

HANDY STOMACH REMEDY TO HAVE ABOUT THE HOME

Instantly stops indigestion, gas, sourness, heartburn or acidity.

The moment "Pape's Diapepsin" reaches the stomach all distress goes.

As there is often some one in your family who suffers an attack of indigestion, acid stomach, dyspepsia or some form of stomach trouble, why don't you keep Pape's Diapepsin in the house handy?

This harmless blessing will digest anything you eat without the slightest discomfort, and overcome a sour, gassy stomach in five minutes.

Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why it makes indigestion, sour stomach, heartburn and other distress go in five minutes and relieves at once such miseries as belching of gas, eructations of sour undigested food, nausea, headaches, dizziness, constipation and other stomach disorders.

Some folks have tried so long to find relief from indigestion and dyspepsia or an out-of-order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of nervousness, gastritis, catarrh of the stomach or cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, gas and stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the breathing and nervous systems.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the stomach is waiting for you as soon as you decide to try Pape's Diapepsin.

Check and Abort a Bad Cold

In Five Hours With MENTHO-LAXENE. You Buy It Concentrated and Mix With Pint of Syrup.

Doubtless every reader recalls having neglected a slight cold until in 24 hours it settled into a "Bad Cold" and then about 72 hours of distress, discomfort, if not weeks of bronchitis or pneumonia or catarrh. Now confess, if you've had such an experience, and take time by the forelock by preparing to check and abort colds, coughs, catarrh, difficult breathing, watering eyes and painful headaches.

It can be done, by taking Mentho-Laxene either in its raw state—ten drops to the dose—or by making a granulated sugar syrup and mixing in a pint bottle or jar. A pint will last a whole family for a long time and keeps every member free from the distressing after-effects of a bad cold. Mentho-Laxene is guaranteed to please or money back by The Blackburn Products Co., Dayton, Ohio, and any well stocked druggist can supply you. Don't take a substitute. There is really nothing to compare with Mentho-Laxene.

MAJOR OPERATION DEFINED BY BOARD

Compensation Commission Had Advice of Five of State's Expert Medical Men

The Workmen's Compensation Board has adopted the following definition of the term "major surgical operation." This term was drafted by Dr. Francis D. Patterson, chief of the Division of Hygiene of the Bureau of Inspection of the Department of Labor and Industry, with the assistance of the following committee of physicians: Dr. John M. Baldy, president, Bureau of Medical Education and Licensure of the Commonwealth of Pennsylvania; Dr. J. B. McAllister, ex-president, State Medical Society, Harrisburg; Dr. W. L. Estes, surgeon to St. Luke's Hospital, South Bethlehem; Dr. Robert G. LeConte, surgeon to Pennsylvania Hospital, Philadelphia; Dr. Edward Martin, professor of surgery, University Hospital, Philadelphia.

"A major operation is a surgical procedure which entails immediate serious consequences to the patient and which requires skill and training to perform and includes: 1. The setting of fractures of long bones and reducing of subluxations, providing accuracy and efficiency of reduction as demonstrated by x-ray taken before and after surgical treatment.

2. All operative procedures, other than finger and toe amputations, cleansing and draining and closing wounds, evacuating pus by incisions, the manipulating and reduction of un-complicated dislocations, the treatment of uncomplicated fractured ribs, the removal of superficial foreign bodies from the eyes, and the removal of subcutaneous foreign bodies.

All fees for a major surgical operation shall be limited to such charges as are reasonable for similar treatment of injured persons of like standard of living in the same community, and where such treatment is paid for by the injured person himself the charges, including hospital service, to be paid by the employer, not in any case to exceed the sum of \$75.

Albert L. Allen, assistant manager of the State Workmen's Insurance Fund, will address coal operators of the State fund at a meeting in Huntingdon to-day and will outline the advantages and facilities offered by the State fund as a medium for compensation insurance for coal mines.

In discussing the present business in coal mine compensation insurance handled by the State fund he asserted that, according to present prospects, a satisfactory dividend will be declared at the end of the present year to coal operators insured in the fund. The initial premium for each hundred dollars of the annual payroll for the bituminous mines in the State fund is \$3.45, as against \$3.83 in stock companies, and in anthracite mines \$4.64 in stock companies.

