AMUSEMENTS REVIEW OF THE MAJESTIC BILL

A Well-Balanced and Clever Bill For the First Half of the Week

Paul Armstrong's "Romance of the Underworld," as a headliner, together with several other vaudeville acts, the bill for the first half of the week at the Majestic, is one which should satisfy the most critical theatergoer.

To-night and Wednesday and Wednesday matinee, September 19 and 20 — "Fair and Warmer" falling in its "capacity business."

A farce so ingratiating, so convulsively amusing, and so universally appealing that it ran for one year at the Eltinge Theatre, New York, without once failing.

"Watch Your Step," the swift-moving, colorful and synopated spectacle which Charles Dillingham produced at the New Amsterdam Theatre, New York, and which will be shown here at the Orpheum Theatre, next Friday night, 8 p. m. curtain, comes into instant popularity.

In his famous story, "Pillars of Society," which will be shown at the Colonial Theater for the first time last night, the author, Charles Dillingham, tells a story of double-dealing.

Marie Doro in "Common Ground," now being shown at the Regent, is a picture of a judge of a woman's night court, who, in his anxiety to help the unfortunate who come before him, incurs the anger of the man higher up, and is forced to resign the bench on a frameup.

"An International Marriage" is an almost everyday newspaper headline. What their after-marriage life is like is usually a point of ignorance with most people.

NO REASON FOR IT

When Harrisburg Citizens Show a Way There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills, will fail to heed the words of a man who has found relief. Read what a Harrisburg citizen says:

M. B. Haviland, railroad engineer, 313 Bond street, Harrisburg, says: "I have used Doan's Kidney Pills several times in the past few years and I sincerely advise their use to anyone troubled by their kidneys."

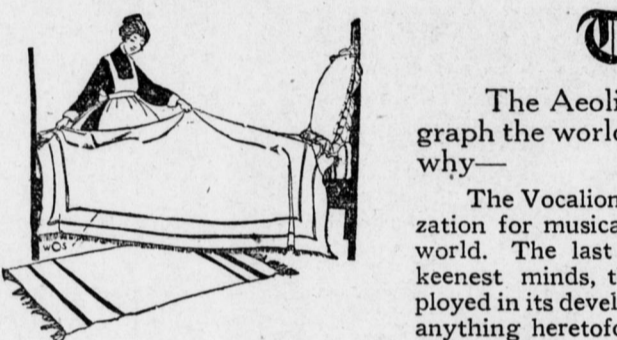

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Haviland had. Foster-Milburn Co., Props., Buffalo, N. Y.

AMUSEMENTS REGENT LAST DAY MARIE DORO AND THEODORE ROBERTS in the gripping drama, "COMMON GROUND" the story of a young girl's regeneration through love for a young man.

There are times when the alphabet cannot be arranged to picture in the mind what the eye can see. So we show you in picture; and when here, we show you in reality, what only one's vision can behold—and we'll show you what eyes have never looked upon before in our city and which can be seen only here.

The Aeolian-Vocalion

The Aeolian-Vocalion is the finest and most perfect phonograph the world has yet seen. And this is the very definite reason why—

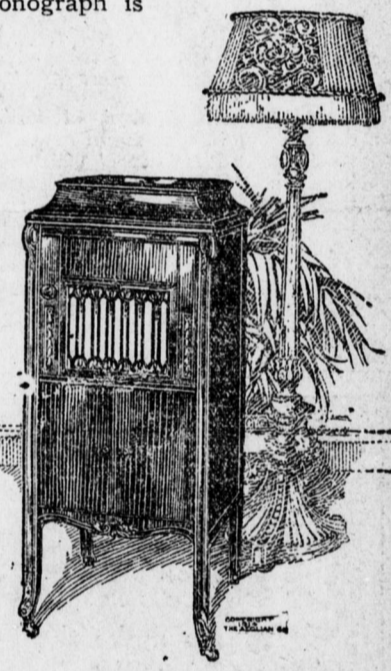

The Vocalion is the product of the largest organization for musical instrument manufacturing in the world. The last resources of science and art—the keenest minds, the most facile skill have been employed in its development.

And the wonderful tone-control gained by the use of the revolutionary expression device—the Graduola—makes the Vocalion a phonograph of new scope and power—practically a new musical instrument.

AN INVITATION—Come in and hear and try the Vocalion, if you are considering the purchase of a phonograph—or if you are merely interested to know what a very perfect instrument it actually is.

Vocalion Prices — Non-Graduola Styles, \$35 to \$75. Graduola Styles, \$100 to \$350. Very moderate terms.

Come here for Columbia Records—complete stocks always.

Of 23 Members Needed, Twenty Certain; Five More Reasonably Sure, Willcox Says

New York, Sept. 19.—Not only will Mr. Hughes be elected, but there will be a Republican Congress to sustain his administration, is the expressed belief of William R. Willcox, chairman of the Republican National Committee.

"The election of a Republican House is a foregone conclusion," said Mr. Willcox, "and a 100 per cent. campaign will be conducted which will insure a Republican Senate."
