Best Furnace Coal

Our Wilkes-Barre Stove is the kind and size of coal used in most furnaces in this city and vicinity. Its quality hasn't varied in years, and it produces a longer burning bed because it is cut from mammoth veins—and is the heart of anthracite.

These days of higher priced coal you want all coal. Be particular and order Kelley's famous Hard Stove for your furnace.

ACCLAIM HUGHES VICTOR IN FIGHT

[Continued From First Page]

siding officer of the gathering. Although the convention of the League of Republican Clubs held the center of attention, it was national politics and the party program that were the main theme that was expounded upon by the speakers of the night rally. This was preceded by a lengthy parade through the streets of York. Last night's meeting was held in the tabernacle here.

Congressman Scott, of Philadelphia, the initial speaker, called for industrial preparedness for the United States from both an economical and military standpoint.

Mayor Thomas B. Smith, who had remained to address the delegates at length at the afternoon session, followed. In part he said:

"As a Republican of some influence in my own community desiring to realize the eight-hour law put forward by President Wilson is solely a question of wages. We must realize that the truth only will prevail in this campaign. The Governor Brumbaugh took an unusual interest in the events of the day, making two journeys to York. The first was in connection with his agricultural tour of the State.

The other was for the purpose of making a lengthy address last night. Former Senator Knox's speech was received with much enthusiasm.

Senator Borah also dwelt upon national issues.

Brumbaugh Speaks for State

Governor Brumbaugh among other things said:

"The Republican Party in Pennsylvania and in the Nation enters upon the campaign this year under conditions that are new and momentous. In 1912 an unusual division of forces led to the election by a minority vote of a Democratic national administration. The paramount duty of all believers in the purposes and achievements of the Republican Party since that time was to unite if possible our broken forces and thus secure an assured Republican victory in November.

"There are evidences of the success of these efforts. Maine has spoken and Pennsylvania is rapidly sensing the gravity of the situation, and is giving heretofore a memorable Republican triumph.

The Governor then dwelt upon the importance to industrial Pennsylvania of a Republican national victory with the need for a protective tariff.

"I ask all true Republicans," said he, "to give their hearty and lively support to Charles E. Hughes for President of the United States. Let us use our united endeavor to elect with him a Republican Congress and then we can sit with dignity in the councils of the nation and legislate with equity for our whole people."

URGES EVERYONE TO QUICKLY GET ON WATER WAGON

Drink glass of hot water before breakfast to wash out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.

Representative Robert B. Haggood, of McKean county, appealed for the organization of "first voters," who, he said, represent twenty per cent. of the total Presidential vote. He referred to Senator Penrose as "that strong Republican leader in the Senate, and was loudly applauded."

State Senator Charles A. Snyder, of Pottsville, nominee for Auditor General, declared that it was his judgment that the nonpartisan law to the contrary notwithstanding, even Supreme Court justices could be selected best through party organizations. He urged the delegates to make an organized effort to elect Justice E. A. Walling, of Erie, appointed by Governor Brumbaugh.

William I. Schaffer said the pending contest was one of "almost unprecedented importance." He declared that his observation of political conditions while campaigning in Maine convinced him that the "electorate of this country can be depended upon decisively to repudiate the Wilson administration and its weak, make-shift policies."

Harry A. Mackey, Philadelphia, chairman of the Workmen's Compensation Board, made an eloquent address in support of Hughes and praised the Brumbaugh administration.

Congressman Vane made a spirited speech, in which he attacked the Wilson administration. He paid tribute to the "progressive Republican service rendered the State by Governor Martin G. Brumbaugh." He declared the League of Republican Clubs could play an important part in the election at hand and congratulated it on its activities, declaring that no other organization in the State would do more for the election of the Republican candidates.

Joseph McLaughlin, of Philadelphia, Republican candidate for Congressman-at-Large, was accorded a cordial reception by the delegates. He was one of the rapid-fire orators and presented strong arraignment of the Democratic Party, charging it with inefficiency and procrastination. Congressman M. M. Garland, of Pittsburgh, forecasted the development of new industries in the United States under Republican rule, foretelling of the distress existing under the previous Democratic regimes. He also warned Republicans that the action of the Democratic Congress in appropriating \$11,000,000 for a government armor plant meant that the South would be given that establishment and that the three private plants in Pennsylvania were threatened.

PERSONAL --- SOCIAL

Harvest Home Festival of the Bethlehem Church

Mrs. Arthur H. Hull, director of music and Miss Clara Cromleigh, organist of the Bethlehem Lutheran church, have planned a "Harvest Home Festival" for Sunday evening, October 1 in the church. An organ recital of fifteen minutes by Miss Cromleigh will precede a program including solos and a duet by Miss Sara Lerner, violinist and Miss Margaretta Kennedy, "cellist of the Lerner-Kennedy Trio. Mrs. Arthur H. Hull will sing a solo and there will be a duet by Mrs. Hull and Mrs. Bressler. The church quartet including Mrs. Hull, Mrs. Bressler, Mr. Hoover and Mr. Mathias will give two numbers and the choir entire will sing a chorus.

This will be the opening musical event of the season in this church which always has a number of special musicals during the winter.

Little Evelyn Manning Has Birthday Surprise

Little Miss Evelyn Gertrude Manning was quite surprised last evening when eleven of her young friends arrived at her home to help her celebrate her 8th birthday. After presenting gifts to the young hostess the guests spent a merry evening with games and refreshments.

In attendance were the Misses Marie Harling, Christine Shannabrook, Margaretta Shannaman, Geraldine Watts, Della Stiner, Beatrice Saunders, Martin Manning, Gertrude Frickman and Evelyn Manning, Charles, Harry and Mervin Manning. Miss Esther Kaufman assisted in entertaining. Geraldine Watts and Marie Harling won prizes.