TO RAISE PRICE OF MILK Carlisle, Pa., Oct. 9. — Cumberland county dairyman at a meeting in Carlisle to-day to increase the wholesale price of milk to four cent per quart, and \$1.96 per hundred pounds for the product with 16 cents per quart for cream. The increase is to date from October 16 to April 16, 1917.

"But that splendid medicine, Tanlac, it has changed all that and I am well and happy again and my work is a pleasure again. One more can eat for I have now a good appetite and food does me good. I suffer no more from the gas and that pain around my head that is all gone and there is no more constipation to bother me. That is why I am happy, is it not enough?"

Tanlac, the famous reconstructive tonic and stomachic invigorant, is now being specially introduced in Harrisburg at Gorgas' Drug Store, 16 North Third street, where the Tanlac man is always ready to explain the benefits to be derived from the use of this master medicine. Tanlac is sold also at the Gorgas Drug Store in P. R. R. Station.

STEELTON NEWS

COUNCIL TO AID IMPROVEMENTS

Ordinance to Eliminate Overhead Wires and Poles Comes Up Tonight

Steelton's borough council this evening will take another step in a big plan to improve the borough and bring it up to its proper place in the sun.

The borough fathers will have a number of improvement measures before them, not the least important of which will be the measure introduced at the suggestion of Councilman T. T. McEntee providing for the elimination of all overhead wires and all poles in the borough. This measure is now in the hands of the ordinance committee and will likely be submitted to council this evening.

The ordinance has the endorsement of the Municipal League Steelton Merchants' Association and prominent citizens. It provides for elimination of all poles in Front and Second street and the lighting of these thoroughfares with standard lights.

It is possible that action will be taken this evening on the purchase of motor fire apparatus and it is likely, also, that the special committee in charge of his project will report at this session.

An ordinance for the annexation of the Pine Street Extension will also likely be introduced and passed in its reading. Council has already expressed its approval of this step and no time will be lost in taking this thriving locality into the borough folds.

FUNERAL OF CHILD Funeral services for C. Montelle Dress, 4-year-old son of Mr. and Mrs. George W. Dress, who died at the Dress home, 147 South Fourth street, from spinal meningitis, were held to-day. Burial was made in the Baldwin cemetery.

CALL FOR BONDS Borough Secretary Charles P. Feldt has issued a call for \$10,000 of 4 per cent. bonds of the 1910 issue. Bonds will be redeemed and paid, January 1, at the Steelton National Bank.

DIES FROM FALL Frank Tuptanowski, aged 51 years, died at the Harrisburg Hospital shortly before noon to-day from injuries received in a fall from the balcony of his home at 613 North Third street yesterday. He alighted on his head and was unconscious when picked up. He sustained a fractured spine and internal injuries.

TWENTY-TWO TYPHOID CASES The board of health reports this morning show that twenty-two cases of typhoid fever are in the borough. Not any are reported serious.

STEELWORKER ARRESTED On a charge of feloniously assaulting Mrs. Peter Pearson, 105 Adams street, Charles T. Mason, a Florida negro employed at the steel works, was arrested by Detective Durnbaugh yesterday. It is alleged that Mason attacked the woman with a knife and threatened to cut her. Pedestrians prevented him from carrying out his threat. No time has been set for the hearing before Justice Stees.

Dems. Prepare For Worst. — In an attempt to lessen as much as possible the sting that is going to be handed the party in the lower end of the county, local Democrats are getting together to "campaign." On Saturday evening a few of the faithful gathered together in A. O. H. hall and mountfully discussed the outlook. It was decided to have a number of loyal workers from the city come down and make speeches before meetings which it is planned to hold every week. Some of these talkers will include Fred Morgenthaler, H. B. Sausman and Dr. Galen Hain. William Phillips has been made local chairman; Joseph Huske, secretary and James Coleman, treasurer.

Charles Rahn Injured — Falling from a street car at Front and Eleanor streets, Saturday evening, Charles Rahn, 607 North Third street, sustained injuries to his back. He was taken to his home in a passing automobile.

Committee Meets. — A meeting of the executive committee of the Civic Club was held at the home of Mrs. J. M. Heagy, the president, this afternoon.

