SCHOOL TEAMS SHOW FAST PACE

Central, Tech, Academy and Steelton Winners; Results of College Games

Tech, Steelton, the Academy and Central—the four scholastic eleven that will represent Harrisburg on the football gridiron this fall—made a clean sweep of their games played on Saturday and came off victorious. While the best Central could do was to tie the Johnstown High school team, the result is considered a victory for the local eleven in view of the fact that the contest was played in the Flood City.

Tech had an auspicious opening, winning in easy fashion from Lebanon High. While the game was easily won, the one fact brought out by the result was that many of the regulars will have to hustle to hold down their jobs.

Cochran Taggart seems to have once more developed a winner down in "Schwabtown" as Saturday's result appears. The Blue and White totalled 53 points against the Dickinson College Freshmen, and judging from the line-up Steelton will be a dangerous contender for local honors.

Coch Schlichter seems on a fair road to repeat the triumphs of last year up at the Academy. Captain Phillips and his colleagues won from Lykens High school in easy fashion on the local field, 43 to 0. With the addition of British at quarter the team looks strong.

Central kept its slate clean by playing a scoreless game at Johnstown. It was more than the most ardent rooters had hoped for. The team will have another hard contest this week when it will travel to Baltimore to play the Baltimore City College eleven. Last season the team led by Captain Rote easily won from the Monumental City boys on the Island Field. Tech will meet another strong opponent in Easton on the Island. In the game played by Easton last year the local squad was defeated by two touchdowns.

In the college world the big teams continued to try out players in preparation for the big games that will follow. Most of the results were as anticipated. State College cleaned up at Bucknell in a 50 to 7 contest that marked the resumption of gridiron sports after several years' cessation. Three local leads stood out prominently in the result. Beck took more fame at the Center county institution by taking a kickoff by running 90 yards through the entire Lewisburg team for a touchdown. He crossed the goal lines twice before being relieved by Coach Harlow. Captain Clark also scored twice.

For George Cockill's Bucknell team Lawrence played at end, scooped up a fumble and scooted 86 yards for the only score made by the eleven. Lawrence learned his rudiments while a member of the Steelton High school team several years ago.

GREAT GAME AT AUDITORIUM
The Ronier electric board at Chestnut Street Auditorium won much praise Saturday. Manager George McIlhenny had a big crowd to see the opening game in the world's series. He had good men on the side lines and back of the bat. Every play was given correctly. So much so that fans cheered the players, and when hits were made they yelled like Comanche Indians. Games will be played daily until the series ends. Fans are permitted to smoke and it is just like being at a real game.

WELLY'S CORNER

Stengel's wild throw was costly on Saturday. These things happen when two teams are on edge. In considering future results one thing must not be overlooked, Brooklyn has a habit of getting busy in one inning.

Much gratification came with Saturday's scholastic football results. Central gave Johnstown the hardest battle in the history of that school. It is further evidence that Coaches Smith and Harris are doing wonderful work notwithstanding the obstacles they have encountered. Tech came to the front with a big surprise in the opening game, and the result of the Harrisburg Academy game shows that Coach Schlichter is making good. Steelton High, which was looked upon as a weak team this year, is anything but that and must be considered.

At Boston Saturday Miss Alex

Stirling, Atlanta nineteen-year-old golf marvel won the women's championship of the United States beating Miss Mildred Caverly the Philadelphia championship holder, on the seventeenth hole, 2 and 1. It was one of the best finals ever staged for the title.

Walter Camp says: "A good backfield behind a poor line is as much use as hot water under ice. He ought to know—he has been in the game long enough.

The Casino Tenpin League will open the season to-night. The Orpheums, last season's winners will meet the Rovers. This will be the fifth season for this organization. Ross will captain the Orpheums and Jones leads the Rovers. Indications point to a record season.

Three Hurt in Series of Accidents Over Week-End

Three persons were painfully hurt, and the lives of four others endangered in a series of automobile, motorcycle and trolley car accidents over the week-end.

