-known public school men who have made their mark in every branch of sport.

Captain J. Vivian Byrne-Johnson, who has been killed in action, was secretary of the Cambridge University Athletic Club, and was a good long-distance runner, obtaining his "blue" for the three miles, which he won in 1914, his time for the distance—14 minutes 54 4/5 seconds being the best accomplished at Cambridge for years.

G. F. Marsden-Smedley, killed, was captain of both the cricket and football elevens at Harrow. The death in action of Lieutenant Frederick Godfrey ends the career of a conspicuous athlete on the football and cricket fields, as well as on the track. In 1907 he captained the Genadier Guards team that won the army football cup at Aldershot.

Several prominent oarsmen are reported killed, among them Captain T. H. Irving, Lieutenant W. Stobart and William B. Weaver. ## WELL-KNOWN CORNER

### Early indications point to close rivalry for football honor this year in the scholastic series. The Central and Tech candidates have been showing remarkable form. The new boys have surprised the coaches. It was feared that good material was lacking. On the contrary it is going to be a difficult task to select the teams.

At the close of the opening day program of the Intercollegiate Individual Golf championships, at Pittsburgh yesterday, only eight players remain in contention and four players survive. The biggest surprise of the day was the elimination of Frank Blossom of Yale the present titleholder by Percy Parker, Jr.

A voluntary petition in bankruptcy was filed at Pittsburgh yesterday by the Exposition Park Association, which controlled the Pittsburgh Federal League Club. The indebtedness amounts to \$173,044. The assets amount to \$50,000.

The usual knocks against league and association baseball leaders are in evidence. Dave Fultz, head of the Players' Fraternity wants a new man at the head of the National Association of Minor League Clubs. He does not like J. H. Farrell, the present secretary, who has held the position for a long time, and while the duties are rather arduous has made good. President Fultz may have a just cause for complaint, but it is a safe bet that if he had as much to do as Secretary Farrell, he would keep awake at nights trying to find a way to do it.

The annual kicks are also being made against Gerry Herrmann, head of the National Commission. He, too, has survived former knocks and is likely to pull through another season.
