RED SOX UTILITY MEN FACTORS IN WORLD'S SERIES

PINCH-HITTER Almost every world series of the past few seasons has produced stars from players previously unknown, and there is no reason why one of the utility men of the Red Sox can't make himself famous in baseball history. One of these may win the crucial game of the series. Gainer broke into the limelight yesterday with his timely two-bagger. The batting averages of these men is as follows: Gainer, .228; Walsh, .224; Henricksen, .208; Shorten, .236, and McNally, .169. Stars who hit during the season very seldom do much in world's battles.

Ladies' Day at Auditorium;

Watch World's Series Game

Manager George W. McIlhenny who
is giving the World's series games
with the aid of the Renier electric
board, has won much popularity with
baseball fans. He had a large crowd
on hand yesterday afternoon. The
names of all players who got into the
game were given correctly and
promptly. When Dell Gainer came
to the bat with two men on bases, the
fans knew something was going to
happen. Boston rooters yelled "we
win" and before the cheering subsided
the double baggef that brought the
victory was shown on the board. The
reproduction of the games offered by
Manager McIlhenny is causing much
favorable comment among local fans.
This afternoon was given over to
ladies, and they were out in large
numbers.

Sald. "I look for four straight."

CARLISLE TEAM WANTS GAMES The Tocarco Club of Carlisle has organized its basketball team for the season and would like to hear from first-class teams in Harrisburg and

vicinity.

Last year this club won the championship of Cumberland county and also defeated the best amateur teams of Harrisburg, including the Telegraph Club, Rosewood Club, and the Thespians. Address communications to H. R. Gerhardt, 216 West North street, Carlisle,

ROTE'S WORK IS **GIVEN ATTENTION**

Stars For Gettysburg in Opening Game at Cornell; Ithacans Slow Up in Second Half

In the opening game at Cornell yes terday Gettysburg was the attraction Rote, a former Central High star, was a big sensation for the battlefield ag-gregation. His work attracted the attention of Cornell coaches who re-ferred to the Harrisburg boy as a wonder. The final score was 26 to 0.

but six points: a unput says:

"Cornell beat Gettysburg, 25 to 0, on a muddy field. The Ithacans' goal line was never in danger, Gettysburg never getting closer than the 18-yard

never getting closer than the 18-yard line.

"Cornell had a wonderful line and its backs made good gains. The Ithacans followed the ball closely, Gillies and Ellenberger recovering fumbles that paved the way for Cornell scores.

"Shiverick, Benedict and Muller made good gains for Cornell. The Ithacans worked several successful forward passes, the most productive being a 25-yard toss Benedict to Ellenberger, which opened the way for a score.

"Rote and Stratten, of Gettysburg, each finade a couple of good runs after receiving kicks, the cornell ends having been boxed."

Another New Golf Record; **Barnes Better Than Brady**

New York, Oct. 10.—The new record for the Siwanoy Club course, Mt. Vernon, made by Michael J. Brady, Massachusetts open champion, lasted just over night. James M. Barnes, Philadelphia, to-day reeled an individual card of 69 in the combined fourball foursome event between professionals and amateurs, preliminary to the first championship of the Professional, Golfers' Association of America. Brady's mark was 72, so "Long Jim," at three strokes less, put a real crimp in the Bay Stater's showing.

The best ball of Barnes, playing with Hamilton K. Kerr, Greenwich amateur, in the four ball was:
Out ... 3 5 3 4 4 2 4 4 3—32
In ... 3 3 3 2 4 4 4 5 6—35—67
In the foursomes they did:
Out ... 4 4 3 5 5 3 5 5 4—28
In ... 5 3 4 4 4 5 5 4 5—49—77—144
Their 36-hole total of 144 led the field, the next best being Henry J. Topping, amateur, also of Greenwich, and Tom Kerrigan, Siwanoy professional since he left Boston. They did 35-38-73; 38-37-75—148. With His Electric Board

fans were on edge until the finish FIRST FOOTBALL DEATH Yesterday's game was a real test for Philadelphia, Oct. 10. — Walter F. Waldeman. 17 years old, of Vineland, N. J., a freshman at the University of Pennsylvania, died in a hospital here to-day from injuries received while tackling a dummy during football practice. the electric board. There were hap-penings in the game that kept the penings in the game that kept the scorers busy but every detail was flashed one minute after it happened at Boston. There is no denying the value of his board. In the audience yesterday afternoon were many women. They are showing unusual interest in the games and cheer just like real baseball fans. Games will continue until the series is ended.

