Last Year as Manager BOSTON PLANS

JOE TINKER

A persistent rumor states that this will be Joe Tinker's last year as manager of the Chicago Cubs. Although President Weeghman has declined to deny or affirm the rumor, it is known that he is far from satisfied with the showing which Tinker has made this season. It is the opinion of Chicago fans and critics that Tinker placed too high a value upon the material of the former Chicago Federal League team, which was absorbed into the Cubs when Weeghman became president of the latter club. Tinker retained most of the Federal leaguers who worked under him as manager of the Whales. A persistent rumor states that this

Dickinson Has Problem: Will Increase Coaches

Carlisle, Pa., Sept. 26. — A great problem has been solved by the coaching staff of Dickinson College this season through the appearance on Biddle Field of Tom Reep, former star guard and tackle at Villanova, and at present a first year student at the Dickinson law school. Reep has offered his services in teaching the line candidates and promises to be an aid in whipping the new recruits into shape. Coaches Craver and Dunn to-day set about in earnest to prime Dickinson for Saturday's game with the Navy. To-day particular attention was paid to the aerial attack, with Palm. Pierce and Hendricks shining on the receiving end, while Swope and Welch brought forth applause from the spectators with their accurate hurling. Negotiations are on with Villanova for a game in Scranton during Old Home Week, but it is understood that the local authorities are not favorable to a midweek contest, and in all probability the matter will be dropped.

Penn State Loses Painter; Was Star Varsity Center

State College, Pa., Sept. 26.—Another first-string player at Penn State has gone over to the ineligibles because of scholastic troubles, it was definitely announced to-day at the training quarters. Painter, the varsity center of last year's eleven, has fallen under the faculty ban and he told Resident Coach Harlow to look for another pivot man to fill his shoes.

Painter's case has been under advisement for a fortnight and it was hoped that his affairs might be adjusted. Every one of the twenty-three State players who got into the Susquehanna game on Saturday came through in fine shape. Early season indications point to a repetition of last year's record, when the Blue and White team went through the entire schedule of nine games without a minute of time taken out because of injuries to State players.

The Red Sex preparation for the blue ribbon series has not been confined to the business end. Heine Wagner and Jack Barry, who, with Manager Carrigan, have formed the team's "board of strategy," have been assigned to observe the Brooklyn Nationals in coming games with a view to learning the style of play of the possible National League representatives in the classic. Wagner left the club at Cleveland yesterday to take up this work and Barry is understood to be ready to leave his home in Worcester, where he has been under treatment for a broken hand. GIANTS' RECORD **NEW FOR MAJORS**

Providence Holds Honors For Thirty-Two Years; Minors Do Better

New York, Sept. 26 .- The New York Nationals' double victory over the St. Louis club here yesterday enabled the Giants to lay claim to a new major league record for consecutive games won in one season. At the comple-tion of the double-header the team had won twenty-one straight victor-ies, thus displacing the record of the famous Providence Grays, who wor twenty games in a row in 1884.

During the thirty-two years since Providence set the twenty-game recprovidence set the twenty-game rec-ord the figures have been threatened several times by big league clubs, but never equaled or surpassed until yes-terday. In 1906 the Chicago Amer-ican League club won nineteen in a stretch. The New York Giants ran eighteen straight in 1904 and seven-teen games earlier in the present sea-son.

Several minor league clubs have exceeded these figures, the best records being twenty-seven games by the Corsicana club of the Texas League in 1802; twenty-five games by the Charlotte club of the Carolina League in the same year, and twenty-four games by the Jersey City club, of the Eastern League, in 1903.

In winning twenty-one games straight, the Giants actually figured in twenty-two games, because one contest-ended in a tie and was eliminated from consideration in computing the winning streak. In one respect, however, the record does not compare with that of the Providence club, as Pitcher Charley Radbourne twirled the Grays to victory in eighteen out of the twenty games won by his club in the 1884 stretch of conquests.