ENTERTAINS FOR VISITOR

Mrs. Frank Haehnel, of Philadelphia, was guest of honor at a bridge luncheon yesterday afternoon with Mrs. Louis F. Haehnel, whom she is visiting, as hostess. Invited to meet Mrs. Frank Haehnel were Mrs. Frank Witman, Mrs. Herman F. Miller, Mrs. Mabel Cronise Jones, Mrs. Lane S. Hart, Jr., Mrs. Arthur H. Bailey and Mrs. James Sherman.

KNUPPEL-SHERMAN BRIDAL

The marriage is announced between Mrs. Laura Ferch Sherman, of 1203 Walnut street and J. Henry Knuppel, of 1246 State street, at St. Stephen's Episcopal church of Philadelphia, Saturday, September 23, with the Rev. Dr. Carl E. Granner, officiating. Mrs. Sherman is well known among the Mount Gretna cottagers, having been a resident of the resort during the summer for a number of years.

WEDDING INVITATIONS

Mr. and Mrs. James Reed Thompson, of Milroy, have issued invitations for the marriage of their daughter, Miss Sara McFarlane Thompson, to Thomas Williamson, of Burnham, on Saturday evening, October 7, at

the White Memorial Congregational church.

Mr. Williamson is the son of Mr. and Mrs. Thomas M. Williamson, 1629 North Second street.

PARTY OF YOUNG PEOPLE HIKE TO COLONIAL ACRES

Mrs. Thomas Martin entertained a party of young people at her home in Colonial Acres last evening. The guests hiked from Seventeenth and State streets to the Martin bungalow, where music games and refreshments were enjoyed. Mr. and Mrs. Miller Malley chaperoned the crowd, which included Miss Margaret Zeiders, Miss Vera Zeiders, Miss Mary Martin, Miss Vera Runkle, Miss Marie Longenecker, Miss Mary Bechtel, Miss Edythe Hauck, Miss Olive Dayhoff, Miss Emma Spence, Miss Margaret Myers, Harry Dayhoff, Leo Rau, James Martin, Harry Simonton, Russell Zimmerman and Mrs. Martin.

Ralph Godcharles, of Milton, is visiting friends in this city for a few days.

Miss Edith Fisher, of Swatara street, is home from a week-end visit in Philadelphia and Atlantic City.

Mrs. Barry B. Cann and children, of East Orange, N. J., are guests of her mother, Mrs. John H. Weiss, of 325 North Front street.

Mrs. John O. Stewart and son James H. Stewart, of 1404 North Second street, left to-day for New Castle where they were called by the death of her father, J. Liebenow.

Miss Mary E. Beatty, of 1406 North Second street, has returned home after a visit with friends in Philadelphia and Germantown.

Miss Carrie Gerberich, of Dauphin, leaves next Tuesday for Philadelphia to enter Miss Hart's Training School for kindergartners.

Miss Hazel Webb, of North Sixth street, has returned home after a motor trip to Carlisle, where she attended the Carlisle Fair.

Miss Alice Virginia Cooper, of Camp Hill, is home from Asbury Park.

Miss Dorothy Morgan, of Williamsport, who was Industrial Secretary at the Y. W. C. A. last winter, visited in town yesterday on her way to New York to take up a course of study at the University of Columbia.

Mr. and Mrs. Frank L. Cook, of North Front street, with Mr. and Mrs. Samuel C. Todd and their guest, Miss Nelle High, of Toledo, Ohio, spent the week-end at Galen Hall, Wernersville, making the trip in the Cook automobile.

Mr. and Mrs. Rodney Stucker, of Cincinnati, were in town for several days visiting old friends and neighbors in Market street.

Mrs. Regina Rowland, of New York city, is visiting her sister, Mrs. James Brady, of North Second street.

Miss Pearl Godfrey, of Brooklyn, is a guest of her sister, Mrs. James P. Gregory, of State street for several weeks.

Miss Vesta Schaffer has gone home to Scranton, after visiting her niece, Mrs. Thomas M. Barron, of State street for a fortnight.

Miss Anna Valentine and Miss Caroline Valentine, of Bellefonte, have re-

Scientific Proof of Maxwell Fuel Economy

In a test made by David L. Gallup, M. E., Professor of Gas Engineering, Worcester Polytechnic Institute, a stock Maxwell Touring Car made from 23 to 33.7 miles per gallon of gasoline at speeds ranging from 10 to 35 miles per hour. We reproduce a letter from Professor Gallup concerning this test.

DAVID L. GALLUP, M. E.
Consulting Engineer
September 1st, 1916.

Maxwell Motor Co., Inc.,
Detroit, Michigan.

Gentlemen:-

I beg leave to submit the enclosed blue print giving the results of an economy test made on a 1917 Stock Maxwell Touring Car, furnished by your Boston representatives.

The curve is self explanatory and needs no discussion other than the statement that the carburetor, which was stock, was adjusted to give the best combination of power, flexibility, speed and economy, for such conditions of touring as would ordinarily be encountered.

In tabular form the results taken from the curve sheet are as follows:

SPEED (Miles per hour)	ECONOMY (Miles per gallon)
10	35.7
15	32.7
20	31.2
25	28.8
30	26.1
35	25.0

Respectfully submitted,
D. L. Gallup

DLG/x

Deferred Payments If Desired

NOTE that no unusual means were employed to get these results. The car used was taken from stock; the test was made with a full load and with top and windshield up; the regular Maxwell carburetor was used.

Any Maxwell car is capable of giving this same economy in gasoline consumption.

Maxwell operating economy matches its economy in first cost, making it **The World's Greatest Motor Car Value.**
