# HAL CHASE AND TRIS SPEAKER LEAD MAJOR HITTERS---MORE FOOTBALL TO-DAY

## **MAJOR STARS IN SEASON WINDUP**

Chase and Speaker Champion Batters; Cobb Best Stealer; Winning Pitchers

Chicago, Sept. 30.—It looks as though Hal Chase and Tris Speaker would carry off big league batting championships this year. With the season to end next week, Chase is four points ahead of his nearest competitor, now Lou McCarty, of New York, in the National and Speaker is a good thirty points ahead of Cobb in the American.

Records including games of last Wednesday, show Chase has total bases numbering 241, giving him place in the league second only to Wheat, of Brooklyn, who is credited with 259. Chase has stolen 20 bases.

#### National Teams Show No Change in Position

As no games were completed in the National League vertical As no games were completed in the National League yesterday on account of rain, there is no change in the pennant race. The Phils are still a little more than one point back of the Dodgers. An even break will not make any changes today, but should the Phils take both games, they will virtually clinch the pennant. The standing:

Brooklyn 90 58 60811
Phillies 88 57 60689
Boston 84 60 58333

Detroit cannot even tie Boston in the American League pennant race now, though Boston should lose all its four remaining games and Detroit should win the two left on its card. Chicago has a chance to win, providing Boston foses all remaining games and Comiskey's men win their four with Cleveland, now to be played to-day and to-morrow. The standing:

There was no change in the National League to-day, all games of possible effect on the final standing being stopped by rain.

Shooting at Pennant With Red Sox Stars

HARRY HOOPER

Harry Hooper, the outfielding star of the Boston Red Sox, is "doing his bit" in the climb for the American League pennant which the Red Sox appear to have "cinched."

Hooper is a veteran on the Boston team, having joined it in 1909. From 1902 to 1907 he was a college star on the St. Marry's College nine. In 1907 he jumped into the professional ranks with the Oakland team of the California State League. Later in the season he was transferred to Sacramento and played with that team in 1908.

APPEAL FOR AMERICAN ATHLETE

APPEAL FOR AMERICAN ATHLETE

New York, Sept. 30. — The American embassy at London has been instructed by Secretary of State Lansing to use its good offices in behalf of the five American athletes, Mercdith, Simpson, Loomis, Murray and Ward and to try to induce the British authorities to allow them to go ashore at Kirkwall, Scotland, for light training while the steamer Oscar II is detained there by the British authorities. The action was taken at the request of Secretary Rublen of the Amateur Athletic Union who made this announcement to-day. Mr. Rublen feared the athletes would not be in good condition for the races to be held at Christiania soon after their arrival there. They left here Thursday.

THIRTY CARS IN SPEEDWAY

New York, Sept. 30. — More than thirty automobiles constituting one of the largest fields ever sent off in a speedway contest are ready or preparing to start in the race for the Astor Cup and \$25,000 in prize money to be run on the Sheepshead Bay speedway beginning at 2.30 p. m. today. The cars will be driven by some of the most daring and expert race drivers in the world. The distance is \$250 miles and the drivers hope to eclipse the record of 102.60 miles an hour set last year over the two mile course.

Thirty-four cars were included in the original list of entrants. Up to this morning 27 of them had qualified and other drivers hoped to show the required speed before the start of the

## LUCKNOW LEAGUE HAS SOME STARS

Planing Mill Leads With Best Hitters and Fielders; Other Fast Men

The season recently closed in the Lucknow Shop League was one of the most successful since its formation, four years ago, when the league was formed with six teams. It has now four teams.

City Commissioner E. Z. Gross added to the interest of the league this past year by offering a cup, while the A. J. Reach sporting goods firm, through George W. Bogar, presented the winners with twelve handsome watch fobs. Mr. Gross offers a large cup to the team in three years.

Planing Mill Stars

The Planing Mill team, after trailing along in second place for the first half of the season, came to the front in the second half, due to their consistent work, not losing a single game in the second half. Veteran "Patsy" Finfrock deserves a large amount of credit, pitching the best ball of his career. He was ably assisted by such stars as "Ducky" Rhoads, of Dauphin, behind the bat; Matter and Scheffer, the Gettysburg boys; Euker, the Villanova boy, who also had experience with Harrisburg in the Pennsylvania State League; Minnich, Geary, Hoover and Bowman, of the Dauphin-Perry League.