OBERLIN

MRS. HANSHAW DIES Wilmina Hanshaw, aged 71 years, widow of Jeremiah Hanshaw, of Oberlin, died at 6:30 o'clock this morning of old age. Funeral services will be held from her home Thursday at 2 o'clock. Burial will be made in the Oberlin Cemetery.

SOLDIERS PARADE About 900 members of the First Regiment, Pennsylvania Guardsmen, of Philadelphia, yesterday paraded the town streets enroute from the border to Philadelphia, where they will be mustered out of service.

To Welcome Tenth. — Governor Brumbaugh will probably go to Pittsburgh to-night to welcome the Tenth Infantry. He is in Philadelphia to-day.

Honor Requisitions. — Requisitions from the Governor of New Jersey were honored to-day by the State Board of Education, as follows: Mille De Marco, Giuseppe Bueso, Frank Vasella and Frank Ledonne, charged with the Rider murder.

Complaint of Jitneys. — Eight complaints against jitneys alleged to be illegally operating in the Allegheny valley were filed to-day by the Allegheny Valley Street Railway Company with the Public Service Commission.

Unable to Attend. — Adjutant General Stewart was unable to go to Philadelphia to-day to attend the welcome to the First Infantry because of pressure of department business.

Port's First Bulletin. — The first of the educational bulletins of the State Fire Marshal's department was issued to-day by Marshal Charles Bueso, appropriately bound in red and is entitled "Make Pennsylvania Fireproof." The bulletin contains the causes of 353 fires during the last month for which complete data is in hand, showing that 151 were of dwellings. Defects in lighting caused the most, being blamed for fifty-six. The bulletin contains a number of educational features.

Frick Declines Re-election as Reading Director Philadelphia, Oct. 9. — At the annual meeting to-day the board of directors of the Reading Railway Company, Henry C. Frick declined re-election as a member of the board and William L. Kinter, assistant general solicitor, was chosen in his place.

No Reason Given For Mr. Frick's resignation but it is supposed to be due to the operations of the Clayton act.

MORE NURSES ARE TO GO ON DUTY

Dr. Dixon Sends For Additional Assistance For the Lykens Valley Region

Additional nurses will be put into service to assist in the typhoid fever outbreak in rural Dauphin county and sharp increase in being kept for secondary cases in families where the typhoid fever has appeared. In addition to the Harrisburg district situation, the State Department of Health is keeping in close touch with the typhoid conditions at Altoona and Reading. The infant paralysis situation is easing up all over the State.

Miss O'Hallern, chief nurse of the State Department of Health is directing the nursing in the Halifax district of this county and Miss Parsons is directing the nursing in the West Shore district of Cumberland county. Additional nurses will be put into service in the Lykens valley, Highspire and Middletown this week.

Meanwhile State inspectors are working to find down the source of the infection, which is generally attributed to ice cream.

The Commuters Case. — The Public Service Commission is planning to give up a couple of days, week if necessary, to the consideration of the petition for reopening the case of the Philadelphia commuters against the Pennsylvania railroads and street car companies, as the principles involved may have a State-wide application. The hearing is scheduled for Tuesday, October 10.

Approved Water Plans. — Approval has been given by the State Water Supply Commission and the State Department of Health to big projects for water supply in the Lykens valley. The permits authorize the Lewisburg Water Company to extend its distributing system and the Lehigh Valley Water Company to get a new source of supply. The Mountain Water Company, of Milton, have been given permits to extend their distributing systems. The city of Williamsport has also received State approval of plans for lateral extension of its Philadelphia, while approval has been given for Johnston's big intercepting sewer.

Visit Cities. — It is probable that in addition to holding this month that the State Compensation Board will have sessions in other cities where the outstanding districts of the city are a few which always register heavily as Republican.

4655 Nonpartisan The nonpartisan registration this year in both city and county is large, too, as \$87 in the city and \$465 in the county didn't state their party affiliation. This will help swell the Republican total is the opinion of City Chairman Harry F. Oves.

"Bear this in mind, too," pointed out the chairman. "Not only is the total Republican registration in city and county practically three times as great as the total Democratic vote, but the Republican total is nearly a third larger than the combined Democratic and nonpartisan registration. For instance the total in city and county is 18,711; the combined Democratic and nonpartisan vote in city and county is only 12,438."

