New Trimmed Hats For To-morrow

Our Famous Style Leaders at \$4.95 and \$6.50

The reputation that our popular priced hats enjoy for correctly mirroring the prevailing modes is firmly established, as each new shipment brings the latest shapes and heralds the important style changes of the moment.

The \$4.95 Trimmed Hats

No two styles alike despite the moderate price. These models are made of excellent qualities of velvet, plush, beaver and other fabrics and are cleverly trimmed. We demonstrated many years ago that our hat styles at \$4.95 are incomparable from every viewpoint of the style critic. Shapes are varied—sailors, turbans, rippled brim turbans, flared effects, rolled brims, tricorne and other prevailing shapes.

The \$6.50 Trimmed Hats

The chic air that distinguished the high-class dress hat is the noticeable features of these excellent styles. Designed by artists thoroughly conversant with the latest millinery modes and trimmed to emulate the models that command much higher prices, small wonder that our \$6.50 hats really pass for \$10.00 models until the prospective purchaser is agreeably surprised by the figures on the price ticket.

Notable Values in Vogue Felt Hats

Matchless values at \$4.95. There's a super-excellence to Vogue hats that make them distinctive and so adorably smart. The lines, the workmanship and the finish are all different and make for style exclusiveness and elegance.

The most picturesque shapes in black hatter's plush—large sailor effects, lovely flared effects, smart little narrow brim models, \$6.95 to \$10.00.

The Handsomest Silk Blouses We've Ever Seen at \$5.50 to \$9.50

Georgette Crepe a Decided Favorite

There is a new note of attractiveness each day in the silk blouse section, for scarcely a day passes but that a score or more of filmy, fresh new styles are added to our constantly changing stock.

Suit shades, including neat brown, navy, green and Burgundy are shown in many lovely styles—and close by is to be seen quite the finest collection of white and flesh Georgette blouses that is to be found in Harrisburg this season.

You'll not tire of this unique showing—so come tomorrow while it is at its best. Prices for Georgette blouses begin at \$4.95—and go to \$12.50. Those at the first price are beautifully embroidered and have the appearance of garments at higher cost.
