BANISHED FROM JUNIATA COUNTY

Two Colored Men Punished For Assaulting Comrade in Card Game

Mifflintown, Oct. 12.—John Wilson and Albert Tyson were arrested by officer J. B. Eisenhart, a railroad patrolman for a stabbing affray which took place at Denholm in a shanty where a number of Southern negroes board as employees of the Pennsylvania railroad. During a game of cards a dispute arose and John Wilson clinched with Simon Jackson and Jackson was cut between the ribs. Albert Tyson went to the rescue of Wilson and beat up Jackson.

The case was heard before Squire Albert Hackenberg, where the evidence appeared that there was no ill-feeling between the parties. Simon Jackson withdrew the charge, with the recommendation of Justice Hackenberg that Tyson and Wilson pay the costs and pay Jackson \$5 for his injuries and that Tyson and Wilson leave the county of Juniata and stay off the property of said Pennsylvania railroad. This was agreed to by all parties.

Lewistown, Pa., Oct. 13.—A game preserve of 3,000 acres has just been completed in the Licking Creek section by Game Warden Slaughterback, of Lewistown. This land lies in Mifflin and Juniata counties, but the most of it is in the former county. Marking off the property by wire took some time. On the opening of the school the seniors made things lively by singing their class song and giving their yell. On Monday evening the juniors tried to start something by flying their pennant from the corner of the new schoolhouse, but it only remained there a short time, however, as the seniors will not permit the coolors to fly.

Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should be shunned by prescription, as the damage they will do to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and cures internally, acting directly upon the blood and mucous surfaces of the system. This is the only method by which you can get rid of Catarrh permanently and make it go away. Sold by Druggists. Price, 75c per bottle. Take Hall's Family Pills for constipation.

MAKING ENDS MEET SELLING COAL

Horses have gone away up in price nearly 75%. Harness costs 50 per cent. more than it did. The price of feed is so uncertain that it is difficult to tell how to figure it. On the average feed costs double what it did 15 years ago. The teamster who delivers your coal gets almost twice the wages he did fourteen years ago. Carrying bags coal chutes and shovels all cost the dealer much more money. Is it any wonder that 20c per ton profit is about all the coal dealer gets out of a ton of Anthracite Coal?
