FORMALLY' ASK HOTEL CHARTER

Thomas L. Wallace Tells of Directors Will Consider Architects' Suggestions Next Week

> Official notice was given yesterday of application to Governor Brumbaugh for a charter for the Harrisburg Hotel Company, which will erect the milliondollar structure at Third and Walnut streets. It is expected that the charter will be issued before the close of October under the act of Assembly, and the first payment upon the property having been made, at least two of the important details will have been consummated.

> important details will have been con-summated.
>
> The capital will be \$300,000, to be increased later, and the first payment on the Opera House site will be made October 15, the day the option ex-pires.

October 15, the day the option expires.

E. Z. Wallower, chairman of the special Chamber of Commerce committee which has conducted the hotel negotiations, gave notice to-day that luncheon meetings will be held next Tuesday. Wednesday, Thursday and Friday for the consideration of proposals and suggestions for architects. It is the purpose of the directors to give this subject much attention so that the new hotel may be as nearly complete in its design and appointments as possible.

From all parts of the country come letters and newspaper clippings commending the undertaking, which seems to have aroused interest wherever Harrisburg is known.

It is the hope of the active spirits in the organization of the hotel company that every citizen of Harrisburg will have some interest in the property even if it be but one share of \$50.

Local Rifle Team to Compete in Florida

Adjutant General Thomas J. Stewart Adjutant General Thomas J. Stewart to-day selected a team of twelve men from the Harrisburg Rifle Association to travel to Jacksonville, Florida, at government expense for the purpose of competing in the National Rifle Competition in that city during the present month. A Congressional appropriation of \$60,000 for the transportation and accommodation of representatives of affiliated organizations of the National Rifle Association to Jacksonville for this purpose allows sufficient funds for the local association to send twelve men, a captain and scorer.

sufficient funds for the local association to send twelve men, a captain and scorer.

Owing to the shortage of time between now and October 14, when the shoot begins, there can be no competition for the team, which will be selected from the men having already made the highest scores in the Harrisburg Rifle Association. Transportation expenses will be paid and tents provided for the sleeping quarters of the competitors. The men will be obliged to pay for their own board, but rifles and ammunition will be supplied by the government. The shoot last year was held at Sea Girt, N. J.

G. W. Thompson has been chosen captain of the team. Two of three alternates have been named. The team as chosen is as folows: W. B. Fisher, B. A. Knight, W. C. Enterline, J. V. McNary, F. F. Unger, E. S. Watson, Mr. Flowers, P. C. Schwartz, H. A. Douglas, J. F. Mackey, S. Wittenmyer, C. A. Dunn, M. B. Doughten and G. W. Thompson, captain.

NEURALGIC PAINS

Shooting pains in the head with giddiness, noise in the ears and tenderness of the scalp—pains in the neck and shoulders or extending down the arms to the hands, these are the most common symptoms of neuralgia.

There are a number of causes of neuralgia. It is most common in families whose members have nervous dispositions and it is very often a result of anemia or lack of blood.

Hot applications give temporary relief in neuralgia and should be used. They cannot cure the trouble because the pain is the complaint that the under nourished nerve is making and it will not be quieted until the nerves with nourishment is through the blood. That is why thin blood so frequently leads to neuralgia. When the blood becomes thin the nerves lack nourishment. Build up the blood, supply to it the elements that the nerves need and you begin to correct the neuralgia. The free booklet "Diseases of the Nervous System" will interest you. Write for it today to the Dr. Williams Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams Pink Pills or they will be sent by mail on receipt of price 50 cents per box, six boxes for \$2.50.

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dul, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