Schupp and Perritt, who have both pitched great ball during the New York team's run of victories, twirled in fine fashion and had the St. Louis batters at their mercy. Schupp, McGraw's young left-hander, tied the Providence record by shutting out St. Louis in the first game. During the winning streak Schupp has pitched two two-hit games, two three-hit games and one six-hit game, three of them being shutouts.

MORNING GAME AT BOSTON

Boston, Mass., Sept. 26.—The first
morning game ever played by National
League clubs, except the regularly
scheduled contests on holidays, will
be played here to-morrow between the
Pittsburgh and Boston National League
clubs, Business Manager Hapgood, of
the locals, announced to-day. A tie
contest between the teams Saturday
and double-headers already agreed
upon for to-day and to-morrow had
unade it impossible to complete the
series before Wednesday. Conflict with
an American League game scheduled
here on that date was avoided by an
arrangement for the morning contest, which President Tener, of the
league, authorized. MANY CELEBRATIONS

Marietta, Pa., Sept. 26.—Mr. and Mrs. Frank Loucks, life-long residents of Marietta, celebrated their forty-first wedding anniversary on Saturday. Mr. Loucks is one of the oldest members of the Red Men and Order United Americans in Marietta. Mr. and Mrs. Samuel Brill, of Marietta, were married six years on Saturday. Mr. and Mrs. George P. Resch, of Marietta, celebrated their thirty-first wedding anniversary last Saturday. Mr. Resch is one of the leading merchants in-town, and a director in the First National Bank. George H. Roath, of West Marietta, machinist at the Marietta Casting Company; J. A. Buchanan, and Michael Shuman, businessmen of Market street, an Monday will celebrate their natal days. Shamokin, Pa., Sept. 26. — Harry Weiser, champion batsman of the Eastern League as a member of the New London (Conn.) club, to which team he was sent by the Phillies, left yesterday for Philadelphia in response to a message from Manager Pat Moran directing him to report at once.

WELLY'S

Pat Moran is looking more hopeful papers printed announcements of the these days. It may be a battle between Brooklyn and Phils. Boston is certain to win the American League pennant and is already arranging for World's series tickets. The race is not ended however in either league.

The Harrisburg Academy bowlers opened the season last night. The Bitters won the first duckpin contest, defeating the New Ideas, scores 1293 to 1242. The Academy league was reorganized for the season with six teams, Bitters, Barbers, New Ideas, Officers, Factors and Bakers.

Williamstown baseball fans are still sore over the jolt handed them by Marysville on Saturday. The William Britsch, one of Tech's backfeld stars, has quit. He will probably take a course at the Harrisburg Academy refuses to accept the explanation about Wertz and claims that the He will be missed at Tech.

If the National League season was to be prolonged two weeks, the Glants would be a big factor in the race. The pace set by the McGraw aggregation is the greatest in the history of the National game. New York now has a team second to none in the league.

Coach Shorty Miller gave Tech high squad the first scrimmage yesterday. It was decided to call off the game for Saturday and the Tech squad will in all probability attend the Central high-Lancaster game.

Brooklyn Breaks Even: Phillies Move Higher

In the National League both Philadelphia and Boston gained a little on the leading Brooklyn team, the champions winning from Cincinnati, while Boston scored a double victory over Pittsburgh. Brooklyn could do no better than break even with Chicago, hence is only one game ahead of Philadelphia and four in front of Boston.

The standing:

W. L. Pct.

Brooklyn 88 57 .60689
Philadelphia 86 57 .60274
Boston 81 58 .58333

All Boston has to do to count Detroit out of the pennant race in the American League is to win two of its remaining seven games. As a result of yesterday's contests the champion's record is 87 won and 60 lost, so two more wins would make it 89 victories and 65 defeats. Detroit has only three games left to play and now has 85 won and 66 lost, so that by winning the trio it would stand 88-66, one whole game behind Boston.