TAFT IN WILSON AND HUGHES
[From an Article by ex-President Taft on "The Democratic Record" in the October Yale Review.]
Other instances might be cited, but these are certainly enough to justify the conclusion that Mr. Wilson has few, if any, convictions on the issues of the day which exigency in the field of politics may not induce him to give up. Nor does Mr. Wilson waste time in explaining in argument the reason for his frequent changes of view. His faculty in this regard robs of special importance his public utterances as a basis for supporting hifn as a candidate. LEBANON BADLY BATTERED
Annville, Pa., Oct. 10. — The football squad of Lebanon Valley returned from their trip very much used up
from their game with Dartmouth last
Saturday. While the overwhelming
defeat at the hands of the Big Green
Team was a disappointment to both
team and students, yet they are not
discouraged and expect to come back
strong in next Saturday's contest. The
coach gave the boys a day off yesterday to get their bruitses fixed up
but he expects to give them plenty
to do before the week is over.

Gainer, the pinch hitter who went into the game yesterday for Boston is the first hero in the present world's series. He owned Boston after the game as far as the Hub fans were concerned.

Every season some local fans pick one or more scholastic teams as weak aggregations. Just as often they fall down in their predictions. This year started with stories about the triangle fight likely to be one-sided. Wait until Central, Tech and Steelton have played their series and then see how near correct the forecast is.

for the Dodgers hope to see Brooklyn even up.

Fitcher Smith who was on the mound for Brooklyn yesterday proved himself a wonder, even if he did lose. Tester was not his fault alone.

Yesterday's game broke the record for extra innings in World's Series games. The longest game previously

Brooklyn was the battling ground to-day for the world's series. Rooters for the Dodgers hope to see Brooklyn

light likely to be one-sided. Wait until Central, Tech and Steelton have played their series and then see how near correct the forecast is.

Central High did not have an easy task at Johnstown. That is why the local eleven is entitled to the credit for a victory without scoring. The Harrisburg team was up against several bad obstacles. The worst was a set of high school officials who over looked important rules of the game. Side line interference was frequent. Johnstown has a good team. They play football in the Flood City, but the result might have been different with regular officials, according to reports.

Coach Schlichter of the Harrisburg Academy has a system all his own in developing athletes. He first ascer-

President, Frank Lindsey, Camp 8
Harrisburg; secretary, Jesse Wells,
Jr., Camp 716 Harrisburg; treasurer,
Joseph Bricker, Camp 102 Seelton.

Trophy For Winner

The winning team will receive as a trophy a large pennant which will be presented by the president of the league at a banquet held for that purpose. These committees were appointed:

pointed:
Rule committee — D. U. Bowers,
Harrisburg; Joseph Bricker, Steelton;
E. G. Livingston, Enhaut.
Schedule committee: Edward H.
Weigle, Harrisburg; J. M. Shaffner,
Harrisburg; Martin Albert, Highspire.
The next meeting of the League will
be held in the Odd Fellows' Hall, 321
Market street, Harrisburg, in the
Camp room of 716, on Monday evening, October 23.

CARBURETOR KINKS

CARBURETOR KINKS

Of course we know that you are too wise to try conclusions with the carburetor on your motorboat unless it seems absolutely necessary. In that contingency these hints may help you: If the motor is of the two-cycle type and should start running on the four-cycle plan, or, in other words, explode every other revolution, it is almost certain that too much gas is being used, and the needle valve should be turned off until the engine begins to back fire. Then open the valve slowly until the explosions come regularly. If the motor pounds as if there were a loose bearing, open the needle valve slightly, giving the engine more gas, and if the pounding continues retard the spark a little. A slow running motor cannot have the spark advanced as far as a motor that speeds up.—October Outing.

How Is This For 1917 Harley Davidson Endurance?

In the big 408½ Mile Endurance Run from Harrisburg, Pa., to Scranton and return, by the way of Williamsport and Benton, to Scranton, going, and Allentown and Reading to Harrisburg, returning, held by the Keystone Motorcycle Club of Harrisburg, Pa., only two motorcycles completed this run with perfect scores of 1000 points each. Both were Harley Davidsons, of course.

As this route led around four mountains and through and over eight mountains, as the pilots had inquired, and found the worst roads they could possibly get which led over the mountains mentioned, which had dangerous curves, which, if not negotiated properly meant a fall of from 50 to 2,000 feet below, and at other places miles and miles of almost impassable sandy rough roads were met. At one part of the course it had taken the pilots 5 hours to cover which the riders with perfect scores had to cover in 2 hours 36 minutes. The pilots knowing the roads did not take part in this run, as the riders thought it was impossible to make it on schedule time. thought it was impossible to make it on schedule time.

But the "Master" 1917-Harley Davidson, driven by R. W. Heagy, completed this run on Schedule Time with a Perfect score and 1000 points, and Mr. R. O. Ritchie, also driving a Harley Davidson with Sidecar and Mr. Zimmerman as passenger, also completed this course in record-breaking time with a perfect score and 1000 points.

Yes, these were fully Electric Equipped, strictly stock machines, the kind we sell you which have these endurance "get me there and return" qualities built right into them.
