Don't stay headachy, sick, or Report Scarcity of Engines and have bad breath and sour stomach.

Wake up feeling fine! Best laxative for men, women and children.

Endov life! Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, breath offensive and stomach sour. Don't stay billous, sick, headachy, constipated and full of cold. Why don't you get a box of Cascarets from the drug store and eat one or two to-night and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced? You will wake up feeling fit and fine. Cascarets never gripe or sicken like salts, pills and calomel. They act so gently that you hardly realize you have taken a cathartic. Mothers should give cross, sick, billous or feverish children a whole Cascaret any time—they act thoroughly and are harmless.

SINKS TO DEATH IN SWAMP
Denver, Colo., Oct. 5—A horrible
death, alone at night in a vast, trackless swamp, where he gradually sank
from sight into the foul green mire
while venomous snakes snapped at
his face, was the fate of Samuel D.
Barry, former resident of Golden,
who escaped from a Colorado Sheriff,
Sunday, when being brought back
from New Orleans to stand trial in
Golden on charge of horse stealing.
Barry, twenty-five, leaped through
the open window of a train near
Guthrie, Okla, when the express was
making fifty miles an hour and passing a swamp.

DANDRUFF MAKES HAIR FALL OUT

25 cent bottle of "Danderine" keeps hair thick, strong, beautiful.

Girls! Try this! Doubles beauty of your hair in few

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull,, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.