More Too "To the totals of course will necessarily have to be added a lot who will enroll at the county commissioner's office before election day," he said. "These will include those who were unavoidably absent from the polls because of absence on the three registration days or because of illness."

The proportionate outnumbering of the Republicans to Democrats in the county outside the city is followed out in the city districts, too. In the Reports outside of Harrisburg, just 9851 Republicans as compared to 3262 Democrats were enrolled, while 4655 were nonpartisan.

In the city the total Republican registration on the three days was 8860 while the Democrats could muster 3627. The nonpartisan registration was 887.

Urge Return of Women From "Plow to Cradle" Fort Worth, Texas, Oct. 9. — That the labor problem of this nation is upon the farm and that the first duty of Congress owes labor is to return the woman farm laborers from the "plow to the cradle" is the statement of H. N. Pope, president of the Association of State Farmers' Union presidents.

Ms. Pope asks the farmers to urge their Congressmen of every political faith to repeal the Adamson law and has issued a pamphlet characterizing it as a class legislation inimical to the interest of the farmer whom he declares must, in the end, finance the law. The statement gives an exhaustive comparison of legislation and working conditions of trainmen with those of the farmer.

VIEWERS REPORTED TO REPORT ON N. C. R. DOMAIN ACTION Paul G. Smith, Joseph UMBERGER and E. Clark Cowden have been appointed by the Dauphin county court as a board of viewers to assess benefits and damages to the farmer who has taken over for track room by the Northern Central Railroad Company about a fifty-eighth of an acre of ground belonging to the John J. Freeland's farm in Upper Paxton township. The proceeding is to be done by eminent domain and the viewers will report in January.

TONE UP YOUR STOMACH There is no tonic for the stomach that is not a tonic for every other part of the body. But the stomach depends, as does every other organ, on the blood for its energy.

There can be no perfect digestion without rich, red blood. This is scientifically true. The way then to tone up the stomach is to enrich the blood.

If your digestion is off and your blood is thin there can be no question about it. You need Dr. Williams' Pink Pills to restore the condition of your blood, use care in the selection of your diet and the stomach trouble will take care of itself.

Stomach trouble is debilitating. Dr. Williams' Pink Pills are a tonic and build up the weakened system generally. Most stomach remedies try to digest your food for you. How much better it is to tone up the stomach so that it will do its own work as nature intended.

There is no pleasure in eating pre-digested food. Tone up your stomach and your appetite and digestion will soon be normal.

A diet book will be sent free on request by the Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills or a box will be sent by mail, postpaid, on receipt of fifty cents.

GET READY FOR HOTEL CAMPAIGN

No Cessation of Interest in Project; More Names Suggested

There is no cessation of interest in Harrisburg's million dollar hotel proposition. Outside comment is most favorable and the home people are showing their pleasure in every possible way. It is expected that the campaign of next Friday, when all who have not yet been seen will be interviewed as to their subscriptions to the hotel stock will be of the whirlwind order. Those who have given so much of their time to the building up the membership of the Chamber of Commerce will assist the lively finish of the hotel campaign.

In addition to the many suggestions for the naming of the hotel are the following: George S. Levan, 627 Benton street, Harrisburg, submits "Penn-National," "The Pennsylvania-National" or "Keystone-National."

James E. Shade, 463 E. Catherine street, Chambersburg, suggests "The New Era." He says: "Inasmuch as Era represents a period of time characterized by special phenomena or conditions, why should not Harrisburg have a hotel which should show that it is being characterized by some special phenomena or conditions?"

Joseph A. Berrier, of the State Board of Censors, offers the name of "Assembly."

DAUPHIN COUNTY TO GO REPUBLICAN

ratio of a little less than three to one.

The revised official returns of a few outstanding precincts of the city will not affect the unofficial total, in the opinion of party leaders, other than to swell the Republican count. Among the outstanding districts of the city are a few which always register heavily as Republican.

The nonpartisan registration this year in both city and county is large, too, as \$87 in the city and \$465 in the county didn't state their party affiliation. This will help swell the Republican total is the opinion of City Chairman Harry F. Oves.