On Saturday night, Miss Charlotte Zeiger, of Penbrook, driving her father's auto, turned out of the roadway on the Mulberry street bridge to avoid colliding with Denton Radanovic, 509 South Third street, Steelton, on a motorcycle. The machine crashed into the base of a light standard after striking the motorcycle. Radanovic sustained serious injuries and was taken to the Harrisburg hospital.

Yesterday afternoon M. F. Tripner, of Camp Hill, while driving his automobile, slipped into a rut and ran into a telegraph pole, breaking the windshield of the car.

George Terris, aged 78, 435 Strawberry street, was struck by an Oberlin trolley car last night at the entrance to the Pennsylvania railroad, sustaining severe bruises. He was taken to the Harrisburg hospital.

Catherine Sowers, aged 17, 1072 South Ninth street, sustained painful bruises of the back last night when the motorcycle on which she was riding collided with an automobile at Third and Pine streets.

Penbrook Republican Club to Be Organized Tonight in Band Hall

Plans for the organization of a great Republican club in Penbrook and vicinity have been practically completed and the details of the organization will be agreed upon at 8 o'clock to-night at a mass meeting of the Grand Old Party followers in the band hall.

The gathering has been called for 8 o'clock. I. B. Swartz, will likely call the meeting to order. Penbrook and surrounding country are planning to get into the political fight in a real old-fashioned Republican way this fall and to-night's gathering is the concrete result.

CHURCH OPPOSES NEW MILK PLANT

There is much concern among the members of the St. John's Reformed Church, at Fourth and Maclay streets over the erection of the large addition to the present plant of the Pennsylvania Milk Products Company.

This company now has a plant on Atlas avenue on one side of the church property and is about to erect another building on the other side of the church street. A committee of the congregation, representing the official body, retained legal counsel this morning and will immediately apply for an injunction against the erection of this building upon the ground that it is a public nuisance and will damage the church property.

The Rev. G. W. Hartman is pastor of the congregation. It is asserted that the handling of the milk cans makes the services of the church, especially on Sunday, almost impossible. It is said that other religious bodies in the neighborhood are likewise interested in preventing the erection of the additional building.

REPAIRING BRICK ROAD
Lemoyne, Pa., Oct. 9.—Work on repairing the "cut" between the Market street bridge and the Lemoyne bridge, in charge of the Bell Telephone Company, is nearing completion. The company removed the bricks when an underground cable was installed. New bricks replace the old ones.

95 Typhoid Cases This Month; Complete Plans For Emergency Hospital

Final arrangements were made this morning by Spencer C. Gilbert, City Commissioner E. Z. Gross, Mrs. Lyman Gilbert, and City Health Officer J. M. J. Runkle, to open the emergency hospital for convalescent typhoid fever patients in the hall of the National hotel, Fourth and State streets.

The hospital will be conducted under the supervision of the Harrisburg hospital, and the cooking will be done at the latter institution. The food will then be sent to the emergency hospital and kept warm until served to the patients. Miss Frances M. Scott, superintendent of nurses at the Harrisburg hospital, will be in charge. At the front street institution 68 typhoid victims are being treated, and the extra wards that were opened have been almost completely filled.

Six new cases were reported over the week-end in Harrisburg, making a total of 95 to date in October. More than 500 cases have been recorded in the county since the epidemic started in August, and almost half of this number are in Harrisburg.

FATIMAS

A Sensible Cigarette

Such men want comfort AFTER smoking

IT'S NOTICEABLE that more and more substantial men are choosing Fatimas for their steady smoke. There must be some reason for it. Surely, these men would quickly pay a far higher price for another cigarette if it suited them better.

That is just it. No other cigarette can quite give what Fatimas give.

Some other cigarettes taste good, yes. But Fatimas do more—they are comfortable. Not only are they comfortable to the throat and tongue while you smoke them, but, much more important, they leave a man feeling keen and "fit" AFTER smoking, even though he smokes more than usual.