The Clerks were the hardest proposition for the Planing Mill. "Babe" Alcorn was the mainstay in the box for the Clerks. He was ably assisted by Garverich; while Fegley and Kirby behind the bat, Weaver, the Y. M. C. A. and former Tech High School boy, McKeever, of the West End team, Bennett, of Harrisburg Academy, and Smith, of the Motive Power, aided largely in keeping the team in the race.

The Smith Shop team had a disas-The Planing Mill team, after trailing

race.

The Smith Shop team had a disastrous year, due to the intense heat and their inability to land players. They played good ball and were factors with weak whomes as "Ruck" Gilday, who played good ball and were factors with such players as "Buck" Gilday, who twirled great ball for Dauphin; Bricker, Lutz and Garman, also of Dauphin of the Dauphin-Perry League. The Federals, like the Smith Shop, had great trouble in keeping a good team together and lost some very close games, although Thomas, Robb, Jones, Pleam, Shatto and the Wevodau boys played hard and deserved a better fate.

Enker Leads Batsmen

Euker Leads Batsmen

The official batting and fielding averages of the league have been compiled for the season, showing the Planing Mill team leading in all departments. Euker, of the Planing Mill, although in only 11 games, was the best hitter with an average of .500, with Matter, also of the Planing Mill team, a close second with an average of .416. Garverick, of the Clerks, is the real leader, he having taken part in 30 games for an average of .404. He was followed closely by Buffington, of the Planing Mill, with an average of .368.

The Planing Mill had six men in the select class; Clerks, four, and Smith Shop, two. The Planing Mill also led in club batting with an average of .279, while the Clerks were second, having an average of .256.

Marehall, the fleet-footed second baseman of the Clerks, leads in stolen bases, he having 18 to his credit, while Anderson, of the Planing Mill, Weaver and McKeever, of the Clerks, each have 16.

The fielding averages show Rhods, catcher for the Planing Mill, leader. He accepted 69 chances without an error, although Anderson, Murphy, Keller, Scheffer, all of the Planing Mill, and McCleaster, of the Smith Shop, also have perfect averages.

Bowman, of the Planing Mill, is the leading pitcher with four games won and none lost, although Finfrock is the real Alexander of the league, having won 14 and lost but 2 games for an average of .875. Marshall, Alcorn and Garverick, all of the Clerks, follow in order with .666, .642 and. 636, respectively.

New York, Sept. 30.—The management of the Brooklyn team has been unjustly criticised in the matter of seat prices for the world series games, as the prices were fixed by the national commission, according to a statement made here to-day by John Klengue.

"The prices that have been announced in Brooklyn were determined by the national commission at a meeting held in Clincinnati September 15 to arrange a tentative schedule, "Mr. Temer said. "The commission allowed some latitude to the Brooklyn and Described in the matter of \$5 seats because of their limited grandstand and box seat capacity and because of the added fact that all seats listed at \$5 in each park were as choice in location as regular box reservations. This commission and allowance were also made in other parks of the same character in previous world series games."

State College, Pa., Sept. 30.—Penn State's eleven is on edge for the grid-State's eleven is on edge for the gridiron bout with Westminster College to be staged here this afternoon on New Beaver Field. It will be State's second contest. The visitors are under the tutorship of Henry Weaver, an old Penn State tackle, consequently the local players expect to find Westminster's crew pretty well informed as to State's style of offense. Not much is known here about the New Kensington team's attack, but little apprehension is felt here that State's defense will be sorrely tried. Last Fall State won the game. 26 to 0. After remaining on the side lines all week with a brutsed side muscle, Beck will take his regular place in the back field this afternoon. Boston Wins Decisive Game;

sure of being a contender in the world's series but in the National League the outcome was just as uncertain as it has been for several days, Brooklyn and Philadelphia being Brooklyn and Philadelphia being practically in a tie for first place.

Brooklyn has the lead by a technical half game, although in the percentage column, Philadelphia by reason of having played fewer games appears only a small fraction behind, the standing being Brooklyn .608 and Philadelphia .607. Boston is practically out of the race. Brooklyn and Philadelphia play two games to-day and then New York goes to Brooklyn for four games while Philadelphia and Boston are playing a six game series.

and Boston are playing a six game series.

The Boston Americans was the only team in either league which escaped the rainstorm yesterday and the result put them one game nearer the championship. In order to win the American League pennant Chicago must take the four remaining games with Cleveland and Boston must lose her four games still on the schedule, one with New York and three with Philadelphila. Dotroit has been eliminated from the pennant contest.

President B. B. Johnson, of the American League, has ruled that clubs may play off postponed games as late as next Wednesday, although the schedule in the West ends officially to-morrow.
