Bethlehem Salesforce Inspects Works Here and Discusses Problems at Luncheon

Members of the Bethlehem Steel Company's salesforce from all its branch offices visited the local plant on a tour of inspection to-day. After studying operations in every department of the big plant from one end to the other and inspecting the big improvements under way, the salesmen took luncheon at the bridge shop restaurant, where sales problems were discussed.

The party included Edward S. Knisely, general sales agent; Paul Mackall and R. W. Gillispie, assistant sales agents, and more than a score of salesmen from many branch offices of the Bethlehem company. The inspection trip is the conclusion of a three-day conference during which many problems were discussed.

Meeting at the general offices in South Bethlehem Wednesday morning the party heard a number of addresses by E. G. Grace, President; W. F. Roberts, vice-president; H. E. Lewis, assistant superintendent, and W. S. Rutherford, manager of orders, after which the Lehigh and Susquehanna plants were visited. A banquet was given Wednesday evening at the Lehigh Country Club and the men spent yesterday visiting the Maryland plant at Sparrows Point.

Arriving in Steelton this morning at 8:10 o'clock the party started at the west end of the works in a special train and went through the entire plant. The inspection trip ended at 2 o'clock and was followed by a luncheon at the Bridge Shop with General Manager Quincy Bent as host.

Late this afternoon the party left for Lebanon where the Bethlehem company operates two blast furnaces. Following the Lebanon visit the salesmen will return to their respective posts.

In the party were: Edw. S. Knisely, general sales agent; Paul Mackall, assistant general sales agent; R. W. Gillispie, assistant general sales agent; H. A. Jackson, sales agent, Boston district; J. M. Ellis, sales agent, New York district; W. B. Kennedy, sales agent, Philadelphia district; J. A. Davis, sales agent, Baltimore district; H. W. Eisenhart, sales agent, Pittsburgh district; H. N. Steelton's Prettiest Parsonage Ceremony at Sunday-Sponsored Wedding

Lack of co-operation on the part of the weather man didn't interfere a bit this morning with one of Steelton's prettiest weddings when Miss Hester Naomi Sponsler, daughter of Mr. and Mrs. William L. Sponsler, 164 South Second street, and Harper Baker Sunday, of the firm of Butterf and Company, New Cumberland furniture dealers, were married by the Rev. G. N. Laufer, pastor of St. John's Lutheran Church, in the church parsonage.

Only the bride's sister, Miss Adda Sponsler and Resse Stoll were the attendants.

Following the ceremony, Mr. and Mrs. Sunday left for Buffalo and the Great Lakes. They will be at home at 164 South Second street after November 1.

The bride who is well known among Steelton's younger folks wore a pretty going-away suit of blue broadcloth with hat to match and a corsage bouquet of sweetheart roses and lilies of the valley.

This Is the Birthday Anniversary of—

F. G. FAHNESTOCK
Draughtsman in the Frog and Switch Department of the Bethlehem Steel Corporation, at the Steelton plant. He has been employed at the Frog and Switch Department for twenty years. Prior to that time he was connected with the Maryland Steel Company.

THREE SHOT IN FREE-FOR-ALL

Bullets Fly When Trio Start to Quarrel

William Green, 1166 South Cameron street, is in the Harrisburg Hospital in a serious condition, suffering from two bullet wounds in the legs, and four of his companions are in the Dauphin county jail pending an investigation by city police.

Green was shot in both legs in a free-for-all fight last night in a North Seventh street house, and it may be necessary to amputate one of the legs. Elizabeth Martin was shot through

the right hand, and Edward Bradley through the right arm. They are under arrest together with John Jackson and James Bentley. The stories of the shooting differ and the police are now trying to learn which one shot Green. According to the officers the negroes gathered last night for a "good time" and the fight followed an argument.
